- Understand the organizational system, including organizational structures, culture, human resources, and change.

METHODS FOR ASSESSING EXPECTED LEARNING OUTCOMES:

COURSE STRUCTURE:

This course is entirely Web-based. I've designed the course and thought carefully about the types of assignments and format that would be best suited to the course goals. **Nevertheless, the quality of the course will depend very much on the preparation and effort expended by all members of the course.** You will find the majority of the information and materials that you will need to complete the course in this syllabus and on the eCollege course management website. Be sure to log onto eCollege and check your university e-mail regularly to see what work you are required to do. I will create group discussion board on course home page. This is the main way in which

everyone (regardless of your location, time zone, etc.) can actively work on your group project. There are other richer forms of communication available so feel free to use them. You should submit all of your work in a format that is compatible with **Microsoft Word** and post it in the appropriate "Dropboxes" when due. I have scheduled our first class live chat session on June 08 from 7:00 PM – 8:00 PM CST to introduce the course and answer any questions or concerns about the course and discuss some of the material. I will also have more class live sessions depending on the need of the class.

COURSE SCHEDULE:

A specific course schedule is included at the end of this syllabus.

COURSE ASSIGNMENTS

QUIZZES: The quizzes **will be timed** and can only be accessed once; therefore, once you begin, you may not stop and come back to it later. A missed quiz equals a missed quiz grade *regardless of the reason* unless you contact me immediately. There will be no make-up quizzes except for observance of religious holidays, sanctioned University events or documented serious illnesses. It is your responsibility to make alternate arrangements with me *at least two weeks prior to the actual date of the religious holiday or University event*. There will be no makeup quizzes for any other reason, without a late deduction of 25% off the top of your final score.

GROUP ASSIGNMENT: You will find the instructions under doc sharing and then Assignment Handouts. Assignments should be uploaded to the appropriate Drop Box. As a group of 3-5 students, you will be required to write a research paper covering the topics of organizational behavior. The paper is worth 100 points. Specific instructions for the paper will be posted in eCollege, under the "Doc Sharing" tab. The research paper should be submitted to its corresponding dropbox and must be saved in a format compatible with Microsoft Word 2007/2010 (doc/docx file). A grading rubric for the paper can be found at the end of this syllabus.

FINAL PAPER: Instructions for the ethics paper can be found by clicking on doc sharing and Assignment Handouts. Student papers will be submitted to the Ethics Paper Drop Box. Please do not e-mail these papers to me. If you can see it in your drop box, then I can also see it.

****NOTE**** All papers will automatically be submitted to Turnitin.com. Papers that receive higher than 25% on the similarity index will be reviewed for plagiarism. Using your own words and as few quotations as possible will help keep your score below 25%. Also, make sure you give credit to the authors by using the proper citations. For the grading rubric, see Appendix A at the end of the syllabus.

COURSE POLICIES

CLASS ATTENDANCE & PARTICIPATION:

Attendance and participation is critical to gaining the most you possibly can from this course. I suggest that you log onto the eCollege site for this course **SEVERAL TIMES** a week. This is one way of “attending” the class. Another way, is to attend the class live sessions. The census day for Summer II is July 16. If you do not log in the course by this date will be notified to the registrar’s office for the necessary action.

SYLLABUS SUBJECT TO CHANGE STATEMENT:

I anticipate that we will follow the schedule I've outlined in this syllabus, but I may make adjustments based on what actually happens in class. I may also change the basis for the course grade (if I need to eliminate an assignment or something of that nature). If I do so, I will so inform you in writing. Remaining in the course after reading this syllabus will signal that you accept the syllabus as written AND the possibility of changes and responsibility for being aware of them.

STATEMENT ON ACADEMIC INTEGRITY:

Academic honesty is the foundation of the university community. Cheating, plagiarism, or other acts of academic dishonesty compromise the integrity of the academic process and community and are subject to disciplinary action. For this class, plagiarism will result in automatic failure (final course grade of F).

An academic honesty policy has been posted under the “Doc Sharing” tab. You should read this document, initial it, and submit it to me via its corresponding “Dropbox”.

NON-DISCRIMINATION STATEMENT:

A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

SPECIAL NEEDS/REASONABLE ACCOMODATIONS:

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Office of Student Disability Resources and Services
Texas A&M University-Commerce
Gee Library
Room 132
Phone (903) 886-5150 or (903) 886-5835
Fax (903) 468-8148

TENETS OF COMMON BEHAVIOR STATEMENT:

All students enrolled at the university shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment (See current Student Handbook).

INSTRUCTOR EXPECTATIONS:

Students are required to meet the expectations listed below.

- **Professional Behavior:** It is important that you maintain a professional demeanor at all times, including during “electronic communication”. Texas A&M-Commerce expects this from you, as do current and future employers. Since so much communication in the workplace is “electronic” nowadays, this course will be a good place to

practice interacting in a manner appropriate to a professional setting. In particular, take special care when posting and responding to discussion board questions.

- **Regular and Timely Attendance and Participation:** I suggest that you log onto the eCollege site for this course SEVERAL TIMES a week. This is one way of “attending” the class. The other way you will be considered attending is to participate in your group discussion boards.
- **Assignments:**
 1. **Submitted assignments must be correctly formatted and free of grammatical and stylistic errors.** Students in this course should have at least some skill with software for word processing, spreadsheets, databases, graphics, and presentations, and with web browsers and search engines. Spelling and grammatical errors will detract from your grade!
 2. **Assignments must be turned in on time.** Assignments are due at the **date** and **time** listed. While the syllabus designates specific dates for which work is assigned, you do not have to wait until the “assigned” date to start working on it. Start working on each assignment as soon as you possibly can and make sure that you have all assignments submitted by the specified due dates. However, you **MUST** turn in all written assignments **ON TIME**. Unexcused late work will receive an automatic **50% penalty** if turned in by the next day, and a **0** if turned in more than one day late. Late work is viewed as very unprofessional in the corporate world: “Sorry Mr./Ms. Vice President, I just did not get the work done in time for our meeting today.” That will be the last time your manager gives you the opportunity to “shine” in front of a VP.
 3. **Assignments must be complete.** You must complete and submit all components at the specified due date and time to receive credit for the assignment. Please don’t turn in work that is only “half-finished”.
 4. **Please submit assignments in a format that is compatible with Microsoft Word.**
- **Back-ups Are Required:** You are required to back up all your assignments so that they can be submitted to me upon my request. If work is lost due to insufficient back-up, you will not have the opportunity to recreate and submit at a later time.
- **E-mail:** Students must routinely check e-mail sent to his or her **Texas A&M-Commerce account**. This is my primary mechanism for communicating to the class. I check my e-mail several times a day, so this is the best way to reach me.
- **Make-up Assignments Will Only Be Accepted If You Obtain University Approved Documentation for Your Excuse:** There are no make-up assignments for poor performance on a previous assignment.

IF YOU EVER FEEL AS IF YOU NEED TO MEET WITH ME OR SPEAK OVER THE PHONE IN ORDER TO CLARIFY ASSIGNMENTS, DISCUSS CONCERNS ABOUT THE CLASS, DISCUSS TOPICS FROM THE CLASS, ETC., E-MAIL ME IN ORDER TO SET UP AN APPOINTMENT.

FINALLY: This syllabus is a contract between you and me. If you disagree with the policies set forth in this syllabus, you have the right to withdraw within the timeframe indicated in the University calendar. By staying enrolled in this class, you agree to adhere to **all** policies stated in this syllabus.

****Peer Evaluation:** It is a part of the overall group assignment grade. Students are expected to be role models and it is my understanding that they will work with full dedication, sincerity, civility, and be committed to the group goals (i.e., group assignment). However, if any member's overall ratings are too low i.e., below 3 on the scale of five, it is the discretion of the instructor after carefully evaluating the work of student to deduct points from their overall grade in the group assignment. ***Please take group assignment very seriously and work well with your group members.*** Detailed instructions will be provided in the group charter available in doc sharing in eCollege.
