Course Description:

This course is a study and application of technical writing documents, letters, manuals and reports. Emphasis is also placed on presentations, team building, employee training, interviewing, business etiquette and professionalism.

Student Learning Outcomes:

- Demonstrate how technical communications are critical in the workplace and to job success.
- Prepare an analysis of cultural effects in managing workplace communication.
- Construct, revise and edit documents, presentations, and visuals to make them more accessible, comprehensible, and usable.
- Apply strategies that experienced writers use to create definitions, technical descriptions, and process explanations.
- Prepare and compose correspondence using appropriate planning strategies, selecting appropriate content, and developing an appropriate organization of a document to make it legible, readable, and usable whether in oral communication, written correspondence, proposals, reports, instructions or manuals.

COURSE REQUIREMENTS

Technical Skills Needed: Student must be able to effectively use myLeo Online D2L, and Microsoft Office.

Instructional Methods: This course will be delivered fully online and will utilize the textbook, D2L, and other sources. Interaction with fellow students through assigned discussions is also required.

Tips for Success in the Course: Regularly log into the course, check your Leo e-mail, and read announcements. Do your work and be prepared to spend at least 5 hours per week in the course.

GRADING

Each student is required to submit Module Assignments, Discussion Boards, and Exams (myLeo Online). The assignments, discussion boards, and exams will coincide with the material covered in the text. Discussion boards require a minimum of one post and two replies to fellow students. Module assignments may include exercises, projects, and/or short quizzes. Further details will be given with each of the assignments within eCollege and MindTap.

Final grades in this course will be based on the following scale:

A = 90%-100%

B = 80%-89%

C = 70%-79%

D = 60%-69%

F = 59% or Below

Weight of assessments in calculation of final course grade:

Assignments	50%
Exams	30%
<u>Discussion Boards</u>	<u>20%</u>
Total	100%

Late work WILL NOT be accepted. Extra credit work will NOT be assigned so please do not ask.

**If you miss an assignment because you are in the hospital, please email me proof of admission and release. If you miss an assignment or quiz because of a death in the family, please email me a copy of the newspaper clipping stating you as the surviving spouse, parent, child, grandchild, or brother/sister.*

Module Assignments

Module assignments are to be submitted to the assignments folder by the due dates posted. Assignments will not be accepted as email attachments. Spelling, punctuation, and grammar errors will have a negative impact on your assignment grades.

Module Discussions

Discussion boards require a minimum of one post and two replies to fellow students. Discussions may be completed and submitted prior to the posted due date, but keep in mind that sufficient dialog must occur with fellow students. Spelling, punctuation, and grammar errors will have a negative impact on your assignment grades.

Professional Conduct

By enrolling in this course for academic credit, you agree to adhere to the Regulations and Procedures published in the TAMU-C STUDENT GUIDEBOOK:

<http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx>

COMMUNICATION & INTERACTION WITH INSTRUCTOR

This is an online course; therefore, expect most communication to be online as well. I will correspond with students via your university email (your “myLeo” mail) and via announcements in myLeo Online (D2L) and MindTap. Students are required to check university email daily.

All emails from students must include:

- **Course name and section in the subject line (TMGT 303)**
- **Salutation**
- **Student name and CWID in after body of email**
- **Proper email etiquette (no “text” emails – use proper grammar and punctuation)**

I will make every effort to respond to emails within 24 to 48 hours Monday-Friday, provided the correspondence follows the requirements listed above. If your correspondence falls over the weekend or some unforeseen circumstance occurs, it may be longer before you receive a reply.

In order to avoid duplication of questions and answers, if you have procedural or assignment related questions, you may post those in myLeo Online. It is likely that your peers will have the same question. Questions or concerns of a personal nature should be sent to my email address from your myLeo email account.

TECHNOLOGY REQUIREMENTS

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

Desktop Support

Browser	Supported Browser Version(s)	Maintenance Browser Version(s)
Microsoft® Edge	Latest	N/A
Microsoft® Internet Explorer®	N/A	11
Mozilla® Firefox®	Latest, ESR	N/A
Google® Chrome™	Latest	N/A
Apple® Safari®	Latest	N/A

Tablet and Mobile Support

Device	Operating System	Browser	Supported Browser Version(s)
Android™	Android 4.4+	Chrome	Latest
Apple	iOS®	Safari, Chrome	The current major version of iOS (the latest minor or point release of that major version) and the previous major version of iOS (the latest minor or point release of that major version). For example, as of June 7, 2017, D2L supports iOS 10.3.2 and iOS 9.3.5, but not iOS 10.2.1, 9.0.2, or any other version. Chrome: Latest version for the iOS browser.
Windows	Windows 10	Edge, Chrome, Firefox	Latest of all browsers, and Firefox ESR.

- You will need regular access to a computer with a broadband Internet connection. The minimum computer requirements are:
 - 512 MB of RAM, 1 GB or more preferred
 - Broadband connection required courses are heavily video intensive
 - Video display capable of high-color 16-bit display 1024 x 768 or higher resolution

- You must have a:
 - Sound card, which is usually integrated into your desktop or laptop computer
 - Speakers or headphones.
 - *For courses utilizing video-conferencing tools and/or an online proctoring solution, a webcam and microphone are required.
- Both versions of Java (32 bit and 64 bit) must be installed and up to date on your machine. At a minimum Java 7, update 51, is required to support the learning management system. The most current version of Java can be downloaded at: [JAVA web site](http://www.java.com/en/download/manual.jsp)
<http://www.java.com/en/download/manual.jsp>
- Current anti-virus software must be installed and kept up to date.

Running the browser check will ensure your internet browser is supported.

Pop-ups are allowed.

JavaScript is enabled.

Cookies are enabled.

- You will need some additional free software (plug-ins) for enhanced web browsing. Ensure that you download the free versions of the following software:
 - [Adobe Reader](https://get.adobe.com/reader/) <https://get.adobe.com/reader/>

Microsoft Word is the standard word processing software, Microsoft Excel is the standard spreadsheet software, and Microsoft PowerPoint is the standard presentation software. Copying and pasting, along with attaching/uploading documents for assignment submission, will also be required. If you do not have Microsoft Office, you can check with the bookstore to see if they have any student copies.

ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

Texas A&M University-Commerce will not condone plagiarism in any form. Plagiarism represents disregard for academic standards and is strictly against University policy. Plagiarized work can result in a "0" on a given assignment(s) or an "F" for the course as well as further administrative sanctions permitted under University policy.

Guidelines for properly quoting someone else's writings and the proper citing of sources can be found in the APA Publication Manual and through online resources provided. If you have difficulty summarizing or documenting sources, contact your professor for assistance.

The instructor reserves the right to manage a positive learning environment and thus will not tolerate inappropriate conduct in the course. Students must contribute appropriately to the class, and must maintain a professional level of respect when interacting with other students and the instructor.

Rude correspondence (discourteous, impolite, or threatening) in emails, telephone calls, postings to discussions boards or assignment submission folders, in person, to the instructor, or the BAAS office staff will reduce the student's semester grade by 10 points for the first offense and an 'F' in the course for the second offense along with a referral to the Dean of Student Services for dismissal from the University. Written documentation for any offense will be placed in the student's folder in the Applied Science office as documentation for removal from the BAAS program and or TAMU-C. Many of the topics discussed in this course may be of a sensitive nature. Please be considerate of other classmate's feelings, ethnic background, cultural differences, situation, and level of maturity. In other words, keep it professional.

Assignments, discussions and exams must be submitted by the due dates stated. See the "Grading" section of the syllabus for more detail.

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

University Specific Procedures

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](#).
