Tips for Success in the Course: Regularly log into the course, check your e-mail, and read announcements. Do your work and be prepared to spend 5 – 10 hours per week in the course.

GRADING

A = 90%-100%

B = 80%-89%

C = 70%-79%

D = 60%-69%

F = 59% or below

Book Summary/Review: 20% Students are required to read the assigned book and write a book summary/review. Please see eCollege for more details. **See the course calendar located under Doc Sharing for due dates.**

Article Summary: 45% There will be three article summaries each worth 15% of your grade. Please see eCollege for more details. **See the course calendar located under Doc Sharing for due dates.**

Discussion Board: 30% Each article and the book will have a discussion area in which you will be required to discuss the various topics I have posted. Each student is required to post and reply to every topic for full credit. Please note that there is more than one topic per article/book. Merely making a post to the topic will not ensure full credit. You must DISCUSS the topic, which, at the **very least**, requires **a post and four responses** to each topic under the given article/book. **So, if an article has three topics, you will have 15 posts/replies to that particular article.** I also expect that your discussion posts and replies will take place **throughout the time open** (in other words, don't make all your posts on one day). Please see the discussion rubric in doc sharing. Discussions will be graded on content and quality. I'm not grading you on length; however, one word posts will get you nothing. I want to see that you are actively participating and actually thinking about your posts and responses. Remember, for a discussion to take place, you must make posts as well as responses to each topic! I also expect the grammar, spelling, punctuation, and capitalization to be that of a college educated person. I do not want to see posts that look as if you are text messaging your best friend. **Discussions for the book and each article will close on the Due Date listed for that particular assignment! Please see the course calendar located under Doc Sharing for due dates.**

Syllabus and Calendar Quiz: 5% Students will be required to take one quiz covering material found in the syllabus, calendar, and grading rubrics. **Please see the course calendar located under Doc Sharing for due dates.**

NOTE: I will accept late work with a penalty. I count off one letter grade for each day an assignment is late. Discussions and quizzes will not be accepted late.

***If you miss an assignment because you are in the hospital, please fax me a copy of the admission and release forms with dates. If you miss an assignment or quiz because of a death in the family, please fax me a copy of the newspaper clipping stating you as the surviving, spouse, parent, child, grandchild, or brother/sister.**

Extra credit work will NOT be assigned so please do not ask.

Assignment Submissions

Completed assignments are to be uploaded to the **Dropbox** by the due dates posted. In order to receive an assignment grade, all assignments must be submitted to the proper Dropbox. Verification that the professor has received your assignment is possible by looking in the Outbox portion of the student's Dropbox. Each Assignment will have its own Dropbox label. The help section in your eCollege course and the Student Online Tutorial will describe the steps necessary to submit assignments to the Dropbox.

Assignments may be completed and submitted prior to the posted due date. Assignments will not be accepted through fax or as email attachments. A grade of zero will be recorded for incorrectly submitted assignments.

Spelling, punctuation, and grammar errors will have a negative impact on your assignment grades.
