80-89	B
70-79	C
60-69	D
Below 60	F

### Electronic Gradebook:

- All grades will be recorded in the online gradebook. This allows you to see how many points each assignment was awarded and what percentage score you have earned up to that point in time, 24 hours a day, seven days a week.
- Click on the score itself to see if the instructor has made any comments such as complementing various aspects of your work or making suggestions for improvement.

### Attendance/Participation:

- Each face to face session is worth 50 points. If you are absent, you cannot participate and so cannot earn attendance/participation points, therefore 50 points will be subtracted for every absence (**EXCUSED OR UNEXCUSED**).
- 10 points will be subtracted for each partial absence of 15 or more minutes due to arriving late (includes breaks) or leaving early.
- If due to unusual circumstances such as an extended illness or unexpected work responsibilities, the student misses more than one session, he/she should contact the instructor to see if additional makeup assignments can be obtained and completed.

### Late turn-ins:

- All assignments are to be completed and uploaded by midnight on the day they are due. A hard copy of major assignments (Special Project Reports with accompanying slides and Language Arts Units with accompanying slides and handouts) must also be provided on the due date to the instructor.
- 10% of the points awarded for an assignment will be subtracted for the first day it is turned in late (after midnight) and 5% per day thereafter until it reaches 50%. Late assignments will be accepted for half credit after that up until the last due date.

**Written Assignments** (5% subtracted per item):

- Include a header (name, date, course) on all your written assignments. Put it all on one line.

<b>TECHNOLOGY REQUIREMENTS</b>
--------------------------------

**Technologies Needed:**

- Internet access/connection – high speed recommended (not dial-up)
- Microsoft Word and PowerPoint, 2003, 2007 or 2010
- Internet Explorer , Firefox or Chrome.

It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login in to eCollege, click on the ‘myCourses’ tab, and then select the “Browser Test” link under Support Services. If your Internet access at home is not high speed, you may have difficulty uploading and downloading files, including your assignments. If this is the case for you, I suggest you use the computer labs on campus to send in your work.

## ACCESS AND NAVIGATION

### eCollege Access and Log in Information

This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to: <https://leo.tamuc.edu/login.aspx>. You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or [helpdesk@tamuc.edu](mailto:helpdesk@tamuc.edu).

### How the Course is Organized

The course consists of 13 units, three of which will meet face to face. The remaining nine eight will be entirely online. Each unit, whether the face to face sessions or the online ones, corresponds to a calendar week and there is a Unit page for each unit. On each Unit page, there are links to supplementary readings and handouts for class activities. Students should print these out and review them.

Complete instructions for all written assignments are included in the unit scheduled for the date the assignment is due. Check the Course Calendar for this date and its associated unit. Find each Assignment link by clicking on the appropriate Unit link on the left navigation bar which will then reveal the Assignment link below it. The online instructions provide step by step directions for how to accomplish the assignment, links to sample papers and other resources such as report templates, and links to rubrics and checklists that will be used to assess the assignment. Please review these instructions and all associated documents carefully before beginning your assignments.

A dropbox, clearly labeled using the name of the assignment, is set up for every assignment. The boxes are found under the dropbox tab on the top toolbar in eCollege. Upload all assignments electronically into the dropbox by midnight on the day they are due. Use Microsoft Word as your word processor and save your files with a .doc extension. If the assignment is due on the day of a face to face session, bring a hard copy of your work to class for turn-in.

A webliography with over 80 links of instructional websites of special interest to bilingual and ESL educators to facilitate your website reports assignment is provided. You are also invited to explore these websites to increase your knowledge of Internet resources available to you for your teaching.

## COMMUNICATION AND SUPPORT

### eCollege Student Technical Support

Texas A&M University-Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week.

- **Chat Support:** Click on '*Live Support*' on the tool bar within your course to chat with an eCollege Representative.
- **Phone:** 1-866-656-5511 (Toll Free) to speak with eCollege Technical Support Representative.
- **Email:** [helpdesk@online.tamuc.org](mailto:helpdesk@online.tamuc.org) to initiate a support request with eCollege Technical Support Representative.
- **Help:** Click on the '*Help*' button on the toolbar for information regarding working with eCollege (i.e. How to submit to dropbox, How to post to discussions etc...)

## Email

You can easily use the “Email” tab on the top toolbar of eCollege to email me, any one individual or the whole class if you like. I will only send email to your university email addresses using this system so **please check your MyLeo email frequently**. Feel free to communicate with me and your classmates via email if you have any questions or concerns (other than tech support issues). If, for example, you have to miss class, although not required, I appreciate a message telling me why you will not be with us. (You still won’t get any attendance points for the missed session, but I’ll worry about you less.) Another good way to use the email capabilities of eCollege is to communicate with your partner(s) about your team assignments.

DO NOT, however, send me your work as an email attachment. Send it to me via the dropbox as I have limits on my university email, and it could get blocked. Also, I am not looking for it in my email. I’m looking for it in the right dropbox, which is attached to the gradebook.

## Dropbox

Your assignments are to be uploaded, **as an attachment**, to the appropriate dropbox. For team assignments, every person on the team needs to upload the work into his/her dropbox. I recommend you not wait until the last minute to upload your work to the dropbox as you may encounter technical difficulties and end up with lateness penalties. Do not type your work into the box that opens up or copy and paste text from your document into it. The box is for your comments to me about the work, eg. “Dr. Green, please grade this latest report, not the one I sent yesterday as I made some corrections.” I may send you comments via this box as well, so please click on the score to see my feedback to you.

## eCollege Announcements

When you log on to the course via your myLeo, please check to see if there are any announcements. I often pass on announcements from the university as well as make my own about events such as BESO (Bilingual/ESL Education Student Organization) meetings. I may also post here such things as changes in the schedule such as when assignments are due or provide further clarifications for specific assignments.

## Doc Sharing and Webliography

Often other students like to have access to your work such as the special projects and the language arts units. Consider (not required, optional) uploading your work into the doc sharing area, clicking on “Share with entire class. If you find a great website, consider adding it to the webliography so that others can view it as well.

## COURSE AND UNIVERSITY PROCEDURES/POLICIES

**Professional Conduct Expected:** “All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment” (*Student’s Guide Handbook, Policies and Procedures, Conduct*).

➤ **Attendance:** Attendance at all face to face sessions is **required and essential** to your success in this course. You are expected to arrive on time and return from breaks promptly.

- **In Case of an Absence:** IT IS YOUR RESPONSIBILITY TO DETERMINE WHAT YOU MISSED. Select a buddy who will be willing to collect any materials and take notes for you if you are out.

Name	Phone	E-Mail

- **Collaborative learning:** You will be regularly assigned to work with one or more partners during class sessions. You are expected to do your share of the assigned work while not dominating the conversation/activities. If you have a problem with a team member(s) and are unable to resolve it, let the instructor know early via email or private conversation.
- **Cell Phones:** Turn off all cell phones or put them on vibrate upon entering the classroom. If there is an emergency and you need to leave it on, please notify me before class.
- **Plagiarism:** Plagiarism will result in a grade of F for the assignment and possibly the course. Further infractions could result in dismissal from the teacher education program. Plagiarism consists of copying directly from a source without properly citing the source. It is also using someone else’s work and claiming it as your own. For more information see <http://www.plagiarism.org/> or <http://www.mydistancecourses.org/owl/course/view.php?id=29>.
- **Concealed Carry:** Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to <http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudents/34.06.02.R1.pdf> and/or consult your event organizer. Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

**Students with Disabilities:**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:
