

How to Look up Classes on myLeo

1. On the TAMUC home page, click the myLeo link (right lower side of screen)
2. Put your *Student ID* in the first box and your *Password* (default is your birth date MMDDYY)
3. Click on *Student Resources*
4. Click *Registration Menu*
5. Click *Search the Schedule of Classes*
6. Select the semester you want to search and click *Submit*
7. Search for the courses you want to take
8. From this point you can register from that screen, add the courses to your worksheet and then register or make a note of the course to make your decision later.
9. You can also contact UCOBAdvising.
