COMMUNICATION AND SUPPORT

Interaction with Instructor Statement:

E-mail is preferred for outside of class contact. Students are encouraged to inform the instructor of concerns or questions they may have pertaining to the course.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures:

1. **Attendance** is required and is essential to your success in this class. Participants are expected to be on time and to actively and constructively participate. Arriving late and/or leaving early two (2) times will constitute one (1) absence. Your attendance and participation will impact your grade, particularly if you're on the borderline of a grade. Contact the instructor (via email) if you anticipate an absence or are absent for any reason explaining the situation. This is a common courtesy that is expected by all teachers. It is also part of forming that "community of learners" that we need in the classroom. **After 2 absences, 1 point will be deducted for each additional absence.**

*Missed Class: In the event of a missed class, you are responsible for obtaining class materials/assignments/notes and being prepared for the next class meeting. I will not bring additional copies of handouts from previous classes; therefore, it is your responsibility to get the necessary materials and assignments from a designated class member. Select a buddy and exchange telephone numbers and e-mail with

him/her. By exchanging information, your buddy agrees to collect all handouts for you and to explain any class materials/assignments/notes; however, it is your responsibility to contact your buddy for this information.

Name of Peer	Phone Number	E-mail Address

2. **Professionalism:** You will be evaluated on your growth in becoming a professional teacher.

You must:

- a. Engage in self-evaluation processes: This will be done by using the rubrics provided for class projects.
 - b. Demonstrate professionalism: This will be done by:
 - (a) attending ALL classes,
 - (b) paying attention,
 - (c) participating actively and constructively,
 - (d) being responsible and prepared,
 - (e) being an equal partner in group work,
 - (f) showing enthusiasm and interest in being a teacher (see Field-Based Teacher Education Program Handbook and Professional Behavioral Standards Evaluation Form),
 - (g) following the tenets of common decency and acceptable behavior. Code of student conduct can be found under discipline in the student's guidebook.
- Your grade will be adjusted based upon these criteria (see grading section).

Remember: You need to come prepared to class. For every 3 credit hour course you take, you are expected to spend 6-9 hours on homework each week. So, if you are taking 12-15 credit hours, you will be spending 24-36 hours on homework. Thus, you need to plan according.

c. **Cell phones:** These items must be turned off during class time. If you are expecting an emergency call let the teacher know and your group know. Also, the phone must be on vibrate and set on the table. If the phone vibrates, pick it up and leave the room. If you are using a phone without letting the teacher know you have an emergency situation, **10 points** will be deducted each time. It is important to keep your phone put away, as it disrupts your learning and the learning of those around you. In addition, it is disrespectful.

d. **Arriving to class on Time:** You are expected to be in your seats and ready to start when class is ready to convene. Class will start on time and you will be dismissed on time. Therefore, if you are late to class, you are expected to enter the class quietly and not to disrupt your table members by talking. **Remember if you are late and/or leave early two times, it is considered one absence.**

e. **Leaving During Class:** This is not acceptable behavior, as you are here to learn. When you are gone from class, you are missing both the lecture and the class discussion. If, for some reason you have an emergency (being sick, phone call or bathroom) your business is expected to be conducted in a timely manner with you returning to class quietly and quickly. **Remember if you are late and/or leave early two times, it is considered one absence.**

3. **Written Assignments:** All written assignments are expected to exhibit professional quality. You should demonstrate mastery of organizing, structuring, and editing in your writing. Letters/materials written by you as a professional and sent to parents/administrators **MUST BE PERFECT**. Begin that practice now! Therefore, if you need extra help, the Writing Center can assist you. See

<http://web.tamuc.edu/academics/colleges/artsSciences/departments/literatureLanguages/>

- a. Written Assignments should be:
 - *double spaced
 - *1" top and left side margins, 1" bottom and right side margins

- *12 point font size
- *revised for clarity and meaning
- *edited for accuracy in grammar and mechanics
- *saved on computer disk or copied on paper for your records

b. Academic Integrity/Honest Statement:

This course demands a high level of scholarly behavior and academic honesty on the part of students. Examples of academic dishonesty include but are not limited to: (1) turning in work as original that was used in whole or part for another course and/or instructor without obtaining permission from this instructor in advance; (2) turning in another person's work, in part or in whole, as your own; (3) copying from professional works without citing them; and (4) any form of cheating on exams. Violations of academic integrity/honesty while carrying out academic assignments may, at the discretion of the instructor, receive a zero on the particular work in question, receive an *F* in the course, or will be brought before a higher level of governance for possible dismissal from the university.

Department Statement:

The Department of Curriculum and Instruction believes that students with dyslexia and other language disorders deserve the right to proper identification and educational intervention. These students should have access to evidenced-based instruction that meets their educational needs. To that end, the Department of Curriculum and Instruction prepares teachers to identify, assess, and provide multisensory instruction for students with these difficulties. Consistent with the Americans with Disabilities Act (1990) and Texas Law (38.003 Screening and Treatment for Dyslexia and Related Disorders, §74.28. Students with Dyslexia and Related Disorders) the Department of Curriculum and Instruction supports the learning and teaching of instruction that assists all students including those with dyslexia and other language disorders.
