### COURSE AND UNIVERSITY PROCEDURES/POLICIES

#### Attendance & Participation Policy:

Class attendance and participation is one of the most important, yet underrated elements of a student's education. There are numerous elements that go into class participation:

1. Good attendance (According to University rules, students may be dropped from the class for excessive unexcused absences. For this class that will be considered 3 unexcused absences.)
2. Arrive **on time** and stay until class is dismissed.
3. Frequent and relevant contributions to class discussion.
4. Reading assigned work and course material.
5. Polite and civil interactions with all members of the class ["All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment." (See Student's Guide Handbook, Policies and Procedures, Conduct)].
6. The student is expected to be respectful and not speak while the instructor is speaking. Private conversations in class will result in a zero in participation for the day.
7. **Turn off** all electric devices, specifically cell phones, pagers, PDA's, and computers. Students who fail to do so may be asked to leave the class and receive a zero for the day. Texting during class is unprofessional and will result in a zero for the day.
8. No headphones in class.

**Remember you are with possible future coworkers! ☺**

Students are required to attend all class meetings or participate in online instruction, as offered by the instructor. Recovering missed lecture content or assignment information is the responsibility of the student. Fellow students may provide notes for recovery of missed information. Prior to class time, reading assignments must be completed and any other assignments must be submitted at the **beginning** of the class period. The first person to e-mail me that you have read this will receive a candy bar. Specify type of candy bar and what class of mine you are taking in e-mail.

#### **Participation Evaluation Scale:**

- 100% = full participation in small and large group
- 75% = partial participation in small and large group
- 50% = prompt attendance only or tardy with full participation

- 25% = tardy and some participation
- 0% = tardy, no participation, no attendance, texting in class, talking out of turn in class

### **Late Assignment Policy:**

All assignments that are late will have points deducted. Late means they are not turned in when class meets on the day they are due. If you forget your assignment, then points will be deducted. Assignments will be accepted after the due date **with the exception of online quizzes and exams**. However, a **10 % deduction will be applied to assignments 1 day late, and an additional 5 % for each day thereafter. For example, if an assignment is due by 5:00 PM on Sunday in the drop box of eCollege and is not placed in the drop box until 6:15 PM on Sunday, there will be a 10 % deduction; if the paper is turned in on Wednesday the paper will start to be graded with a grade of 80%.** Assignments will be either handed in during class meeting or submitted through eCollege dropbox and **must be** in .doc or .docx format.

**Written Assignments:** All written assignments are to be **typed double-spaced in a legible 12 pt. font** with 1" margins and are expected to exhibit professional quality. You should demonstrate mastery of organizing, structuring, and editing (for all aspects of mechanics) in your writing. Excessive grammar, spelling, and vocabulary errors will result in a reduction of your score at the instructor's discretion. College level writing and higher order thinking must be evident in all written assignments. If you are unsure of your writing abilities, please visit the writing lab for help.
