<b>COURSE REQUIREMENTS</b>
----------------------------

**Instructional / Methods / Activities Assessments**

**Instructional Methods:** Class consists of various styles of presentation and interaction. In UNCO 111, students will be active participants regardless of the mode of instruction as a web-assisted class. Students should come to class ready to participate, both in terms of preparation as assigned and with a positive attitude toward class and colleagues.

**Assignments:**

**Attendance:** Roll will be taken each class day and students are expected to attend all scheduled class periods. Each section of this course is scheduled for 16 weeks of twice weekly meetings of 50 minutes each. Students should make arrangements to be in class on time and to stay until the class is dismissed. Attendance is part of your grade for UNCO 111. **Students who are more than 5 minutes late in class will be counted absent for that class period.** (100 points)

For students with excused absences, which include participation in a University-sponsored event, illness accompanied by a doctor's note, death in the student's immediate family, a verifiable court appearance or any other similar circumstance in the view of the instructor, written documentation must be turned in to the instructor immediately upon return to class.

Each absence in this course will result in 3 points reduction on your final attendance grade according to the chart below.

Absences	0	1, 2	3, 4	5, 6	7, 8	9,10	11,12	13,14	15,16	17,18	19,20
Grade	100	94	88	82	76	70	64	58	52	46	40

Absences	21,22	23,24	25, 26	27, 28	29, 30
Grade	34	28	22	16	10

**Participation:** Students must attend all class sessions and participate to the extent possible in each class activity. The activities in this course are designed to help you improve your communication skills and increase your knowledge set in order to make you a more effective and successful college student. (100 points)

**AVID requirements:** Students must complete all on-line inventories and portfolios during the second and third class weeks as assigned by the instructor. Failure to complete this requirement will automatically drop course grade one complete letter grade. (100 points)

**Journal:** Students must complete at least 5 journal activities, each worth 20 points. Details of required journal activities and their due dates are listed in the weekly plan for the course attached to this syllabus. (100 points)

**Event papers:** Three (3) one page event papers, each worth 20 point, documenting attendance/participation in three different types of university events (athletic, academic, cultural, etc.). (60 points)

**University success skills:** Document three (3) visits to University support centers. (60 points)

**Exams:** Students will have a mid-term and final exam, each worth 100 points, in this course over the materials presented. (200 points)

### Grading

Students' course grade will be calculated according to the following scale:

A =	634-720 Points
B =	562-633 Points
C =	504-561 Points
D =	470-503 Points
F =	469 Points or less

### NOTES:

Please be aware of the grading scale and the percentages utilized in the grade distribution. For example, a student does not need to earn 90% of the points in the course to earn an "A" ( $722/820=88\%$ ), but a student must earn 70% of the points to receive a "C" in the course. The moral of the story is that students will be rewarded for working a little more diligently in the course, while students who seek to "survive" in the course will actually have to work harder to earn a lower grade. Due to these allowances, I do not curve grades at the end of the semester.

If you strive for a specific grade in the course, be sure to notice how many points you need to accumulate to achieve that grade rather than focusing on the percentage of points you have earned.

***Student Conduct***

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See *Code of Student Conduct from Student Guide Handbook*).

All students are expected to exercise self-discipline and respect for the rights of others at all times. Behavioral disruptions that interfere with the business of the classroom or with an individual’s ability to learn may be referred to the Dean of Students.

Please be sure that cell phones and other electronic devices are off or silent. If you expect to have to get up, please select an inconspicuous position to minimize disruptions. Courtesy to others is important. That means respecting the opinions of others, and in general, doing your part to make this a positive learning environment for all students. Food and beverages, while acceptable, should be consumed as quietly as possible, and you must clean up after yourself.

**COURSE OUTLINE / CALENDAR**

The schedule attached shows planned weekly topics. In a perfect world, all things will go well, and there’ll be no change from this schedule. We live in an imperfect world, and so, there may be disruptions. If the schedule has to be altered, it will be altered with proper notice and always in a way that benefits students before me. I plan to attend, for example, an international meeting this Fall; I will give you work on line, or will arrange a speaker on my behalf, whenever I am unable to be in class.
