Upon satisfactory completion of the course, the student shall be able to:

devise an advanced construction schedule,

perform efficient resource allocation and leveling, update schedule to control the project progress, solve complicated precedence networks calculations, develop clear and accurate reports, and

schedule risk management.

COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

This course consists of a series of assignments, discussions, quizzes, exams, and a final project to assist you in achieving the outcomes/objectives for the course. Each week you will work on various combinations of these. Since this is a 100% online course, all course work will be posted on the eCollege course page. All your work must be submitted online as well.

Point Distribution

| Assessment Type | % |
|------------------------|------------|
| Discussion Post | 5 |
| Quizzes | 10 |
| Assignments | 20 |
| Midterm Exam | 20 |
| Final Exam | 20 |
| Project | 25 |
| Total | 100 |

Based on the points received, the grades will be determined according to the criteria below.

Grade Criteria

| | | | | |
|----------|---------|---------|---------|--------|
| A | B | C | D | F |
| 100 - 90 | 89 - 80 | 79 - 70 | 69 - 60 | 59 - 0 |

Important Notes:

✓ The official gradebook for the course is maintained by the instructor in an external spreadsheet. The eCollege gradebook feature may be utilized by the instructor as an additional tool to provide student feedback on earned scores. In case of any discrepancies between the official and eCollege gradebooks, the instructor's official gradebook will take precedence.

✓ A penalty of 50% will be assessed on late assignments. After the grace period of 1 week, ZERO credit towards a final grade.

✓ Discussion posts will be graded based on the following:

| Rubric for Discussion posts | |
|--|-----|
| The content of your post: Creativity, originality, clarity, thoroughness | 60% |
| Scientific thought: Support of your ideas (research with references) | 40% |

Project topic and due date will be announced later.

TECHNOLOGY REQUIREMENTS

- To fully participate in online courses, you will need to use a current, Flash enabled browser. For PC users, the suggested browser is Internet Explorer 9.0 or 10. For Mac users, the most current update of Firefox is suggested.
- You will need regular access to a computer with a broadband Internet connection. The minimum computer requirements are:
 - 512 MB of RAM, 1 GB or more preferred
 - Video display capable of high-color 16-bit display 1024 x 768 or higher resolution
- Current anti-virus software must be installed and kept up to date in order to share files without issues.
- You will need some additional free software for enhanced web browsing. Ensure that you download the free versions of the following software:
 - Adobe Reader
 - Adobe Flash Player
- At a minimum, you must have Microsoft Office 2013, 2010, 2007 or Open Office. Microsoft Office is the standard office productivity software utilized by faculty, students, and staff. Microsoft Word is the standard word processing software, Microsoft Excel is the standard spreadsheet software, and Microsoft PowerPoint is the standard presentation software. Copying and pasting, along with attaching/uploading documents for assignment submission, will also be required. If you do not have Microsoft Office, you can check with the bookstore to see if they have any student copies.

ACCESS AND NAVIGATION

Pearson LearningStudio Access and Log in Information

This course will be facilitated using Pearson LearningStudio, the learning management system used by Texas A&M University Commerce. To get started with the course, go to:
<http://www.tamuc.edu/myleo.aspx>.

You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or helpdesk@tamuc.edu.

Note: Personal computer problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, an Internet cafe, or a bookstore, such as Barnes & Noble, etc.

Policy for Reporting Problems with Pearson LearningStudio Should students encounter Pearson LearningStudio based problems.

While submitting assignments/discussions/comments/exams, the following procedure MUST be followed:

- Students must report the problem to the help desk. You may reach the help desk at helpdesk@online.tamuc.org or 1-866-656-5511.
- Students **MUST** file their problem with the help desk and obtain a help desk ticket number.
- Once a help desk ticket number is in your possession, students should email me to advise me of the problem and to provide me with the helpdesk ticket number.
- At that time, I will call the help desk to confirm your problem and follow-up with you.

COMMUNICATION AND SUPPORT

The primary tool to communicate with me is the email tool in Pearson LearningStudio. The chat module in Pearson LearningStudio will also be utilized during office hours. Please feel free to email me at burchan.aydin@tamuc.edu, or call me at my office number for any questions and concerns.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Academic Dishonesty

Texas A&M University-Commerce will not condone plagiarism in any form. Plagiarism represents disregard for academic standards and is strictly against University policy. Plagiarized work can result in a "0" on a given assignment(s) or an "F" for the course as well as further administrative sanctions permitted under University policy. You may discuss course work and other course materials with fellow students (except during tests), but it is inappropriate to have another student do your course work or provide you with any portion of it. Guidelines for properly quoting someone else's writings and the proper citing of

sources can be found in the APA Publication Manual. If you do not understand the term “plagiarism”, or if you have difficulty summarizing or documenting sources, contact your professor for assistance.

ADA Statement

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Office of Student Disability Resources and Services
Texas A&M University-Commerce
Gee Library, Room 132
Phone (903) 886-5150 or (903) 886-5835
Fax (903) 468-8148

Non-Discrimination Statement

A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

Research Studies/Human Subjects

Refer to the **Texas A&M University-Commerce** Rules & Procedures 15.00.01.R0.01-Human Subject Protection.

Surveys/Course Evaluations

Your feedback may be requested by Texas A&M University-Commerce during the semester/term regarding your course. *It is important that you take a serious and constructive approach to this activity.* The information gained from you will assist in course evaluation by the university/college/department to insure that effective learning is

taking place within the existing course structure. If changes are indicated, this will help with course re-design and/or other revisions that will make the course more relevant for future students and the employers of graduates.

University Campus Concealed Carry

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to (<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudents/34.06.02.R1.pdf>) and/or consult your event organizer. Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

Student Conduct/Citizenship

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See *Code of Student Conduct* from [Student Guidebook](#)).

Students are expected, at all times, to recognize constituted authority, to conform to the ordinary rules of good conduct, to be truthful, to respect the rights of others, to protect private and public property, and to make the best use of their time and effort toward the educational process.

All students' work in this class will be evaluated and scored fairly and impartially based on the quality of work submitted and strict adherence to assignment guidelines. It is improper conduct to contact an instructor to ask that work be reconsidered to earn a particular grade after grades have been posted to the class gradebook and/or to the registrar. Grades assigned are a reflection

of the scores earned by the student, not a random or negotiable assignment by the instructor. If a particular grade is desired or necessary, it is the student's **sole** responsibility to fully participate in the class and submit work of sufficient quality to legitimately earn that grade.

At no time is a student allowed to exchange dialog with, make requests of, or make implications to a member of faculty that could be construed as a request for, or expectation of, preferential or differential treatment among members of a class. A student may not place an instructor in a position in which there is an expectation by the student that (s)he will be evaluated, assessed, or given consideration in a manner inconsistent with that of the entire class. All students within a class will be held to an identical standard of expectation and assessment, within the law.
