

## Course Syllabus: Math 1314.90X – College Algebra Dual Credit

Fall 2017 (August 28 – December 15, 2017)

Instructor: Sarah Morrison Office Hours: M-Th 7:25-7:45, 3:20-3:45 Office Phone: (903) 527-3164 University Email Address: smorrison@caddomillsisd.org Faculty Web Page: http://www.caddomillsisd.org/Domain/492 Office Location: CMHS 106 Office Fax:(903) 527-4772

## **COURSE INFORMATION**

<u>Material Required</u>: Students must purchase a copy of a MathXL student access code (ISBN 978-0201726114) from either of the campus bookstores or directly from Pearson at <u>www.mathxl.com</u>. Please get a binder to keep and organize all notes and course materials. A Texas Instruments (TI-83 or TI-83 Plus) graphing calculator for this course is highly recommended. All exams must be completed in **pencil**.

**Textbook (Optional):** College Algebra (7th Edition) by Robert F. Blitzer, ISBN #978-0134-75792-6, is the textbook for the course. \*\*\* **The MathXL access code includes access to portions of the e-book when using its help functions, so the book is optional but the MathXL access code is required.** \*\*\* Portions of Chapters 1-8 in the textbook will be discussed.

<u>Course Description</u>: This course covers an in-depth study and applications of quadratics, polynomial, rational, exponential and logarithmic functions, and systems of equations. Additional topics such as arithmetic and geometric progressions; sequences and series; and matrices and determinants are included.

#### Student Learning Outcomes: Upon completion of this course, students will be able to:

- 1) Demonstrate knowledge of properties of functions, which include domain and range, operations, compositions, and inverses.
- 2) Identify, interpret, and solve problems of various types of functions and their graphs, including but not limited to linear, quadratic, polynomial, rational, exponential, and logarithmic functions.
- 3) Apply graphing techniques for various functions.
- 4) Identify and develop basic sequences and series.
- 5) Solve systems of equations with various methods including elimination, substitution, Cramer's rule and matrices

#### Core Objectives:

1) *Students will be able to analyze, evaluate, or solve problems when given a set of circumstances, data, texts, or art.* This common core objective will be assessed in the departmental final exam for all sections of Math 1314.

 In written, oral, and/or visual communication, A&M-Commerce students will communicate in a manner appropriate to audience and occasion, with an evident message and organizational structure. This common core objective will be assessed using common class activities/projects with class discussion over functions, sequences, logarithmic or exponential functions for all sections of Math 1314.

3) *Students will be able to interpret, test and demonstrate principles revealed in empirical data and/or observable facts.* This common core objective will be assessed using common class activities/projects with discussion over functions, homework, exam and departmental final exam for all sections of Math 1314.

## **COURSE REQUIREMENTS**

**Instruction:** Instruction will include lecture, demonstration and models, and some group work, based on time available. All turned in work should be completed in pencil, please. <u>Attendance</u>: Attendance will be taken each class. Students need to actively participate in class to receive credits. Attendance is a must to be able to do well in this class. It is expected that students follow the guidelines set forth by the Class Attendance Policy in the current Undergraduate Catalogue.

If students represent an athletic team for this university, departmental team, scholastic team, choir, or other group and must miss class, notify me in writing with the appropriate documentation within one week of the absence in order not to be counted absent. Arrangements for make-up work will be made at that time.

<u>Homework</u>: Homework will be assigned every class period. The homework is a must for success in this class. \*\*\*Students are required to complete homework using MathXL software. \*\*\* Homework is due in a week after the day that is assigned (or before the exam day, whichever comes first).

If a student experiences any technical difficulties with MathXL, be sure to use the online help and technical support from the software company. If a student continues to have trouble accessing or navigating the software, please contact instructor through email or come by his/her office during office hours for some individual help.

The <u>Math Skills Center</u>, located in Binnion 328, is open *Monday and Wednesday from 8am – 8pm, Tuesday and Thursday from 8am – 6pm, and Friday from 8am – 12pm.* Free tutoring is available for students who need help with their math courses. In addition, the Academic Success Center also offers supplemental instruction/tutoring for students and their hours can be found at the university web site.

The **Mach III/TRIO Program** is available for students who qualify for additional resources, such as private tutoring. In order to qualify, students must meet certain conditions, such as being a first-generation college student. For more information, contact TRIO at 903-886-5833 or in the Halladay Student Services building, Room 300.

<u>**Ouizzes</u>**: Quizzes will be given in class periodically. **No** make-up quizzes will be given, but the lowest quiz grade will be dropped. Be sure to attend all classes so you do not miss any quizzes.</u>

<u>Class Activities/Projects</u>: Application problems with class discussion over functions, sequences, logarithmic or exponential functions related to course materials will be assigned during the semester. Be sure to attend all classes in order to participate in the class activities with class discussion.

<u>Competency Exam</u>: Math 1314 students are required to take the competency exam which covers the prerequisite materials for college algebra. Calculators are allowed for competency exams. Students need to seek tutoring help if they do not pass the competency exam on the first try (in class). Students have to score 80% or higher on the test in order to pass this exam. Competency exams will be graded with no partial credits. Students can retake the competency exam outside of class in the academic testing center SS 308 (up to two times a week) before the deadline which is **Friday, Oct. 7 2017.** Students will receive 10% on the final grade if they pass the competency exam. Students will receive a zero for that 10% of the final grade if they do not pass the competency exam.

**Exams**: There are three scheduled exams. A practice exam and answer key will be provided prior the exam. Partial credit <u>may</u> be given on exams IF all work is neatly shown for determination of the student's mistakes. **CELL PHONES AND OTHER ELECTRONIC DEVICES MUST BE TURNED OFF AND STORED OUT OF THE STUDENT'S REACH**. The only electronic device allowed during tests and quizzes is a stand-alone calculator (such as a TI-34, TI-83, TI-84, etc.), and only with the instructor's permission. All exams must be completed in pencil; failure to complete your exam in pencil will result in a reduction of the earned grade by 5 points.

No make-up exams will be given without prior notice of a university excused absence\*. We realize that at times throughout the semester, emergency situations may arise that affect a student's performance on an exam or even prevent a student from attending on an exam day. We can replace the lowest exam grade with the student's grade on the final exam, provided the final exam score is higher. This provision will only be applied to ONE exam, so students should make every effort to be present and well-prepared for all exams.

A Practice exam and answer key will be available prior to each exam. Be sure to take advantage of this valuable resource!!

Mission for College of Science and Engineering: Innovation and Discovery Mission for the Department of Mathematics: Discovering the Keys to Success These test dates are tentative and are subject to change:Test 19/29

 Test 1
 )/2)

 Test 2
 10/25

 Test 3
 12/1

\* University Authorized Excuses: 1) Participation in a required/authorized university activity; 2) Verified illness; 3) Death in a student's immediate family; 4) Obligation of a student at legal proceedings in fulfilling responsibility as a citizen; and others determined by individual faculty to be excusable (e.g., elective University activities, etc.)

**<u>Final Exam</u>**: The final exam will be a departmental, comprehensive exam. All students will take the exam at the same time on **Monday**, **Dec. 11**, **between 3:30 and 5:30 p.m.** 

Please note that this is an unusual time and make your arrangements to be present. Make-up final exams will not be allowed. The location of the final exam will be announced toward the end of the semester (Departmental policy).

#### \* <u>NO MAKE-UP FINAL EXAM</u> WILL BE ALLOWED!!! \*

15 %

## **TECHNOLOGY REQUIREMENTS**

<u>Technology Requirements</u>: The graphing calculator of TI 83/TI 84 or equivalent will be highly recommended. Calculators other than Texas Instruments calculators may be used but classroom instruction on calculators will be given for TI equipment only. \*\*Note: Calculators that solve problems for students, including but not limited to TI-Nspire, TI 89 or higher, Casio Prizm, Casio Touch or higher are <u>NOT</u> allowed to be used for this class. \*\* Students are also required to clear the memory of graphing calculators before and after each exam.

Students need to check their e-mail regularly with the address that they have provided to the instructor for class announcements. Access to MathXL, a computer, and the internet will be needed for online homework assignments.

<u>Calculator Loan Program</u>: The Mathematics Department has set up a calculator loan program to support students. Students can borrow a calculator for a semester with a fee (\$10 to \$15 for TI-83/84). It is first come, first served basis.

# **COMMUNICATION AND SUPPORT**

<u>Interaction with Instructor Statement</u>: It is important that students are actively engaged in class activities. Questions are welcome in the classroom. Students are welcome to schedule with instructors for extra help outside classroom during office hours.

<u>Getting Help Outside of Office Hours</u>: Utilizing the **multimedia library and online help from the MathXL** computer software program is suggested as a valuable resource for many students to improve their grades in Math classes. Also, the free tutoring on campus and from online is also highly recommended.

<u>Student Health Services</u> are located at Henderson Hall (Corner of Lee St. and Monroe St.). It offers health care to the student body of Texas A&M University – Commerce. It provides primary health care services including treatment of illness, injury, and women's health. **Tel:** (903) 886-5853.

<u>University Police Department</u> is located at Henderson Hall. For Emergency, please call: 911 For Non-Emergency, please call: 903.886.5868

# **COURSE AND UNIVERSITY PROCEDURES/POLICIES**

<u>Academic Integrity</u>: In order to insure fairness and high academic standards, any actions which violate the principles of academic integrity through dishonesty or cheating are given serious consideration. In order understand what constitutes a violation of academic integrity and the consequences of such behavior, the university's policies may be reviewed at: <u>http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/13students/undergraduates/13.99.9</u> 9.R0.03UndergraduateAcademicDishonesty.pdf.

In particular, awareness of the following definitions is essential in order to know what represents academic dishonesty (pages 6-7):

- "Cheating: Intentionally using or attempting to use unauthorized materials, information, notes, study aids or other devices or materials in any academic exercise. Unauthorized materials may include anything or anyone that gives a student assistance, and has not been specifically approved in advance by the instructor."
- **"Complicity:** Intentionally or knowingly helping, or a attempting to help, another to commit an act of academic dishonesty."
- **"Plagiarism:** The appropriation of another person's ideas, processes, results, or words without giving appropriate credit."

Any form of academic dishonesty which is observed will be noted. The student will be informed of why their behavior falls under this category and cannot be allowed. The event will then be reported under the guidance of university procedure. The university's policies regarding these matters are outlined at the link above. Depending on the severity of the circumstances, disciplinary action may be taken.

Please be aware that while your instructor does not suspect every student of attempting to engage in dishonest behavior or cheating, certain measures may be taken during the semester to encourage integrity, honesty, and learning. Some of these measures may include asking for calculators to be cleared and for all electronic devices (except for those approved) to be put away.

<u>Classroom Behavior</u>: Appropriate classroom behavior is required to attend this class. All cell phones and electronic devices must be put on silent or turned off during class. NOTE: THIS INCLUDES BLUETOOTH AND OTHER DEVICES THAT ARE PLACED IN THE EAR. Phones and electronics are distractions for instructor and the other students in the class. All people will be treated with respect and talking that disrupt the class is not allowed. If disruptions occur during class time, a student will be asked to leave class and will earn a zero on any applicable grades for that class period. Serial disrupters will be asked to withdraw from this class.

**Early Intervention for First Year Students**: Early intervention for freshmen is designed to communicate the University's interest in their success and a willingness to participate fully to help students accomplish their academic objectives. Grades for students in freshmen level classes will be reported to the Registrar's Office at the end of the fifth week of class during the fall and spring semesters. The Registrar's Office will report grades to students, Advising Services, Academic Departments (faculty advisors) and mentors. This procedure will allow students to be knowledgeable about their academic progress early in the semester. The university, through Advising Services, faculty advisors and mentors, will take steps to assist students who may be experiencing difficulty to focus on improvement and course completion. Grade reports will be mailed by the end of the sixth week of the semester. University Specific Procedures ADA Statement, Students with Disabilities.

<u>The Americans with Disabilities Act (ADA)</u> is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Student Disability Resources & Services Gee Library, Room 162 Phone (903) 886 - 5150 or (903) 886 - 5835. Fax (903) 468 - 8148 StudentDisabilityServices@tamuc.edu <u>Student Conduct</u>: \*\*\* "All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment." (Student's Guide Handbook, Policies and Procedures, Conduct). Rude and/or disruptive behavior will not be tolerated. No electronic devices (except calculators) are allowed during class time. Cell phones, smart watches, and other electronic devices are to be put away during class time and exams. \*\*\* The use of vapor/e-cigarettes, smokeless tobacco, snuff and chewing tobacco are prohibited inside classrooms and university buildings.

**Texas Senate Bill - 11 (Government Code 411.2031, et al.)** authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to (http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudent s/34.06.02.R1.pdf) and/or consult your event organizer). Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

This statement presents the University's commitment to a safe, accepting environment for all students regardless of sexual orientation, gender identification, or gender expression: A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

## **COURSE OUTLINE**

Week	Dates	Topics
1	Aug. 28 – Sept. 1	Syllabus, Review for Comp. Exam, & Intro of MyMathLab
2	Sept. 4 – Sept. 8	Labor Daly Holiday (University Closed), Comp. Exam, & 2.1
3	Sept. 11 – Sept. 15	2.2, 2.3, & 2.4
4	Sept. 18 – Sept. 22	2.5, 2.6, & 2.7
5	Sept. 25 – Sept. 29	Ch. 8 Sequences, Review Exam 1, Exam 1
6	Oct. 2 – Oct. 6	Review solving quadratic equations, 3.1, & 3.2
		Friday Oct. 7 *** Deadline for Comp. Exam ***
7	Oct. 9 – Oct. 13	3.2, 3.3, & 3.4
8	Oct. 16 – Oct. 20	3.5, & 3.6
9	Oct. 23 – Oct. 27	Wrap up and Review for exam 2, & Exam 2, & 4.1
10	Oct. 30 – Nov. 3	4.2, & 4.3
11	Nov. 6 – Nov. 10	4.4, & 4.5
12	Nov. 13 – Nov. 17	Review on chapter 4, class activity, Quiz, 5.1, & 5.2
13	Nov. 20 – Nov. 24	6.5, 6.1, & Thanksgiving Holiday
14	Nov. 27 – Dec. 1	6.2, Review for Exam 3, & Exam 3
15	Dec. 4 – Dec. 8	Review for Final Exam
16	Dec.11 Monday	FINAL EXAM. 3:30pm – 5:30pm, NOTE SPECIAL TIME!!

#### 1314 MWF Tentative Schedule (Fall 2017) For Students

# \*\*\* By Remaining Enrolled In This Course, All Students Agree To Abide By The Policies Of This Class, As Stated In The Syllabus \*\*\*
