

**Curriculum Vita
September 2026**

Instructor: Dr. Mike Karaki, Adjunct Professor

Academic Department: College of Innovation and Design

Phone: 313.355.3860

University Email Address: mike.karaki@etamu.edu

Faculty Web Page Address: N/A

East Texas A&M University Addresses:

Main Campus: PO Box 3011, Commerce, TX 75429-3011

Dallas Site: 8750 North Central Expressway, Suite 1900, Box 30, Dallas, TX 76231

College of Innovation and Design Office Phone: 214.954.3615 & 903.886.5878

EDUCATION

Doctor of Business Administration (DBA)
Walden University, 2022

Master of Science in Engineering Management
Lawrence Technological University, 2006

Bachelor of Science in Industrial & Systems Engineering
University of Michigan – Dearborn, 2002

TEACHING EXPERIENCE

Sep 2021 – Apr 2022, Student Teacher, Walden University

Sep 2014 – Aug 2015, Instructor, U.S. Army DEVCOM

Sep 2009 – Aug 2010, Instructor, U.S. Army DEVCOM

PROFESSIONAL EXPERIENCE

U.S. Army DEVCOM (GVSC) | Warren, MI | 2004 – Present

- Strategic Partnerships Lead

- Orchestrate internal and external messaging for Army science and technology (S&T) priorities, effectively acting as a liaison between technical experts and federal stakeholders.
- Cultivate domestic and international partnerships across academia and industry to facilitate technology transfer and collaborative research.
- Manage legislative inquiries and reporting for a \$300M+ portfolio, ensuring alignment with the President's Budget and congressional mandates.
- Program & Research Management
 - Supervised and mentored a multidisciplinary team of 21 engineers, focusing on professional development and the maturation of advanced manufacturing technologies.
 - Directed cross-functional teams in the design, integration, and testing of survivability technologies, employing rigorous systems engineering and program management best practices.
 - Led high-stakes R&D initiatives from conceptualization to technology transition for OSD and Army Programs of Record.
 - Facilitated training and marketing for Small Business Innovation Research (SBIR) and Cooperative Research and Development Agreements (CRADA).
 - Served as an Industry Mentor for the University of Michigan's Industrial Engineering capstone projects, guiding students through real-world systems engineering applications.

Crunch Fitness | Dearborn, MI | 2020 – 2021

Personal Training Manager

- Supervised a team of 8 personal fitness trainers, ensuring client goals were established, monitored, and achieved through personalized fitness programs across a diverse demographic of age groups, genders, and exercise experience.

Dearborn Gear & Tool Co., Inc. | Detroit, MI | 2003 – 2004

Project & Quality Control Manager

- Directed production teams for global marine accounts (IHI Turbo America), overseeing the end-to-end manufacturing lifecycle.
- Instructional Leadership: Developed Standard Operating Procedures (SOPs) and spearheaded technical training programs for quality assurance inspectors.
