COURSE INFORMATION

Optional Materials – Textbooks, Readings, Supplementary Readings:

Physical Education Methods for Elementary Teachers, 3rd edition. ISBN#: 978-0736067041 (Optional), Human Kinetics (Optional).

Course Description: This course is designed to acquaint student with health information appropriate for children ages five through twelve years. In addition, principles of kinesiology and analysis of skills for this same age group will be explored.

This course is designed for the EC-6 classroom teacher to provide information for organizing and administering developmentally appropriate programs in elementary physical education and comprehensive school health programs. Materials align with the Texas Examination of Educator Standards (TExES) in the content areas of Health and Physical Education and the Texas Essential Knowledge and Skills (TEKS) for Health and Physical Education. The newly developed Texas Assessment of Knowledge and Skills (TAKS), formerly Texas Assessment Academic Skills (TAAS) objectives are also included. (3 credit hours)

Student Learning Outcomes:

The following TEKS content areas will serve as objectives for this course:

- **TExES Health Standard 1.** The health teacher applies knowledge of both the relationship between health and behaviors and the factors influencing health and health behavior.
- **TExES Health Standard II.** The health teacher communicates concepts and purposes of health education.
- **TExES Health Standard III.** The health teacher plans and implements effective school health instruction and integrates health instruction with other content areas.
- **TExES Health Standard IV.** The health teacher evaluates the effects of school health instruction.

- **TExES Physical Education Standard I.** The physical education teacher demonstrates competency in a variety of movement skills and helps students develop these skills.
- **TExES Physical Education Standard II.** The physical education teacher understands principles and benefits of a healthy, physically active lifestyle and motivates students to participate in activities that promote this lifestyle.
- **TExES Physical Education Standard III.** The physical education teacher uses knowledge of individual and group motivation and behavior to create and manage a safe, productive learning

environment and promotes students' self-management, self-motivation, and social skills through participation in physical activities.

- **TEExES Physical Education Standard IV.** The physical education teacher uses knowledge of how students learn and develop to provide opportunities that support students' physical, cognitive, social, and emotional development.
- **TEExES Physical Education Standard V.** The physical education teacher provides equitable and appropriate instruction for all students in a diverse society.
- **TEExES Physical Education Standard VI.** The physical education teacher uses effective, developmentally appropriate instructional strategies and communication techniques to prepare physically educated individuals.
- **TEExES Physical Education Standard VII.** The physical education teacher understands and uses formal and informal assessment to promote students physical, cognitive, social, and emotional development in physical education contexts.
- **TEExES Physical Education Standard VIII.** The physical education teacher is a reflective practitioner who evaluates the effects of his/her actions on others (e.g., students, parents/caregivers, other professionals in the learning environment) and seeks opportunities to grow professionally.
- **TEExES Physical Education Standard IX.** The physical education teacher collaborates with colleagues, parents/caregivers, and community agencies to support students' growth and well being.
- **TEExES Physical Education Standard X.** The physical education teacher understands the legal issues and responsibilities of physical education teachers in relation to supervision, planning and instruction, matching participants, safety, first aid, and risk management

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See *Code of Student Conduct from Student Guide Handbook*).

- 1. Attendance will be taken daily. Students are expected to be in class, seated, on time. If you are absent when roll is taken, you will lose 5 points per day you are absent off your final grade—unless you are participating in a college-sponsored activity.**
- 2. An "excused absence is defined as a documented university approved activity. The instructor reserves the right to change the content or format of all make-up work. The student is**

responsible for making up missed work. If the absence is for one of the reasons listed below, you will be able to make up the work missed within two business days. To reserve the right to make up work, you MUST provide written documentation on the day you return to class (a copy that I may keep). Please notify me ahead of time via email if you know you will be absent.

- Participation in an activity appearing on the University's authorized activity list.
- Death or major illness in a student's immediate family.
- Illness of a dependent family member.
- Participation in legal proceeding or administrative procedures that require a student's presence.
- Religious or Holy Day.
- Illness that is too severe or contagious for the student to attend class (to be determined by Health Center or other doctor).
- Required participation in military duty.

3. DUE DATES: The due date listed for assignments are the LAST chance to submit them. Please turn in your work early if you must be absent. I DO NOT accept late assignments or exams.

4. The web page will be the primary method of communication between you and me. Please refer to it regularly.

5. You MUST check your email regularly in case I need to communicate with you. I will contact you through your leo account.

6. While you are in class, I expect that you participate. That means that you should:

- actively prepare by reading any assigned materials,
- TALK (ask and answer questions),
- bring your notes to class,
- bring your ideas, and
- refrain from anything not class related during class (newspapers, reading for another class, text messages, etc.)

Students who chose to disrupt class by not participating will be asked to leave. **CELL PHONES AND ALL OTHER ELECTRONIC DEVICES MUST BE TURNED OFF AND OUT OF SIGHT. This is a zero tolerance policy. If you use a cell phone, iPod, etc., in class, you will lose 10 points per incident.**

7. If you have a question or concerns, talk to me. I am here to help. If you need to reach me, my office number is #214.
