### ***Student Responsibilities***

Learning is every student's responsibility. My role as your professor is to facilitate your learning process. Each student is required to:

- Read assigned material on schedule.
- Complete assignments within the posted time frames.
- Participate in the class online forum – DISCUSSION THREADS – according to due dates for specific questions.
- Prepare diligently for weekly assignments.
- Respect the learning environment by being prepared and observing online etiquette.

## Student Conduct: Gun Carry

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to (<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudents/34.06.02.R1.pdf>) and/or consult your event organizer). Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

### *Graduate level expectations*

- Writing – Graduate students should be able to demonstrate critical thinking skills. Graduate-level writing must demonstrate an ability to evaluate arguments from various perspectives, be able to formulate well-articulated conclusions based on facts and deductive reasoning, and be able to provide a well-reasoned discussion that reflects comprehension beyond an undergraduate level.
- Responsibility – Graduate students should demonstrate self-motivation, organization, time management skills, and discipline. It is your responsibility to know when assignments, exams, quizzes, etc. are due. Due dates are communicated on the syllabus. If changes are made, the changes are provided via email. I will NOT provide daily or weekly reminders for you. You are responsible for submitting the appropriate files on time and in the required format.
- Learning – Graduate studies are designed for more discipline-specific focused learning. I assume you want to learn. My goal is not to solely teach you information that is covered on my exam, but to teach you accounting concepts and the application of accounting concepts. If you only want to know what is on the exam, you are robbing yourself of the value of learning.
- Late work – Due dates are posted on our syllabus and in our eCollege course. Assignments handed in late but within 72 hours of the due date are eligible for up to 50% credit. After 72 hours, a zero will be assigned, even in the presence of extenuating circumstances (a death in the family and travel associated therewith, hospitalization, medical emergency, or physical injury). Proof of the extenuating circumstance must be received in a timely manner.
- Being too busy at work is not an acceptable excuse for an extension.
- Missing an in-class quiz: you may take the quiz outside of class and be eligible to receive up to 50% credit. In no event will such quizzes be accepted more than 72 hours after the class period in which they were administered.
- If I decide not to give an in-class quiz on a particular evening, students present will receive automatic full credit. Students not present will receive an automatic 50% credit.
- Cancelled class: in the event I have to cancel an in-person class, the above rule applies regarding planned in-class quizzes.
- Exams – The content and format of the exams will vary, but may include any of the following: multiple choice questions, problems, matching, or essays. The exams will be administered on the date outlined in our course. You must plan to take the exams on or before their due dates. Make-up exams/quizzes are given ONLY under extenuating conditions.
- Cheating, plagiarism, academic dishonesty – Academic integrity is a serious issue. If any portion of your work (exam, quiz, research assignment, homework, etc.) is copied, plagiarized, purchased, stolen or lacks authenticity, the ENTIRE body of work will receive a zero. The dean will be notified of any breach in academic integrity. Additional academic sanctions may include failure of the course, dismissal from the program and/or dismissal from the university. Aiding another in commission of academic dishonesty will be treated the same as the underlying dishonesty. Using an assignment previously used for this or another course is considered cheating.

- Graded work – There are several issues regarding grading/scoring: 1) I do NOT re-grade work. Once an assignment is returned with a grade/score it cannot be resubmitted. 2) If you disagree with the posted grade/score on an assignment, you must email me with the specific discrepancy no more than three (3) days after the grade/score is posted. 3) You are NOT permitted to submit an assignment used in a previous course or in a previous attempt at this course.

***Evaluation: 563 Tuesday Nights***

### *Email*

Emails are typically the best way to contact me. I will try to respond to all emails within 24 hours during the week. Emails received Friday evening or during the weekend may not receive a response until Monday. If you do not receive a response in that timeframe, please re-send the email.

[Jennifer.Smith@tamuc.edu](mailto:Jennifer.Smith@tamuc.edu).

### *Assignments*

**Exams:** There are three examinations in this course. These exams will test your understanding of the material covered. The final exam is not cumulative. Details of the exam coverage are provided during the course.

**Discussion posts:** There are 11 in-class quizzes and 11 homework assignments.

**Professor lectures:** Many items not from your casebook will be posted. I might post audio and/or video to help you and supplement class lectures. I won't do a "textbook dump."

### *Technology Requirements*

The following information has been provided to assist you in preparing to use technology successfully in this course.

- Internet access/connection – high speed recommended (not dial-up)
- Microsoft Word

Additionally, the following hardware and software are necessary to use eCollege:

Our campus is optimized to work in a Microsoft Windows environment. This means our courses work best if you are using a Windows operating system (XP or newer) and a recent version of Microsoft Internet Explorer (8.0 or higher).

Your courses will also work with Macintosh OS X along with a recent version of Safari 2.0 or better. Along with Internet Explorer and Safari, eCollege also supports the Firefox browser (3.0) on both Windows and Mac operating systems.

It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login to eCollege, click on the “myCourses” tab and then select the “Browser Test” link under Support Services.

### ***Communication and Support***

Texas A&M University – Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week.

- Chat Support: Click on “Live Support” on the tool bar within your course to chat with an eCollege Representative.
- Phone: 1-866-656-5511 to speak with an eCollege Technical Support Representative
- Email: [helpdesk@online.tamuc.org](mailto:helpdesk@online.tamuc.org) to initiate a support request with an eCollege Technical Support Representative.
- Help: Click on the “Help” button on the toolbar for information regarding working with eCollege.

### ***Ethics***

Integrity is the hallmark of the accounting profession and will be stressed throughout the course. Any type of student breach of ethics, including, but not limited to: illegal activity, dishonest conduct, cheating, plagiarism, or collusion will result in failure on the assignment and/or further academic sanctions (i.e. failure of the course, dismissal from class and/or referral to the Dean of the College of Business). You will be required to sign the Academic Honesty Policy and submit it within the first week of class. **Failure to submit a signed Academic Honesty Policy will cause a 50 point deduction from your overall score for the class.**

### ***Academic Dishonesty Policy***

The College of Business at Texas A & M University-Commerce will strive to be recognized as a community with legal, ethical, and moral principles and to practice professionalism in all that we do. Failure to abide by these principles will result in sanctions up to and including dismissal. Five different types of activities that will bring sanctions are as follows:

- **Illegal activity** – Violation of any local, state, or federal laws that prohibit the offender from performance of his or her duty.
- **Dishonest Conduct:** Seeking or obtaining unfair advantage by stealing or receiving copies of tests or intentionally preventing others from completing their work. In addition, falsifying of records to enter or complete a program will also be considered dishonest conduct.
- **Cheating:** The unauthorized use of another’s work and reporting it as your own.
- **Plagiarism:** Using someone else’s ideas and not giving proper credit.
- **Collusion:** Acting with others to perpetrate any of the above actions regardless of personal gain.

You must sign and return the Academic Dishonesty Policy by September 10 or have 10 points deducted from your final score. If you do not submit this form before the end of the course, your grade will not be released.

### ***Student Conduct***

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See *Code of Student Conduct from Student Guide Handbook*).

A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

### ***Students with Disabilities***

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:
