# **Integrated Science 1417 Online**

Instructor: Dale Loughmiller

Phone: 903.886.5488 (Physics Dept.)

Email: dale\_loughmiller@tamu-commerce.edu

Office hours: Online Tuesday, Thursday, and Sunday Nights – Otherwise by Appointment

**Text**: Hewitt, Lyons, Suchocki, Yeh. <u>Conceptual Integrated Science, second edition</u>. San Francisco. Pearson. Labs and projects will be done online no manual need be purchased.

**Course Description**: The aim of this course is to give you a knowledge base in the physical sciences (physics and chemistry) that will enable you to critically examine public issues and make more informed choices and decisions. You will acquire a working vocabulary in these disciplines and a sense of relationships between the two. We will be covering Chapters 1-11 in the text.

#### **Grading Policy:**

Tests	50%	A = 90 +
Labs	25%	B = 80-89
Assignments	15%	C = 70-79
Participation	10%	D = 60-69
-		F = 59 or less

**ADA Eligibility**: ADA eligible students should make arrangements with the instructor in the first week of the semester for accommodations. Students requesting accommodations for disabilities must go through the Academic Support committee. For more information, please contact the Director of Disability Resources and Services, Halladay Student services Bldg., Room 303D, (903-886-5835).

Cheating and other breaches of academic conduct: Academic cheating, plagiarism, and other forms of academic misconduct may result in removal of the student from class with a failing grade or may in extreme cases result in the suspension or expulsion from the University as described in the "Code of Student Conduct" section of the *Students Guidebook*.

### **Basic Course Schedule (Subject to Change)**

## Chemistry

Chapter 9 – Atoms and the Periodic Table

Chapter 10 – The Atomic Nucleus and Radioactivity

Chapter 11 – Investigating Matter

Chapter 12 – Chemical Bonds and Mixtures

Chapter 13 – Chemical Reactions

Chapter 14 – Organic Compounds

### **Biology**

Chapter 15 – The Basic Units of Life—The Cell

Chapter 16 – Genetics

Chapter 17 – The Evolution of Life

Chapter 18 – Diversity of Life on Earth

Chapter 19 – Human Biology I—Control and Development

Chapter 20 – Human Biology II—Care and Maintenance

Chapter 21 – Ecology

- Lack of participation may be considered the same as a lack of attendance and be grounds for being dropped from the course.
- Assignments may be added, dropped, or substituted during the course of the semester.
