COURSE DESCRIPTION

Catalogue Description of the Course

COUN 595. Research Literature and Techniques

Three semester hours. Emphasizes research in the student's major field, basic statistics, literature review, proposal and report development, research implementation, needs assessment, program development, and ethical and legal considerations regarding research through the presentation of a formal research proposal and/or presentation of a completed research report.

The syllabus/schedule are subject to change.

General Course Information

Research Literature and Techniques is required in all master's degree programs in the Department of Counseling. The course includes studies that provide an understanding of research methods, statistical analysis, needs assessment, and program evaluation.

Although the structure of the course will be that commonly encountered in graduate studies, the teaching philosophy of the instructor is invitational. The pursuit of a degree in counseling means different things to different people. Interests and emphases vary from person to person, but most recognize the importance of a basis in both quantitative and qualitative research methods. In the opinion of the instructor, even those who do not intend to perform research must be educated consumers of research in order to provide competent services. As a graduate of a CACREP accredited program, the professional community and the public will expect you to have basic research competencies. Your work may well lead you to situations where you will be required to perform studies, to accurately interpret the results and meaning of studies for others, or to make policy decisions that are based on the results of research. It would probably be in your best interest, as well as that of the Department, for you to take a very serious approach to development of these competencies. You are invited to discover what research means to you.

Student Learning Outcomes

In order to meet the requirements of CACREP, the department has developed course objectives pursuant to the requirements for accreditation. As a graduate of a CACREP accredited program, you will be expected to have mastered these learning outcomes.

1. describe the importance of research and research opportunities and difficulties in conducting research in the counseling profession;
2. apply research methods such as qualitative, quantitative, single-case designs, action research, and outcome-based research;
3. demonstrate technological competence and computer literacy;
4. apply technology and statistical methods in conducting research and program evaluation, assuming basic computer literacy;
5. discuss principles, models, and applications of needs assessment, program evaluation, and use of findings to effect program modifications;
6. use of research to improve counseling effectiveness; and
7. demonstrate ethical and legal considerations related to research and program evaluation.

Content Areas include, but are not limited to, the following:

- I. Importance of research
- II. Research in the Counseling Profession
 - A. Opportunities
 - B. Difficulties
- III. Research methods
 - A. Qualitative
 - B. Quantitative
 - C. Single-case designs
 - D. Action research
 - E. Outcome-based research
- IV. Technological competence and computer literacy

Fall 2018

- A. General computer literacy
- B. Use in conducting research
- C. Use in program evaluation
- V. Program modification
 - A. Needs assessment
 - B. Program Evaluation
 - C. Using research results to effect program modifications
- VI. Using research results to improve counseling effectiveness
- V. Ethical and legal considerations related to research and program evaluation.

TEExES Competencies Related to this Course (*TEExES is the state examination required for school counselor certification.*)

Competency 004 (Program Management)

The school counselor understands how to plan, implement and evaluate a developmental guidance program, including counseling services, that promotes all students' success

Competency 006 (Counseling)

The school counselor understands how to provide effective counseling services to individuals and small groups.

Competency 010 (Professionalism)

The school counselor understands and complies with ethical, legal, and professional standards relevant to the profession.

COURSE REQUIREMENTS

Minimal Technical Skills Needed

In this class, you will utilize the Learning Management System (LMS) entitled D2L for portions of instructional and learning methods, submitting assignments, participating in online discussions, and completing quizzes. You will need to utilize other technologies such as Microsoft Word, PowerPoint, etc. If you have issues with this system, it is your responsibility to contact the help desk immediately.

Instructional Methods

This course consists of lecture and didactic learning methods, small group discussions, and in-class assignments, coupled with experiential learning and practical application. When we are not meeting face to face, you will be expected to participate and complete all online tasks via D2L. In addition to this, small lecture, discussion, activities, and workshops may be utilized during this course.

Student Responsibilities or Tips for Success in the Course

As a student in this course, you are responsible for the active learning process. Expectations of this course include the following:

1. You are expected to display professionalism at all times. Be respectful of your professor and peers. Be open to feedback, as you will receive this throughout the program.
2. Prepare for classes. Complete any and all readings prior to class time.

The syllabus/schedule are subject to change.

3. Complete all assignments by the deadline.
4. Adhere to the university student code of conduct.
5. Participate. During face-to-face classes, you are expected to actively participate in all activities and discussion. In the online format, you are expected to participate in all online discussions/activities. This is crucial to your learning.
6. All writing assignments must be done according to APA 6th edition.
7. Regularly check your University email. My suggestion is to check this at least once a day as your instructors and others from the department and University may contact you.
8. Begin your readings ASAP. Sometimes it may take more than one attempt to digest the material.
9. Deadlines are the last possible moment something is due—not the first moment to start. Work ahead. I realize this may not always be possible; however, when you can, do so.
10. Be open to the process. This degree takes time, work, effort, and growth.

Assignments/Assessments

1. **Discussion Boards (6 points for initial post and 6 points for response post; 60 points total) in D2L.** You will have a total of 5 discussion boards (5 initial postings and 10 response postings) throughout the semester. You are expected to give a thorough and thoughtful response to each prompt. In addition to the initial discussion, you will also respond to two of your classmate’s discussion posts. The rubrics for both discussion and response are are below. For the weeks with discussion posts, they are released the day of class and are due in the following order: (a) **initial post is due by Sunday at 11:59pm of that particular week and (b) the response posts are due the following Tuesday by 4:29pm (Just Before Class).** Please note that no late postings will be accepted.

Discussion Rubric	0-1 points	2-3 points	4-5 points	6 points
	Post is not complete, not written in a clear manner, and inconsistent with graduate standards.	Post is missing critical components of the question OR is discussed in an illogical/inconsistent manner. Post has several grammatical/APA errors and not consistent with graduate standards.	Post presents most elements of the question OR all elements discussed in a brief manner. Post is evident of graduate level work with some grammatical/APA errors.	Post presents all elements of the question(s) discussed thoroughly and clearly. Post is evident of graduate level work with few to no grammatical/APA errors.

Responses

Response Rubric	0-1 points	2-3 points	4-5 points	6 points
	Response is not	Response is	Response	Response

The syllabus/schedule are subject to change.

	complete, not written in a clear manner, and inconsistent with graduate standards. Student gives no feedback to peer.	missing critical components OR feedback is not thoughtful. Response has several grammatical/APA errors and not consistent with graduate standards.	presents most requirements in a brief manner. Response is evident of graduate level work with some grammatical/APA errors.	presents all elements required thoroughly and clearly. Provided thoughtful feedback to peer. Response is evident of graduate level work with few to no grammatical/APA errors.

2. **Statement of Research Interest (20 points):** You will develop a statement of research interest. This statement will need to include areas of interest, methods of research, and future direction (i.e., goals for research in your field). Your statement needs to be 2-3 pages, double-spaced and adhere to APA 6th edition standards, and yes, a title page and a reference page (use a minimum of three empirical sources) are included but does not count towards your page count total. An example will be available in D2L to serve as a guide. Please recognize the example provided does not exactly align with all the expectations of the assignment. Hence, that is why it is just an example.

State of Research Interest Outline/Rubric:

- a. Area(s) of Interest (10 points)
 - a. A detail description of interests (what are you passionate about as it related to counseling)
 - b. Current available research on area(s) of interest (present the research)
 - c. What areas of your research interest do perceive are missing (what needs to be further researched)
 - b. Method of Research (5 points)
 - a. How would you investigate your areas of interest? I recognize the limitations involved in completing this portion, but use what you know. Dive in the literature and see what other researchers have done to explore your or similar interest.
 - c. Future Direction (5 points)
 - a. What would type of answers would you like to find in regard to your areas of interest?
 - b. How will you let others (e.g., counselor, educators, policy-makers, etc.) known that your research interests matter?
3. **Journal Article Critique (20 points):** You will choose an empirical journal article from an ACA journal (list below) and provide an article critique (3-5 pages) based on material learned in your text and from this class. See Rubric and thought provoking questions below.

American Counseling Association Journal List:

- Journal of Counseling & Development (JCD)*
- Adultspan Journal*
- The Career Development Quarterly (CDQ)*
- Counseling and Values (CVJ)*
- Counselor Education and Supervision (CES)*
- Journal of Addictions & Offender Counseling (JAOC)*
- Journal of College Counseling (JCC)*

Journal Article Critique Outline/Rubric

Criteria	Does not meet Expectations (0-2)	Satisfactory (3-4)	Exceeds Expectations (5-6)
Summary of basic article information	Demonstrates a lack of knowledge on how to appropriately summarize key findings. Basic information missing	Demonstrates some knowledge on how to appropriately summarize a journal article. Includes summary of basic information such as name of author(s), title of article, statement of the problem, purpose of the study, methods, and discussion of findings and implications.	Demonstrates exceptional knowledge on how to appropriately summarize a journal article. Includes summary of basic information such as name of author(s), title of article, statement of the problem, purpose of the study, methods, and discussion of findings and implications.
Critique of research	Demonstrates little to no knowledge of key ideas and findings. Did not	Demonstrates good knowledge of key ideas and findings with a lack of some	Demonstrates exceptional knowledge of key ideas and findings.

The syllabus/schedule are subject to change.

	include a critique of the research.	insight. Student's evaluation lacks some clarity and does not include supporting points.	Student's evaluation is clear and has supporting points.
Appropriate research article selected	Student's article selection does not fit the purpose of this assignment		Student selected an article that includes research method (qualitative or quantitative)
Criteria	Does not meet Expectations (0)	Satisfactory (1)	Exceeds Expectations (2)
APA Style/Grammar	Substantial errors. Poor quality, not indicative of graduate student work.	Minimal errors. Good quality indicative of graduate student work but some difficulty.	Little to no errors. Exceptional quality indicative of graduate student work.

Here are some questions that may help you all in your critiques:

1. Are the title and/or abstract of the article appropriate and clear?
 2. Is the purpose of the study/article clear?
 3. Is the discussion of the findings/content relevant to the study purpose?
 4. Have the authors cited essential and necessary literature related to the study topic?
 5. Are there any sections of the article that need to be expanded or omitted?
 6. Are the authors' ideas and/or statements clear or ambiguous?
 7. Is the research important for the field (counseling)?
 8. Are the research methods described in detail and are they understandable? Are they correct?
 9. How did the authors incorporate research implications? Did they do so appropriately?
 10. What is your overall impression of the article?
4. **In-class Presentation (100 points):** Along with a partner, you will present on a content area related to this course. You may choose a specific research design, an area of research that interests you, or a section from the textbook that you find challenging. Once you have identified a partner and discussed potential areas, please consult with the instructor to ensure the topic/content area is appropriate. Without prior consultation and approval from the course instructor, the presentation will not be considered for grading. It is expected that you will reach beyond the content from the textbook and utilize additional resources (e.g., other books, web resources, journal articles, etc.). Presentations will be conducted on PowerPoint or other platforms and graded in real time. A one-page handout that summarizes the content of the presentation is required. Please print enough copies to distribute to classmates and the professor. More information will be provided throughout the semester.

Fall 2018

5. **Final Quiz (50 points):** The final quiz will be comprehensive in nature and will consist of multiple-choice, true/false, matching and free response type questions. The specific of the exam and item points values will be provided at a later time. However, you will have the entire class period to complete the quiz. A review of the final quiz will be provided on 11/27. Do not miss class on that day.

GRADING

Final grades in this course will be based on the following scale:

90%-100%	A
80%-89%	B
70%-79%	C
60%-69%	D
< 59%	F

Assignment/Assessment	Point Value
Discussions	60
Statement of Research Interest	20
Journal Article Critique	20
In-class Presentation	100
Final Quiz	50

Total points possible = 250. Your Final Grade is determined adding the point values earned from each assignment and dividing by 250. The resulting value is multiplied by 100 to yield a percentage. For example: $(240 \text{ [points earned]} / 250) \times 100 = 96\%$

Assignments are due on the day noted in the syllabus. Unless noted otherwise, all assignments are due at the beginning of the class period (i.e., 4:29pm). Late assignments will have 10% deduction per day late from the final score. **I will not accept late discussion/response postings.**

TECHNOLOGY REQUIREMENTS

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

The syllabus/schedule are subject to change.

Fall 2018

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

Windows	Windows 10	Edge, Chrome, Firefox	Latest of all browsers, and Firefox ESR.

- You will need regular access to a computer with a broadband Internet connection. The minimum computer requirements are:
 - 512 MB of RAM, 1 GB or more preferred
 - Broadband connection required courses are heavily video intensive
 - Video display capable of high-color 16-bit display 1024 x 768 or higher resolution
- **For YouSeeU Sync Meeting sessions 8 Mbps is required.** Additional system requirements found here: <https://support.youseeu.com/hc/en-us/articles/115007031107-Basic-System-Requirements>
- You must have a:
 - Sound card, which is usually integrated into your desktop or laptop computer
 - Speakers or headphones.
 - *For courses utilizing video-conferencing tools and/or an online proctoring solution, a webcam and microphone are required.
- Both versions of Java (32 bit and 64 bit) must be installed and up to date on your machine. At a minimum Java 7, update 51, is required to support the learning management system. The most current version of Java can be downloaded at: [JAVA web site](http://www.java.com/en/download/manual.jsp)
<http://www.java.com/en/download/manual.jsp>
- Current anti-virus software must be installed and kept up to date.

Running the browser check will ensure your internet browser is supported.

Pop-ups are allowed.

The syllabus/schedule are subject to change.

Fall 2018

- [Adobe Flash Player \(version 17 or later\)](https://get.adobe.com/flashplayer/)
 - [Adobe Shockwave Player](https://get.adobe.com/shockwave/)
 - [Apple Quick Time](http://www.apple.com/quicktime/download/)
- At a minimum, you must have Microsoft Office 2013, 2010, 2007 or Open Office. Microsoft Office is the standard office productivity software utilized by faculty, students, and staff. Microsoft Word is the standard word processing software, Microsoft Excel is the standard spreadsheet software, and Microsoft PowerPoint is the standard presentation software. Copying and pasting, along with attaching/uploading documents for assignment submission, will also be required. If you do not have Microsoft Office, you can check with the bookstore to see if they have any student copies.

ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

Interaction with Instructor Statement

Communication with your professors is key to your professional growth. I am here to support and guide you along your academic journey. With that being said, I cannot help you if you do not communicate with me. Please make an appointment if you have any concerns or questions. Because I teach in different locations, email is the best way to reach me. I will attempt to answer all emails within 24 hours, Monday-Friday, but at times will need up to 72 hours to do so. When emailing, please use your university email and address me with courtesy and respect.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

Written assignments are due on the day noted in the syllabus. All papers are due at the beginning of the class period. Late papers will have 10% deduction per day late from the final score.
