

**Math 192 .001
Summer II 2014**

Calculus II

Text: CALCULUS, 7th Edition,
ISBN 9780538497817

Authors: James Stewart, Thomson-Brooks/Cole, 2012

**Instructor: Mr. Heath, Binnion 311, Phone (903)886-5946 or
886-5157 (Secretary). E-mail: john.heath@tamuc.edu**

Tests: Material covered during the session will be Chapter 5, and sections 6.1, 6.5, 6.6, 6.8, Chap7, sections 8.1, 8.2, 10.1, 10.2, 10.4, and 11.1- 11.10. Roughly , the three one-hour and 50-minute tests will be given as follows:

**Test one-Wednesday of the second week;
Test two- Monday of week four;
Test three- Thursday of week five. (August 7).**

**GRADING: A= 90-100 C= 70-79
B= 80-89 D= 60-69 F= Below 60**

GENERAL COMMENTS: After all grades are recorded, there is a chance that the grading scale will be lowered a few points to take into account testing errors. The three tests you take will comprise 90% of your grade and the homework 10%. For example, Sam gets 75, 88, and 74 on his three tests, and his homework average is 92%. His final course grade would be...[79(test average) x 90%] + [92 x 10%] = 71.1 + 9.2 = 80.3, a course grade of B.

You can expect the tests to contain problems similar to those assigned as homework or discussed in class.

You may drop the course anytime on or before July 24 and receive a Q, provided you have been attending class 75% of the time, handed in 75% of the homework, and taken all tests up to that time. The last day to withdraw is July 31.

My office hours will be 3:00-5:00 MTWR. I hope you will make use of these to confer with me should you encounter problems or difficulties.

It is expected that you will be regular and punctual in your attendance.

STUDENT LEARNING OUTCOMES: Students will understand techniques of integration and application problems, to include area, volume, area of surfaces of revolution , and arc length. They will understand parametric equations , polar coordinates, and the workings of infinite sequences and series.

Students with Disabilities:

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Office of Student Disability Resources and Services
Texas A&M University-Commerce
Gee Library
Room 132
Phone (903) 886-5150 or (903) 886-5835
Fax (903) 468-8148
StudentDisabilityServices@tamuc.edu

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment.” (See Student’s Guide Handbook, Policies and Procedures, Conduct)

Daily Schedule:

<u>Day</u>	<u>Section</u>
1....	5.1, 5.2
2....	5.3, 5.4
3....	5.5, 6.1
4....	6.5, 6.6
5....	6.8, 7.1
6....	7.2, 7.3
7....	Test I
8....	7.4, 7.5
9....	7.6, 7.7
10...	7.8, 8.1
11...	8.2, 10.1
12...	10.2, 10.4
13...	Test II
14...	11.1, 11.2
15...	11.3, 11.4
16...	11.5, 11.6
17...	11.7, 11.8
18...	11.9, 11.10
19...	11.11, Review
20...	FINAL Test

HOPE YOU ENJOY THE COURS !
