GRADING

A = 90%-100%
 B = 80%-89%
 C = 70%-79%
 D = 60%-69%
 F = 59% or below

Discussion Board: 55% There are eleven chapter discussions, each worth 5% of your grade. Each chapter will have a discussion area in which you will be required to discuss the topic I have posted. Each student is required to post and reply to every chapter for full credit. Merely making a post to the topic will not ensure full credit. You must DISCUSS the topic, which, at the **very least**, requires **a post and three** responses to each topic in each chapter. I also expect that your discussion posts and replies will take place **throughout the time open** (in other words, don't make all your posts on one day). Please see the discussion rubric in doc sharing. Discussions will be graded on content and quality. I'm not grading you on length; however, one word posts will get you nothing. I want to see that you are actively participating and actually thinking about your posts and responses. Remember, for a discussion to take place, you must make posts as well as responses to each chapter! I also expect the grammar, spelling, punctuation, and capitalization to be that of a college educated person. I do not want to see posts that look as if you are text messaging your best friend. **Discussions for each chapter will close on the Due Date listed for that particular chapter! Please see the course calendar located in the syllabus or under Doc Sharing for due dates. Also see the grading rubric in Doc Sharing for details on grading.**

Quizzes: 20% There will be four quizzes, each worth 5% of your grade. Students can access each quiz only ONCE and must adhere to the schedule for each quiz. **Quizzes will not be reset. Please be sure you have a secure Internet connection before beginning.**

Final Case Exam: 20% total: The Final Case analysis is worth 20% of your final grade. The student will prepare a research paper that will analyze a case using the *Eight-Step Model* described in Chapter 2 (5th edition) of the textbook. The specific case will be announced at a later date by the instructor. **Students MUST use American Psychological Association (APA) style formatting and citation.** An online APA resource will be available under the Webliography tab within the eCollege course. The Final Case Exam will be announced when available. Assignment is expected no later than 11:59 p.m. (CST) on the day it is due.

Submitting papers: All written assignments must be submitted as a Microsoft Word file (.doc or .docx file extension) to the appropriate Dropbox within eCollege. Proofread carefully. Grammar, punctuation, and style count heavily in this course. You will be amazed what *Spell Check* and *Grammar Check* will either miss or absurdly advise you to do. All Final Case Papers submitted to the Dropbox will automatically be submitted to [Turnitin.com](https://www.turnitin.com), which will produce an originality report for review (percent results will need to be 25% or less).

Introductions: 3% Students will be required to introduce themselves to the class in the Student Lounge.

Academic Honesty Policy: 2% Students will be required to read and acknowledge the Academic Honesty Policy.

NOTE: I will count off one letter grade for each day an assignment is late. Quizzes and discussion posts will not be accepted late.

***If you miss an assignment because you are in the hospital, please fax me a copy of the admission and release forms with dates. If you miss an assignment or quiz because of a death in the family, please fax me a copy of the newspaper clipping stating you as the surviving spouse, parent, child, grandchild, or brother/sister.**

Extra credit work will NOT be assigned so please do not ask.

Assignment Submissions

Completed assignments are to be uploaded to the **Dropbox** by the due dates posted. In order to receive an assignment grade, all assignments must be submitted to the proper Dropbox. Verification that the professor has received your assignment is possible by looking in the Outbox portion of the student's Dropbox. Each Assignment will have its own Dropbox label. The help section in your eCollege course and the Student Online Tutorial will describe the steps necessary to submit assignments to the Dropbox.

Assignments may be completed and submitted prior to the posted due date. Assignments will not be accepted through fax or as email attachments. A grade of zero will be recorded for incorrectly submitted assignments.

Spelling, punctuation, and grammar errors will have a negative impact on your assignment grades.
