COURSE OVERVIEW AND OBJECTIVES:

This course is designed to provide an in-depth seminar emphasizing the development of the skills and knowledge required for successful managerial performance, as well as a variety of related organizational behavior topics. It focuses on such areas as developing self-awareness, creative problem-solving, supportive communication, the use of power and influence, motivation techniques, and managing conflict. Upon completion of this course, you should be able to:

- Demonstrate applicable knowledge of the common skills needed for managerial effectiveness within the functions of management.
- Demonstrate applicable knowledge of various human behavior and motivation techniques relating to leading individuals and teams.
- Demonstrate comprehension of values, power, and influence relating to organizational culture, change, and ethical decision-making in global contexts.

COURSE FORMAT:
This course is entirely Web-based. You will find the majority of the information and materials that you will need to complete the course in this syllabus and on the eCollege course management website. Be sure to log onto eCollege and check your university e-mail regularly to see what work you are required to do. PowerPoint slides will be available for each of the book chapters, under the "Doc Sharing" tab. We will also utilize the "Discussion Board" feature of eCollege. I will post topics and/or questions to generate discussion among you and your classmates. You are encouraged to respond to your classmates' questions and comments. This is the main way in which everyone (regardless of your location, time zone, etc.) can actively participate in this course. I will also facilitate a few chat sessions during the course in order to answer any questions or concerns about the course and discuss some of the material. Dates and times for these chats will be announced at a later date. ALL assignments will also be posted on eCollege, under the "Doc Sharing" tab. You should submit all of your work in a format that is compatible with **Microsoft Office-Windows 7** and post it in the appropriate "Dropboxes" it is due. The final exam will be available early in the semester, under the "Doc Sharing" tab.

COURSE SCHEDULE:
A course schedule is included on the fifth page of this syllabus.

SYLLABUS SUBJECT TO CHANGE STATEMENT:
I anticipate that we will follow the schedule I've outlined in this syllabus, but I may make adjustments based on what actually happens in class. I may also change the basis for the course grade (if I need to eliminate an assignment or something of that nature). If I do so, I will so inform you in writing. Remaining in the course after reading this syllabus will signal that you accept the possibility of changes and responsibility for being aware of them.

STATEMENT ON ACADEMIC INTEGRITY:
Academic honesty is the foundation of the university community. Cheating, plagiarism, or other acts of academic dishonesty compromise the integrity of the academic process and community and are subject to disciplinary action. For this class, plagiarism will result in automatic failure (final course grade of F).

An academic honesty policy has been posted under the "Doc Sharing" tab. You should read this document, initial it, and submit it to me via its corresponding "Dropbox".

SPECIAL NEEDS/REASONABLE ACCOMODATIONS:
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

TENETS OF COMMON BEHAVIOR STATEMENT:
All students enrolled at the university shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment (See current Student Handbook).

UNIVERSITY NONDISCRIMINATION STATEMENT:
Texas A&M University-Commerce is commitment to a safe, accepting environment for all students regardless of sexual orientation, gender identification, or gender expression.

A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic

information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

COURSE POLICIES AND INSTRUCTOR EXPECTATIONS:

Students are required to meet the expectations listed below.

- o **Professional Behavior:** It is important that you maintain a professional demeanor at all times, including during "electronic communication". Texas A&M-Commerce expects this from you, as do current and future employers. Since so much communication in the workplace is "electronic" nowadays, this course will be a good place to practice interacting in a manner appropriate to a professional setting. In particular, take special care when posting and responding to discussion board questions.
- o **Regular and Timely Attendance and Participation:** You are expected to log onto eCollege regularly.
- o **Assignments:**
  1. **Submitted assignments must be correctly formatted and free of grammatical and stylistic errors.** Students in MGT 585 should have at least some skill with software for word processing, spreadsheets, databases, graphics, and presentations, and with web browsers and search engines. Spelling and grammatical errors will detract from your grade!
  2. **Assignments must be turned in on time.** Assignments are due at the **date** and **time** listed. All work and assignments for the entire course will be available on the first day of class. While the syllabus designates specific dates for which work is assigned, you do not have to wait until the "assigned" date to start working on it. Start working on each assignment as soon as you possibly can and make sure that you have the all assignments submitted by the specified due dates. I have outlined a "suggested" schedule that I think would help you maintain a good pace, but you don't have to follow it. However, you **MUST** turn in all written assignments **ON TIME.** You will have until **1:00 PM CST** to submit the work that is listed in the far right, "Work Due" column of the course schedule provided on the fifth page of this syllabus. I will accept late assignments. However, there will be a significant penalty. For each day that your assignment is late, I will deduct **10 POINTS** from your grade. If you do not meet the 1:00 PM deadline (even by one or two minutes), I will deduct 10 points. If you do not turn the assignment in by 1:00 PM CST the next day, I will deduct an additional 10 points, and so on. Saturdays and Sundays count towards the total days late.
  3. **Assignments must be complete.** You must complete and submit all components at the specified due date and time to receive credit for the assignment. Please don't turn in work that is only "half-finished".
  4. **Please submit assignments in a format that is compatible with Microsoft Office-Windows 7.**
- o **Back-ups Are Required:** You are required to back up all your assignments on a disk that can be submitted to me upon my request. If work is lost due to insufficient back-up, you will not have the opportunity to recreate and submit at a later time.
- o **E-mail:** Students must routinely check e-mail sent to his or her **Texas A&M-Commerce account**. This is my primary mechanism for communicating to the class. I check my e-mail several times a day, so this is the best way to reach me.
- o **Make-up Exams or Late Assignments Will Only Be Accepted If You Obtain University Approved Documentation for Your Excuse:** There are no make-up assignments for poor performance on a previous assignment.
- o **Changes to Schedule:** While I plan to stick to the class schedule, there might be occasions to modify the schedule. In these cases, all changes will be announced via eCollege and e-mail. It is your responsibility to become aware of any such changes.

CLASS ATTENDANCE & PARTICIPATION:
Attendance and participation is critical to gaining the most you possibly can from this course. I suggest that you log onto the eCollege site for this course **SEVERAL TIMES** a week. This is your way of "attending" the class. As mentioned earlier, posting and responding to discussion board questions is your main way of actively participating in the class. You are **NOT REQUIRED** to post questions and/or responses on every discussion board, but it will help you be more involved in the class and gain more benefit from it. I will also facilitate a few chat sessions throughout the course. Times and dates for these chat sessions will be announced at a later date. It is not required that you participate in the chats, but it is a great opportunity to communicate with me and your fellow students and to ask questions and gain clarification on any issues you may have. In order to get to the chat room: (1) Click the "Live" tab at the top of the eCollege course screen; (2) Click "Main" to enter the main discussion room for this course; Then "Click the Button to Enter Chat" **TWICE**.
