The Texas A&M University-Commerce Music Building features state-of-the-art performance, rehearsal and instruction facilities, including the Jack and Lou Finney Concert Hall seating 600, a Recital Hall with seating for 75, five rehearsal halls, classrooms, studios, practice rooms, a piano lab and electronic music lab. The music building supports the university's strong and growing School of Music and provides a cultural centerpiece in Northeast Texas and beyond. Visit [our website](#) for a calendar of [upcoming music events](#) and performances.
