COURSE REQUIREMENTS

Minimal Technical Skills Needed

You must be proficient in navigating myleoonline.tamuc.edu, using Microsoft Word and PowerPoint, e-mailing your instructor, and opening .pdf documents.

Instructional Methods

You will be required to read the book chapters, supplemental reading material, and instructional PowerPoint slides. Quizzes and exams will cover the material presented to you via myleoonline.tamuc.edu, and information in the text.

Student Responsibilities or Tips for Success in the Course

To be successful in the course, students must complete all tests and assignments on the date they are due. Thus, you, the student, are responsible for keeping track of due dates. You will also be responsible for having access to secure and reliable internet service. The successful student will arrange to complete and submit required work well before the due date to avoid connectivity issues. Always have a “plan B.”

GRADING

Final grades in this course will be based on the following scale:

A = 90%-100% \geq 360 pts

B = 80%-89% = 320–359 pts

C = 70%-79% = 280–319 pts

D = 60%-69% = 240–279 pts

F = 59% or below \leq 239 pts

Assessments

Exam 1: 100 pts

Exam 2: 100 pts

Final Exam: 100 pts

Quizzes: 100 pts

Exams: There will be 2 sub term tests and a final, each based on multiple chapters and including material from the textbook and PowerPoint slides. These tests will consist of 50 questions. You will be able to take the test any time during the day that it is assigned. However, you should ensure you have ample time to take the test before midnight.

Quizzes: For each chapter there will be a quiz based on material in the textbook and PowerPoint slides. The quiz will be composed of 10 questions and will be times. You will be able to take the quiz anytime during the day that it is assigned. However, you should ensure you have ample time to take the test before midnight.

The syllabus/schedule are subject to change.

TECHNOLOGY REQUIREMENTS

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.
