TEXAS A&M UNIVERSITY COMMERCE

AACSB

What is an <u>approximate</u> cost of a Business Graduate Degree at Texas A&M University-Commerce?
Refer to the OFFICIAL 2018-2019 TUITION/FEES:

Disclaimer: The purpose of this publication is for planning purposes only. It is not intended nor to be used as a course/program cost guarantee between the student and TAMU-Commerce. Program/course costs will depend upon several factors including but not limited to how (online or face to face) a student completes a course, enrollment cohort year and possible guaranteed rate plan assigned or chosen upon registration and coordinated with student.accounts@tamuc.edu.

(Fall/Spring -- Approximations)

Resident tuition = $1,299 + $75 (College of Business Program Fee) + $150 (online course fee)
= $1,524 per 3 hour course**

Non-Resident tuition = $2,544 + $75 (College of Business Program Fee) + $150 (online course fee)
= $2,769 per 3 hour course**

ADDITIONAL INFORMATION TO CONSIDER
Total program cost would depend on HOW MANY courses are required.

As part of the admission process, we review and evaluate each transcript upon admission. Therefore in the event you are a non-business undergrad but you have taken some business-related courses, we can possibly waive some pre-requisites lessening the total number of courses required to program completion.

Resident Tuition-Online
Business Major Undergrad (0 pre-reqs) = 10 **ONLINE** courses. So, 10x $1,524 = $15,240**
Non-Business Major Undergrad (6 pre-reqs) = 16 **ONLINE** courses. So, 16 x $1,524 = $24,384**

Non-Resident Tuition-Online
Business Major Undergrad (0 pre-reqs) = 10 courses. So, 10 x $2,769 = $27,690**
Non-Business Major Undergrad (6 pre-reqs) = 16 courses. So, 16 x $2,769 = $44,304**

Face to Face courses (Commerce/Dallas, etc)
Business Major Undergrad (0 pre-reqs) = 10 courses. So, 10 x $1,374 = $13,740**
(**Resident** Tuition)
Non-Business Major Undergrad (6 pre-reqs) = 16 courses. So, 16 x $1,374 = $21,984**
(**Resident** Tuition)

Business Major Undergrad (0 pre-reqs) = 10 courses. So, 10 x $2,619 = $26,190**
(**Non-Resident** Tuition)
Non-Business Major Undergrad (6 pre-reqs) = 16 courses. So, 16 x $2,619 = $41,904**
(**Non**-**Resident** Tuition)

Additional fees are applicable. Click HERE for information regarding FEES.

At Texas A&M University-Commerce, we help you save on the cost of completing your master's degree through **[in]tuition**, our plan to lock in your tuition and mandatory fees from registration to graduation. On the **[in]tuition** plan, you will be a part of a cohort of students who will pay a certain rate based on residency. That rate is locked in for you when you register. From there, you can begin each year with the immediate understanding that the cost of your degree has not changed.

College of Business -- Program Hours

As part of the admission process, we review and evaluate each transcript upon admission. Therefore in the event you are a non-business undergrad but you have taken some business-related/eligible courses, we can possibly waive some pre-requisites lessening the total number of courses required to program completion.
