COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

This course consists of a series of activities and assessments to assist you in achieving the outcomes/objectives for the course and instructional units. Each week you will work on various combinations of assignments, activities, discussions, readings, research, etc.

Professionalism: 100 points

Student Learning Outcomes: #1 and #6

Assessment Method: The professionalism grade will be based on the students preparedness and participation in all discussions (class and online) through readings. This grade will also be determined by the students attendance and overall professionalism exhibited in class, online, and through communications.

Discussion Forums: 2 @ 25 points each

Student Learning Outcomes: #1-#3, and #6

PPR Standards/Competencies: 1.3k, 1.4k, 1.12k, 2.1k, 2.3k, 2.9k, 2.6s, 2.7s, 3.6s

Assessment Method: The discussion forums are related to the chapter readings, external resources and activities. Upon completion of the assigned readings and activities, you are expected to participate in an ongoing discussion with your classmates in an online forum. Your contributions to the discussion forums will be graded for quality not quantity, timeliness of your contributions, and a detailed analysis of linking together theory (readings) to application (activities).

Lesson Plan Analysis: 50 points

Learning Outcomes: 1-6

PPR Standards/Competencies: 1.7K, 1.12k-1.14k, 1.16k, 1.19k, 1.20k, 1.1s-1.5s

Assessment Method: Outlined in Activity Below/Blooms Taxonomy and Rubric

Analyze a pre-written lesson plan from an educational website to:

- a) Determine if the activities are appropriate for all learners, especially English Language Learners, Special Education Students, and Gifted Students or if scaffolding is needed;
- b) Identify the levels of Bloom's Taxonomy (located in Doc Sharing) evident in the activities.

The student will submit their formally written analysis to the Dropbox in eCollege on the assigned date. The submission will include, but is not limited to the following information per the guidelines for written assignments in the syllabus:

1. The URL where the lesson plan was located and any other information will be cited in APA format.
2. A summary of the strengths of the lesson. Is the lesson appropriate for the age level? Does it meet curriculum standards (TEKS) for the grade level? Is it challenging enough for the grade level?
3. The levels of Bloom's Taxonomy covered in the activity; specifically addressing the activities by name and the Bloom's category they go with.
4. A critique of how the lesson addressed ELL, Special Needs, and Gifted Learners
5. Does the lesson appropriate assess the learner for understanding of the objectives?

Integrated Lesson: 50 points

Learning Outcomes: #2-6

PPR Standards/Competencies: 1.2k, 1.3k, 1.4k, 1.12k, 1.1s, 1.6s, 2.1k, 2.3k, 2.6k, 2.7k, 2.7s, 3.6s, 3.9s, 4.5s

Assessment Method: Rubric provided for lesson and Partner Rating form (Doc Shared in eCollege)

Create an integrated lesson plan (Language arts and at least two other content areas) and presented to the class as center activities. The student groups will provide a lesson plan with coordinated **TEKS** standards that are covered in a developmentally appropriate manner that address the variety of learning styles and backgrounds (ELL, children with special needs, etc.) of students.

Domain Presentation: 75 points

Learning Outcomes: #1-6

PPR Standards/Competencies: 1.1k, 1.2k, 1.3k, 1.1s, 1.6s, 2.1k, 2.3k, 2.6k, 2.10k, 2.21k, 2.19k, 4.1s, 4.2s, 4.5s, 4.1k

Assessment Method: Rubric provided and Partner Rating form (Doc Shared in eCollege)

Assigned student groups will present the information on a chosen developmental domain through the reading, analysis, and evaluation of the developmental domain chapter selected. The students will present the chapter utilizing technology and will have classmates participate in an activity to aide and enhance the understanding of the domain being presented.

Final Project: 100 points each

Student Learning Outcomes: # 1-6: See above

PPR Standards/Competencies: Based on individual student reflection and application

Assessment Method: Comprehensive, reflective, application based final project

The final project will cover the required textbook readings and the content of the class and online discussions. The students will be required to prepare a comprehensive and application based project reflecting the learned material for each of the discussed chapters. The project will contain a detailed written reflection and application of the material with a visual representation. A rubric will be provided for further understanding and grading purposes.

Core Subjects Prep:

Students will be given the opportunity to take the practice exam for the Core Subjects section through Certify Teacher. The students will have the ability to review the results to determine areas of the exam they need additional support. Certify Teacher also provides preparation materials for each of the sections for students. Instructions for registering and paying for the test (30.00 dollars) will be shared in the course.

Grading

The student's grade will be determined by points received on assignments, discussions, exams, and professionalism in this course. Grades can be viewed in eCollege, as assignments are completed and assessed.

TECHNOLOGY REQUIREMENTS

This course is web-enhanced for the purposes of accessing the course syllabus, rubrics for assignments, communication with instructor and classmates, and for online discussions. The following information has been provided to assist you in preparing to use technology successfully in this course.

- Internet access/connection-high speed recommended (not dial up)

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures:

Attendance Policy:

Attendance at all class meetings is **required and is essential** to your success in this course. It is a requirement of this class to sign your name tent upon arrival to document your participation each class meeting. For each absence a written letter is required to be placed in your file. No excuses will be given without written documentation. If you miss three or more classes you may be asked to drop the course or be administratively withdrawn from the course for excessive absences. All absences will result in points taken off your professionalism grade. Participants are expected to be on time and stay for the entire time. If you choose to be late or leave early points will be deducted from your professionalism grade. If you miss class it is your responsibility to find someone who can give you notes for the previous class meeting. I will not bring additional copies of handouts to class. Select a buddy who will be willing to collect any material and take notes for you when you are out.

Technology Policy:

Please respect the instructor and your peers **by silencing or turning off** your cell phone upon entering our classroom. If there is an emergency you may leave it on silence mode. This should constitute only emergencies. Texting during class is unprofessional and will result in a deduction in your professionalism grade. Utilizing technology only for the purposes of the course the student is currently attending and at the appropriate times is appropriate.

Assignment Policy:

All assignments are due on the date they are assigned which can be found in the Course Calendar and online in eCollege, unless otherwise approved by the instructor. All assignments that are late will have points deducted. Late means they are not turned in when class meets on the day they are due. If you forget your assignment, then points will be deducted. You are a professional and must present yourself in a way to show responsibility. Assignments will be either handed in during class meeting or submitted through eCollege dropbox and **must be** in .doc or .docx format. All completed/graded assignments must be picked up by the end of the semester or they will be discarded.

Written Assignments: All written assignments are to be **typed double-spaced in a legible 12 pt. font** with 1" margins and are expected to exhibit professional quality. You should demonstrate mastery of organizing, structuring, and editing (for all aspects of mechanics) in your writing. Excessive grammar, spelling, and vocabulary errors will result in a reduction of your score at the instructor's discretion. College level writing and higher order thinking must be evident in all written assignments. If you are unsure of your writing abilities, please visit the writing lab for help.

Academic Honesty Policy: Texas A&M University-Commerce does not tolerate **plagiarism** and other forms of academic **dishonesty**. Conduct that violates generally accepted standards of academic honesty is defined as academic dishonesty. "Academic dishonesty" includes, but is not limited to, plagiarism (the appropriation or stealing of the ideas or words of another and passing them off as one's own), cheating on exams or other course assignments, collusion (the unauthorized collaboration with others in preparing course assignments), and abuse (destruction, defacing, or removal) of resource material. Suggested sites for reference regarding what constitutes plagiarism and how to avoid it: <http://www.plagiarism.org/> or <http://www.unc.edu/depts/wcweb/handouts/plagiarism.html> or <http://www.indiana.edu/~wts/pamphlets/plagiarism.shtml>

Plagiarism will result in a grade of "F" for the course and may result in your dismissal from the program.

Department Concerns Form: The instructor may complete a Departmental Concerns Form (form in eCollege) for identified concerns that may occur during this course to be reviewed, signed, and submitted to the Curriculum and Instruction Department. This document is discussed with the student for identified concerns and areas of growth and will be held in the student's file for review upon applying and acceptance into the Teacher Education Program.

University Specific Procedures:

ADA Statement

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities.
