The study of contemporary leadership trends in business and industry. Students will research and study the body of literature with an emphasis on formulation of current leadership practices and future trends.

- Identify and apply the basic theories of leadership.
- Recognize mechanisms that enhance an ethical organizational culture.
- Understand how leadership is often contingent on people and situations.

COURSE REQUIREMENTS

National Society of Leadership and Success: 45% Students **will be required to join and participate in this organization.** There is a one-time registration fee of \$85 that includes all membership benefits, partner discounts, and a lifetime membership. ***Please do not attempt to join the organization until prompted by me to do so.*** Some students will join and participate during the first half of the semester and others will join and participate during the second half of the semester.

Article Summary: 15% There will be three article summaries each worth 5% of your grade. Please see eCollege for more details. **See the course calendar located under Doc Sharing for due dates.**

Discussion Board: 15% Each article will have a discussion area in which you will be required to discuss the various topics I have posted. Each student is required to post and reply to every topic for full credit. Please note that there is more than one topic per article. Merely making a post to the topic will not ensure full credit. You must DISCUSS the topic, which, at the **very least**, requires **a post** and **five** responses to each topic under the given article. I also expect that your discussion posts and replies will take place **throughout the time open** (in other words, don't make all your posts on one day). Please see the discussion rubric in doc sharing. Discussions will be graded on content and quality. I'm not grading you on length; however, one word posts will get you nothing. I want to see that you are actively participating and actually thinking about your posts and responses. Remember, for a discussion to take place, you must make posts as well as responses to each

topic! I also expect the grammar, spelling, punctuation, and capitalization to be that of a college educated person. I do not want to see posts that look as if you are text messaging your best friend. **Discussions for each article will close on the Due Date listed for that particular article!** Please see the course calendar located under Doc Sharing for due dates.

Webliographies: 9% Students are required to submit an entry to the Webliography tab located at the top of the course in eCollege for each article. Please see eCollege for more details. See the course calendar located under Doc Sharing for due dates.

Syllabus and Calendar Quiz: 6% Students will be required to take one quiz covering material found in the syllabus, calendar, and grading rubrics. Please see the course calendar located under Doc Sharing for due dates.

Surveys: 10% Students will be required to complete three questionnaires that measure student attitudes and opinions about your online experience in BAAS 345 Organizational Leadership at Texas A&M University-Commerce. You will be given a questionnaire at the beginning of class, at midterm, and at the end of the semester. Please see the course calendar located under Doc Sharing for due dates.

NOTE: I will accept late work with a penalty. I count off one letter grade for each day an assignment is late.

***If you miss an assignment because you are in the hospital, please fax me a copy of the admission and release forms with dates. If you miss an assignment or quiz because of a death in the family, please fax me a copy of the newspaper clipping stating you as the surviving, spouse, parent, child, grandchild, or brother/sister.**

Extra credit work will NOT be assigned so please do not ask.

Assignment Submissions

Completed assignments are to be uploaded to the **Dropbox** by the due dates posted. In order to receive an assignment grade, all assignments must be submitted to the proper Dropbox. Verification that the professor has received your assignment is possible by looking in the Outbox portion of the student's Dropbox. Each Assignment will have its own Dropbox label. The help section in your eCollege course and the Student Online Tutorial will describe the steps necessary to submit assignments to the Dropbox.

Assignments may be completed and submitted prior to the posted due date. Assignments will not be accepted through fax or as email attachments. A grade of zero will be recorded for incorrectly submitted assignments.

Spelling, punctuation, and grammar errors will have a negative impact on your assignment grades. If you need assistance with writing, please use the resources of the online writing lab (OWL) at TAMU-C. Details for the OWL can be found at the following link: <http://www.tamu-commerce.edu/litlang/CSC/owl1.htm>

TECHNOLOGY REQUIREMENTS

First time eCollege users

Students taking online courses are required to familiarize themselves with eCollege by going through the eCollege tutorial or orientation process. This will ensure that each student will have sufficient knowledge on how to accomplish the requirements of the course. It is NOT the Instructor's responsibility to teach students how eCollege works. **The Instructor assumes that each student has a working knowledge of eCollege and has a MyLeo e-mail address.** eCollege is generally very user friendly; however, should you have any questions or concerns about it, you may want to complete an eCollege orientation. You can access the online eCollege Orientation by selecting the link to **Online Student Tutorial** before you enter your course.

Hardware/Software Requirements

As the course is conducted totally online, students will be expected to have basic computer literacy skills, access to a reliable computer that is connected to the internet, and Microsoft Office 2010 or older. Also, back-up access to required electronic resources is necessary for successfully completing this course. College and public libraries are a great resource for back-up technology and internet resources. For those students in doubt about the necessary technology, refer to the following website:

<http://online.tamuc.org/index.learn?action=technical>

Email

As a student enrolled at Texas A&M University-Commerce, you have access to an email account via myLeo. All emails sent by me from eCollege (and all other university emails) will go to this account, so please be sure to check it regularly. Conversely, you are to email me via the eCollege email system or your myLeo email as our spam filters will catch yahoo, hotmail, etc. and I will not check for your email in spam.

You can have your Leo-Mail forwarded by clicking on Options, Holiday Setting, and typing in the forwarding email address under Forwarding Settings and clicking Save.**

However, in order to avoid duplication of questions and answers, I prefer that you post all class related questions in Virtual Office. It is likely that your peers will have the same question. Questions or concerns of a personal nature should be sent to my email address via eCollege.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures:

The Instructor reserves the right to administratively drop any student who does not log into the class web site for **seven (7)** consecutive days after the course officially starts. Any student who will not be able to log into the class web site for more than **seven (7) days** (i.e., because of an extended business trip) should contact the Instructor in advance to avoid an inadvertent drop from the course.

If I feel that you have not contributed appropriately in class, or that you have complained about assignments and grading policies, your final course grade may be reduced accordingly. Additionally, I expect every student to maintain a professional level with respecting opinions of the instructor, students, and guest speakers. Understand that this factor is highly subjective. In extreme cases, the instructor reserves the right to **withdraw** students from the class with a final grade of 'F'.

Academic Integrity:

If you are to excel in this course, the need for collaboration is undeniable, even in cases of individual work. There is a fine line in this process.
