Nepotism Disclosure Form

Any officer of the System or member of the Board of Regents is prohibited from appointing a person who is related to him or her, within the second degree by marriage or the third degree by blood, to a position paid through public funds. In addition, an individual may not supervise or have control over the salary or other conditions of employment of a relative.

For complete system policy on **Nepotism** go to: http://policies.tamus.edu/33-03.pdf

To assure compliance with system policy 33.03 we are asking all University employees who may have relatives who are also university employees to complete the following information. Please include student employees.
