University Email Address: Nathan.wells@tamuc.edu

Preferred Form of Communication: email

Communication Response Time: 1-2 days

COURSE INFORMATION

Materials- Good fitting pair of riding boots and comfortable pair of jeans/pants to ride in.

Textbook: If I Were to Train a Horse by Jack Brainard

Optional Texts and/or Materials: Various video resources that will be provided throughout the semester

The syllabus/schedule are subject to change.

Course Description

Refinement of equitation and horse training principles for various disciplines.

Corequisites C: EQSC 241L

Prerequisites: Lvl U EQSC 240 Min Grade C

Student Learning Outcomes

Upon successful completion of this course students should have an understanding of these concepts;

- a. The essential elements of body control that all performance horses must possess.
- b. The gymnastic exercises necessary to advance a green horse to advanced levels of training.
- c. The development of a training program to achieve performance goals for individual horses.
- d. The development of a conditioning program to maintain a performance horse at a competitive level.
- e. The conditioning programs necessary to modify equine behaviors that are counterproductive to increasing performance levels.

COURSE REQUIREMENTS

Basic Riding Skills Needed

The student in this course should have a basic understanding of proper equitation. They should be comfortable riding in a western saddle at a walk, trot, and lope. They should be able to distinguish which lead the horse is on at all times. They should have the beginnings of an independent seat and understand the use of their hands and legs in proper equitation.

Instructional Methods

We will spend our time in lecture discussing horse training theory and techniques. We will watch videos and discuss tack and equipment in the lecture portion as well. We will spend our lab time applying the principles discussed in the lecture. The labs will cover groundwork and work from the saddle.

The syllabus/schedule are subject to change.

Student Responsibilities or Tips for Success in the Course

The student should understand that attendance is mandatory for a passing grade. The student will be expected to attend and participate in all lecture and labs. The student will be expected to read/watch videos in lecture and ask questions in discussion. The student will be expected to keep a riding journal that is updated with each lab session. Above all other requirements the student is expected to come to class with an open mind and willingness to learn. Safety is of the utmost importance and a disregard for the safety of themselves and other students will not be tolerated.

The first few days will be spent evaluating the performance level of horses used in the course. The class will use horses owned by TAMUC. The lab class will meet at the TAMUC Equine Center Arena. The instructor will take roll each and every class period at the beginning of class. Students who show up after roll has been taken will receive an unexcused absence for that class period. It is the **student's responsibility** to contact the instructor **prior to** an absence if at all possible. In the case of a medical emergency or illness you should provide a doctor's note to receive an excused absence.

GRADING

Grading Policy

Daily activities will consist of study and group discussion of specific skills, techniques and/or maneuvers. Each student will ride and practice maneuvers in order to advance both the student and animal levels of proficiency, comfort, and confidence. The skills will be presented in progressive sequence in that mastery of each skill is necessary for it will be incorporated into future maneuvers. Therefore attendance is imperative.

Grades will be determined by the following:

Attendance and Participation = **400 points**

Weekly assessments of progress with horse = **800 points**

SAFETY is the #1 priority for labs!

Appropriate Clothing:

- 1. Riding boots with a riding heel. Absolutely no "tenny lamas", spike heels, or sandals.**
- 2. Loose fitting jeans or long pants. No shorts or skirts.**

The syllabus/schedule are subject to change.

3. An appropriate shirt. No tank-tops.
4. Jackets or coats in cooler weather. I will not provide you with a coat if you show up without one and get cold.
5. You will wear a safety helmet when riding. (TAMUC will provide a helmet to all students or you may bring your own if you have an acceptable riding helmet). We will discuss proper equipment and fit of saddles in the first two weeks.
6. You may wish to bring a water source with you to class, especially in warmer weather.
7. **DO NOT** carry your cell phone on your person when we are riding. Also please remove earrings and jewelry that may be lost when riding.

Thank you for signing up and let's have fun!

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

Attendance/Lateness, Late Work, Missed Exams and Quizzes and Extra Credit

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

University Specific Procedures

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](http://www.tamuc.edu/admissions/registrar/documents/studentGuidebook.pdf).

<http://www.tamuc.edu/admissions/registrar/documents/studentGuidebook.pdf>

The syllabus/schedule are subject to change.

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum: [Netiquette](http://www.albion.com/netiquette/corerules.html)
<http://www.albion.com/netiquette/corerules.html>

TAMUC Attendance

For more information about the attendance policy please visit the [Attendance](#) webpage and [Procedure 13.99.99.R0.01](#).

ADA Statement

Students with Disabilities

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

The syllabus/schedule are subject to change.

Office of Student Disability Resources and Services

Texas A&M University-Commerce

Nondiscrimination Notice

Texas A&M University-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

Campus Concealed Carry Statement

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations.

For a list of locations, please refer to the [Carrying Concealed Handguns On Campus](#)

document and/or consult your event organizer.

Web url:

<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudents/34.06.02.R1.pdf>

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

The syllabus/schedule are subject to change.
