OVERVIEW OF ASSIGNMENTS

POLICY ON DUE DATES:

Assignments will be open when the course is open, allowing students to work ahead if they so desire. They close when they are due. However, items such as discussions will remain available as “Read Only” after the closing date. Pay close attention to things such as guidelines and timelines for posting in the discussions. These timelines are in place to help

lend to a true discussion. Also, please be aware that waiting until 11:50 pm to place your assignments in the drop box is not a good idea as your clock may not be set with the online program and at times the drop boxes seem to close early.

1. **Quizzes** – There are three quizzes throughout the course; each one is worth 20 points (20 questions worth 1 point each). **Quizzes will only open with the course opening, and will close at 11:59 p.m. on Sunday of the week they are due. There are no allowances for opening a quiz after it has closed (in order to be completed late).** Each quiz is on specific chapters and there are no overlaps. All quizzes are open book; however, all quizzes are also timed, which means you are advised to have notes or to have read the material to reduce flipping through pages to find the answers. Hence running out of time.
 - **Discussion board** – There are 2 discussion assignments throughout this course. They are worth 20 points each. To get full points on every discussion assignment **you must do all of the following:**
 - Post your initial response to the discussion prompt by **11:59 pm on Wednesday** of the week in which the discussion is listed.
 - Your initial post must be a true discussion of your understanding of the topic assignment and must be a **minimum of 7-10 sentences**.
 - **You must respond to at least TWO of your peers between Thursday and Sunday at 11:59 pm.** These responses must be a **minimum of 3-5 sentences each and must add to the discussion.** Though you are free to say things like “Interesting thought” or “Nice discussion,” these comments and those similar are **NOT** counted as part of the 3-5 sentences.
 - **NOTE: if you submit either your initial post or your response to two peers after the deadline, you will automatically receive a zero for the discussion assignment**
 - Proper grammar is expected. I highly recommend typing your thoughts and comments in a file on a word processing program and check for spelling and

grammatical errors. Then you should copy/paste your response in the discussion. Professionalism and professional presentation is an expectation and not an option. Points will be taken off for poor grammar/spelling errors.

- 2. Papers** – You will have two written assignments throughout the course on an assigned topic. Each paper is worth **35 points**. All assignments are 3-4 pages double-spaced. These papers are submitted via the dropbox in your eCollege course for the week they are due. **Late papers are not accepted.**

Do not submit them as an email. They must be a document with your last name as part of the file name and they must be a Word

document. You are required to use the template “Writing paper template” for every paper, changing the elements (but not the format) to fit your paper. The template is located in Doc Sharing. A grading rubric is supplied for each paper so you know exactly what you are being graded on. **Please copy and paste the rubric to the end of your paper so I may use that when grading your paper.**

3. **Topic Check-in** – There are 3 Topic Check-ins throughout this course and they are worth 10 points each. They require that you log in for that week and watch the assigned video. For credit (10 points), you must click into your Journal after viewing the video and **post a total of TWO paragraphs**. **Paragraph one** is a summary of what the video was about, and **Paragraph two** is a summary of your thoughts on what you saw. Be sure that you date your journal entry. The combined assignments are worth 30 points. These cannot be made up. They must be completed in the week they are assigned, or before. **Late posts will not count and will result in a zero for that Topic Check-in.** **Topic Check In assignments are to be posted in the “Journal” area of the course.** Remember to make sure you have Titled them: **Topic Check-In #1, #2, etc.** and that you complete the assignment prior to the **Sunday 11:59 pm deadline.**

Grading Scale

I DO NOT allow for Extra Credit. There are a number of opportunities for you to be successful in this course with an abundance of work. I strongly suggest you use a calendar to keep up with opening and closing dates for assignments. **Late assignments are NOT accepted.**

1. Quizzes (3 throughout the course) = 60 points total
2. Discussion board (2 throughout the course) = 40 points total
3. Written assignments (2 throughout the course) = 70 points total
4. Topic Check-in (3 throughout the course) = 30 points total

Grading and evaluation - Grades will be determined according to the following percentage points earned against possible points.

Evaluation for the course grade will be computed according to the following

formula: Possible Points Grade

200 to 180	A
179 to 160	B
159 to 140	C
139 to 120	D

Student Rights and Responsibilities

"Civility in face-to-face classrooms, online courses and in labs, internships, practicum and all other academic settings necessitate respect for the opinions of others and is very important in all academic settings. It is likely you may not agree with everything that happens or discussed in the academic setting; however, courteous behavior and responses are expected. To create a civil and preserve learning environment that optimizes teaching and learning, all participants share a responsibility in creating a civil and non-disruptive forum" (Student Guide Book, p 35). To create an optimum learning environment, students have rights and responsibilities.

Student Rights

As set forth in Texas A&M University System Policy 13.02

The rights of students are to be respected. These rights include respect for personal feelings; freedom from indignity of any type, freedom from control by any person except as may be in accord with published rules of the system academic institutions, and conditions allowing them to make the best use of their time and talents toward the objectives, which brought them to the system academic institutions. No officer [university faculty, employee] or student, regardless of position in rank, shall violate those rights, any custom, tradition or rule.

Students are expected at all times to recognize constituted authority, to conform to the ordinary rules of good conduct, to be truthful, to respect the rights of others, to protect private and public property, and to make the best use of their time toward an education.

Students with Disabilities

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation

requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Students Responsibilities

Class Attendance and Participation Policy

- Class participation has three components: (1) appropriate interactions with classmates; (2) active involvement in class activities and (3) attentiveness
- Students will attend class, reflecting responsibility, inherent in the development as a social work professional. Being on time and prepared when class begins and remaining present throughout the entire class meeting demonstrates emerging professional behavior expected in social work graduates. Roll is taken in each class to document students' attendance.
- Classroom exercises, discussions, role-plays, guest speakers and other in-class experimental exercises are essential for a student's professional learning and continued development of self-awareness. Tardiness (or early departure) of more than 15 minutes will count as one-half absence and two (2) times being late to class or two (2) early departures culminating into one absence.
- A student is absent if he/she arrives more than 30 minutes late to class, leaves 30 minutes early or does not come to class.
- The following penalties for absences (unexcused, or excused, according to university policy) will be administered:

<u>Weekly</u> <u>(class meets</u> <u>1X week)</u>	<u>Up to</u> <u>2 absences:</u> <u>No Penalty</u>	<u>3 absences: 1</u> <u>letter grade drop</u>	<u>4 absences: Class grade of "F"</u>	
<i>Bi-Weekly</i> <i>(class meets</i> <i>2X week)</i>	<i>Up to 3</i> <i>absences: No</i> <i>Penalty</i>	<i>4 absences: 1</i> <i>Letter grade drop</i>	<i>5 absences: 1</i> <i>Letter grade</i> <i>drop</i>	<i>6 absences:</i> <i>Class grade of</i> <i>"F"</i>
<i>Summer 10-week</i>	<i>Up to 1 absence:</i>	<i>2 Absences: 1</i>	<i>3 absences: Class grade of "F"</i>	

No Penalty

Letter grade drop

Online, Blended and Web Enhanced Classes: Just as students are required to attend face-to-face classes, students are required to log in and participate in online venues. To receive credit for attendance online via eCollege, students must log in and complete assignments as required in the course. Not logging onto eCollege (monitored by the instructor) and completing assignments online during the required time is the equivalent of an absence for each week this occurs.

Final Evaluation and Grade Depends on both Classroom attendance and Participation Inadequate participation or lack of required time commitment in each class significantly affects students' grades. No matter the course venue, students must engage in a comparable amount of time. Expectations of both Face-to-Face classes and those with Online components include time spent reading and studying course material.

Student Conduct

Students preparing to become professional social workers must adhere to the *University Code of Conduct, Department Code of Conduct and National Association of Social Workers' (NASW) Code of Ethics*.

University Code of Conduct located in the *Student Guide Book*

at <http://www.tamuc.edu/campuslife/documents/studentGuidebook.pdf> (pp 34- 66). On the University Website under Campus Life Documents

To become aware of University policies related to student academic and behavioral expectations for students refer to the Guidebook.

Department Code of Conduct

"Faculty have the authority to request students who exhibit inappropriate behavior to leave the class/lab/internship practicum or to block access to online courses and may refer offenses to the [Academic and Professional Issues Committee (API)] or to the Department Head. More serious offences by be referred to the University Police Department and/or the Judicial Affairs Office for disciplinary action" (Student Guidebook p 35)

Social Work students conduct themselves in an ethical and professional manner. Closely linked with professional recognition is the social worker's compliance with the profession's ethical standards. It is imperative for professional social workers to be competent and ethical in practice if the profession is to maintain the public trust. It is essential that each social work student gain a thorough understanding of the ethical principles that guide practice and actively demonstrate in behavior, both in and out of the classroom. Student conduct is to reflect the tenets of *NASW Code of Ethics* (located at <https://www.socialworkers.org/pubs/code/code.asp>) on the NASW website: <https://www.socialworkers.org>

Approved statement for inclusion in university publications (i.e. Syllabi, Faculty Handbook, Undergraduate and Graduate Catalog, Student Guidebook ...)

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products.
