COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

Instructional Methods: Class consists of various styles of presentation and interaction. In UNCO 111, students will be active participants regardless of the mode of instruction. Students should come to class ready to participate, both in terms of preparation as assigned and with a positive attitude toward class and colleagues.

Assignments:

Attendance: Roll will be taken each class day and students are expected to attend all scheduled class periods. Each section of this course is scheduled for 16 weeks of twice weekly meetings of 50 minutes each. Students should make arrangements to be in class on time and to stay until the class is dismissed. Attendance is part of your grade for UNCO 111. (100 points)

For students with excused absences, which include participation in a University-sponsored event, illness accompanied by a doctor's note, death in the student's immediate family, a verifiable court appearance or any other similar circumstance in the view of the instructor, written documentation must be turned in to the instructor immediately upon return to class.

Each absence in this course will result in a point reduction on your final attendance grade according to the chart below.

Absences	0	1, 2	3, 4	5, 6	7, 8	9,10	11,12	13,14	15,16	17,18	19,20
Grade	100	94	88	82	76	70	64	58	52	46	40

Absences	21,22	23,24	25, 26	27, 28	29, 30
Grade	34	28	22	16	10

Participation: Students must attend all class sessions and participate to the extent possible in each class activity. The activities in this course are designed to help you improve your communication skills and increase your knowledge set in order to make you a more effective and successful college student. (100 points)

QEP Requirement: Students must complete all on-line inventories and portfolios during the second and third class weeks as assigned by the instructor. Failure to complete this requirement will automatically drop course grade one complete letter grade. (100 points)

Event papers: Three (1) one page event papers, each worth 20 point, documenting attendance/participation in three different types of university events (athletic, academic, cultural, etc.). (60 points)

University success skills: Document three (3) visits to University support centers. (60 points)

Content Quizzes: Students will have 10 quizzes throughout the semester all worth 10 points each over information covered in specific activities/assignments that week. (100 points)

Final Essay: Students will have a final writing project, over the textbooks used in the course. (100 points)

Grading

Students' course grade will be calculated according to the following scale:

A =	594-680 Points
B =	522-593 Points
C =	464-521 Points
D =	430-463 Points
F =	462 Points or less

NOTES:

Please be aware of the grading scale and the percentages utilized in the grade distribution. For example, a student does not need to earn 90% of the points in the course to earn an "A" (594/680= 88%), but a student must earn 70% of the points to receive a "C" in the course. The moral of the story is that students will be rewarded for working a little more diligently in the course, while students who seek to "survive" in the course will actually have to work harder to earn a lower grade. Due to these allowances, I do not curve grades at the end of the semester.

If you strive for a specific grade in the course, be sure to notice how many points you need to accumulate to achieve that grade rather than focusing on the percentage of points you have earned.

COURSE OUTLINE / CALENDAR

The schedule attached shows planned weekly topics. In a perfect world, all things will go well, and there'll be no change from this schedule. We live in an imperfect world, and so, there may be disruptions. If the schedule has to be altered, it will be altered with proper notice and always in a way that benefits students before me.
