### GRADING POLICIES

Grading Scale	
90-100%	A
80-89%	B
70-79%	C
60-69%	D
Below 60%	F

#### Electronic Gradebook:

- All grades will be recorded in the online gradebook. This allows you to see how many points each assignment was awarded and what percentage score you have earned up to that point in time, 24 hours a day, seven days a week.
- Click on the score itself to see if the instructor has made any comments such as complimenting various aspects of your work or making suggestions for improvement.

#### Attendance/Participation:

- Each class session is worth 25 points. If you are absent, you cannot participate and so cannot earn attendance/participation points, therefore 25 points will be subtracted for every absence (**EXCUSED OR UNEXCUSED**).
- 15 points will be subtracted for each partial absence of 15 or more minutes due to arriving late (includes breaks) or leaving early.
- If due to unusual circumstances such as an extended illness or unexpected work responsibilities, the student misses more than one session, he/she should contact the instructor to see if additional makeup assignments can be obtained and completed. Failure to communicate with the instructor in a timely way may result in an administrative drop from the course.

#### Late turn-ins:

- All assignments are to be completed and uploaded by midnight on the day they are due. A hard copy must also be provided at the next face to face session to the instructor. If either hard copy is not turned in or the electronic copy is not uploaded, **5% will be subtracted** from the total grade.
- 10% of the points awarded for an assignment will be subtracted for each day it is turned in late (after 12 AM) until it reaches 50%. Thereafter late assignments will be accepted for half credit up until the last class session.

**Written Assignments** (5% subtracted per item):

- Include a header (name, date, course) on all your written assignments. Put it all on one line.
- Font size must not exceed 12 point. Times Roman preferred.
- Margins should be no larger than 1" on all sides.

**Technologies Needed:**

- Internet access/connection – high speed recommended (not dial-up)
- Microsoft Word and PowerPoint (any version) **Do not use other word processors.**
- Internet Explorer, Chrome, or Firefox (3.0).

It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login in to eCollege, click on the ‘myCourses’ tab, and then select the “Browser Test” link under Support Services. If your Internet access at home is not high speed, you may have difficulty uploading and downloading files, including your assignments. If this is the case for you, I suggest you use the computer labs on campus or some other computer with high speed access to send in your work.

## ACCESS AND NAVIGATION

### eCollege Access and Log in Information

This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to: <https://leo.tamu-commerce.edu/login.aspx>. You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or [helpdesk@tamu-commerce.edu](mailto:helpdesk@tamu-commerce.edu).

### How the Course is Organized

The course consists of 8 units which correspond to class sessions which meet approximately every two weeks. Beginning with the second class session, students will be required to submit and report on a major assignment related to the course textbook and/or an individual project of their selection.

Instructions for all written assignments will be provided on the corresponding unit pages on the course website. Check the instructions for links to evaluation tools such as rubrics and sample papers. Please review these instructions and all associated documents carefully before beginning your assignments.

A dropbox, clearly labeled using the name of the assignment, is set up for every assignment. The boxes are found under the dropbox tab on the top toolbar in eCollege. Upload all assignments electronically into the dropbox by midnight on the day they are due. Use Microsoft Word as your word processor and save your files with a .doc or docx extension. Bring a hard copy of your work to class for turn-in.

## COMMUNICATION AND SUPPORT

### eCollege Student Technical Support

Texas A&M University-Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week. Do not contact me for tech support, please contact them:

- **Chat Support:** Click on *'Live Support'* on the tool bar within your course to chat with an eCollege Representative.
- **Phone:** 1-866-656-5511 (Toll Free) to speak with eCollege Technical Support Representative.
- **Email:** [helpdesk@online.tamuc.org](mailto:helpdesk@online.tamuc.org) to initiate a support request with eCollege Technical Support Representative.
- **Help:** Click on the *'Help'* button on the toolbar for information regarding working with eCollege (i.e. How to submit to dropbox, How to post to discussions etc...)

### Email

You can easily use the “Email” tab on the top toolbar of eCollege to email me, any one individual or the whole class if you like. I will only send email to your university email addresses using this system so **please check your MyLeo email frequently**. Feel free to communicate with me and your classmates via email if you have any questions or concerns (other than tech support issues). If, for example, you have to miss class, although not required, I appreciate a message telling me why you will not be with us. (You still won't get any attendance points for the missed session, but I'll worry about you less.)

DO NOT, however, send me your work as an email attachment. Send it to me via the dropbox as I have limits on my university email, and it could get blocked. Also, I am not looking for it in my email. I'm looking for it in the right dropbox, which is attached to the gradebook.

## Dropbox

Your assignments are to be uploaded, **as an attachment**, to the appropriate dropbox. I recommend you not wait until the last minute to upload your work to the dropbox as you may encounter technical difficulties and end up with lateness penalties. Do not type your work into the box that opens up or copy and paste text from your document into it. The box is for your comments to me about the work, eg. “Dr. Green, please grade this latest report, not the one I sent yesterday as I made some corrections.” I may send you comments via this box as well, so please click on the score to see my feedback to you.

## eCollege Announcements

When you log on to the course via your myLeo, please check to see if there are any announcements. I often pass on announcements from the university as well as make my own about events such as BESO (Bilingual/ESL Education Student Organization) meetings. I may also post here such things as changes in the schedule such as when assignments are due or provide further clarifications for specific assignments.

Name	Phone	E-Mail

➤ **Collaborative learning:** You will be regularly assigned to work with one or more partners during class sessions. You are expected to do your share of the assigned work while not dominating the conversation/ activities.

➤ **Cell Phones:** Turn off all cell phones or put them on vibrate upon entering the classroom. If there is an emergency and you need to leave it on, please notify me before class.

➤ **Plagiarism:** Plagiarism will result in a grade of F for the assignment and possibly the course. Further infractions could result in dismissal from the teacher education program. Plagiarism consists of copying directly from a source without properly citing the source. It is also using someone else’s work and claiming it as your own.
