Each competency (outlined above) describes the knowledge, values, skills and cognitive and affective processes that comprise competency at the Advanced Generalist Practice (AGP) level. While content and activities of each course in the MSW curriculum covertly or overtly addresses each of the nine competencies, identified within each course is a set of specific practice behaviors representing observable components of one or more competencies. Associated competency(s) and practice behaviors assessed in this course are outlined on the field learning contract.

## **Texts and Associated Materials**

**Required Texts:** None required

**Required Software:** TK20: Social Work Package (students in last field practicum are exempt)

## **Overview of Course**

### **Field Practicum Seminar:**

A Faculty Field Liaison conducts the field practicum seminars. The function of the Faculty Field Liaison is to monitor and evaluate the progress of the student in the field practicum, assist the student in integration of classroom learning and application of field practicum of content.

For students in their first semester at a field agency, the Faculty Field Liaison will visit the student's field practicum agency a minimum of two times during the semester, or as needed on problematic issues. For students in their second or final semester in the field agency, the Faculty Field Liaison will make a minimum of 2 contacts with the agency field instructor, at least one of which is at the field practicum agency, or as needed.

All students enrolled in the field practicum are required to meet with the faculty field liaison and other students in a seminar meeting scheduled one time a week. The Faculty Field Liaison develops seminar format.

## **Seminar Purpose**

To provide orientation to field practicum expectations and record keeping

To provide opportunity for students to raise and share questions regarding the field practicum, assignments, or expectations

To provide opportunity for students to share with other students their learning experience in the field practicum; to begin the practice of peer consultation on professional problem solving; and to offer support and input to fellow students.

## **Learning Contract**

Students will complete a learning contract during their first advance practicum semester. The learning contract may be edited at the beginning of each following semester to reflect planned tasks. The requirements and time frames for documentation of assigned field activities will be presented in the seminar, by the Faculty Liaison. The documentation must be available for the Faculty Liaison to review at the mid-term and final evaluation.

There are two written evaluations of student progress in the field practicum. Through the use of the evaluation component on the learning contract the field instructor completes a mid-term and final evaluation of the student's progress.

## **Grading Scale**

The Faculty Field Liaison assigns the final grade for the student in the field practicum. Student grades reflect the recommendation of the field practicum instructor (the agency-based field instructor) as well as the direct observations of the faculty field liaison, and the student's efforts and level of task completions.

**Grades below B are not acceptable. If a student earns a grade below B, she or she must repeat the course.**

# Student Rights and Responsibilities

---

"Civility in face-to-face classrooms, online courses and in labs, internships, practicum and all other academic settings necessitate respect for the opinions of others and is very important in all academic settings. It is likely you may not agree with everything that happens or discussed in the academic setting; however, courteous behavior and responses are expected. To create a civil and preserve learning environment that optimizes teaching and learning, all participants share a responsibility in creating a civil and non-disruptive forum" (Student Guide Book, p 35). To create an optimum learning environment, students have rights and responsibilities.

## **Student Rights**

As set forth in Texas A&M University System Policy 13.02

The rights of students are to be respected. These rights include respect for personal feelings; freedom from indignity of any type, freedom from control by any person except as may be in accord with published rules of the system academic institutions, and conditions allowing them to make the best use of their time and talents toward the objectives, which brought them to the system academic institutions. No officer [university faculty, employee] or student, regardless of position in rank, shall violate those rights, any custom, tradition or rule in conflict will be allowed to prevail.

Students are expected at all times to recognize constituted authority, to conform to the ordinary rules of good conduct, to be truthful, to respect the rights of others, to protect private and public property, and to make the best use of their time toward an education.

## Students with Disabilities

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

## Students Responsibilities

### Class Attendance and Participation Policy

- Class participation has three components: (1) appropriate interactions with classmates; (2) active involvement in class activities and (3) attentiveness
- Students will attend class, reflecting responsibility, inherent in the development as a social work professional. Being on time and prepared when class begins and remaining present throughout the entire class meeting demonstrates emerging professional behavior expected in social work graduates. Roll is taken in each class to document students' attendance.
- Classroom exercises, discussions, role-plays, guest speakers and other in-class experimental exercises are essential for a student's professional learning and continued development of self-awareness. Tardiness (or early departure) of more than 15 minutes will count as one-half absence and two (2) times being late to class or two (2) early departures culminating into one absence.
- A student is absent if he/she arrives more than 30 minutes late to class, leaves 30 minutes early or does not come to class.
- The following penalties for absences (unexcused, or excused, according to university policy) will be administered:

<b><u>Weekly</u> (class meets 1X week)</b>	<u>Up to 2 absences: No Penalty</u>	<u>3 absences: 1 letter grade drop</u>	<u>4 absences: Class grade of "F"</u>
<b><i>Bi-Weekly</i> (class meets 2X week)</b>	<i>Up to 3 absences: No Penalty</i>	<i>4 absences: 1 Letter grade drop</i>	<i>5 absences: 1 Letter grade drop</i> <i>6 absences: Class grade of "F"</i>
<b><i>Summer 10-week</i></b>	<i>Up to 1 absence: No Penalty</i>	<i>2 Absences: 1 Letter grade drop</i>	<i>3 absences: Class grade of "F"</i>

Online, Blended and Web Enhanced Classes: Just as students are required to attend face-to-face classes, students are required to log in and participate in online venues. To receive credit for attendance online via eCollege, students must log in and complete assignments as required in the course. Not logging onto eCollege (monitored by the

instructor) and completing assignments online during the required time is the equivalent of an absence for each week this occurs.

*Final Evaluation and Grade Depends on both Classroom attendance and Participation*

Inadequate participation or lack of required time commitment in each class significantly affects students' grades. No matter the course venue, students must engage in a comparable amount of time. Expectations of both Face-to-Face classes and those with Online components include time spent reading and studying course material.

### **Student Conduct**

Students preparing to become professional social workers must adhere to the *University Code of Conduct, Department Code of Conduct and National Association of Social Workers' (NASW) Code of Ethics*.

**University Code of Conduct** located in the *Student Guide Book* at

<http://www.tamuc.edu/campuslife/documents/studentGuidebook.pdf> (pp 34- 66). On the University Website under Campus Life Documents

To become aware of University policies related to student academic and behavioral expectations for students refer to the Guidebook.

### **Department Code of Conduct**

*"Faculty have the authority to request students who exhibit inappropriate behavior to leave the class/lab/internship practicum or to block access to online courses and may refer offenses to the [Academic and Professional Issues Committee (API)] or to the Department Head. More serious offences by be referred to the University Police Department and/or the Judicial Affairs Office for disciplinary action" (Student Guidebook p 35)*

Social Work students conduct themselves in an ethical and professional manner.

Closely linked with professional recognition is the social worker's compliance with the profession's ethical standards. It is imperative for professional social workers to be competent and ethical in practice if the profession is to maintain the public trust. It is

essential that each social work student gain a thorough understanding of the ethical principles that guide practice and actively demonstrate in behavior, both in and out of the classroom. Student conduct is to reflect the tenets of *NASW Code of Ethics* (located at <https://www.socialworkers.org/pubs/code/code.asp> ) on the NASW website: <https://www.socialworkers.org>

### **Campus Concealed Carry**

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to (<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudents/34.06.02.R1.pdf>) and/or consult your event organizer). Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

### **Plagiarism and Academic Dishonesty**

There is an expectation of maintaining high standards of integrity and honesty by all Social Work Graduate students at Texas A&M University-Commerce. Faculty and staff are expected to uphold and support student integrity and honesty by maintaining conditions that encourage and enforce academic honesty. *Conduct that violates generally accepted standards of academic honesty is academic dishonesty.*

The School of Social Work follows University Procedure 13.99.99.R0.10 Graduate Student Academic Dishonesty (available at <http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/13students/graduate/13.99.99.R0.10GraduateStudentAcademicDishonesty.pdf> )

Students are expected to read and understand the University's Academic Dishonesty Policy

The Office of the Provost documents and maintains a record of all incidents of academic dishonesty. Multiple incidents of academic dishonesty will result in a student's dismissal from the program and from the University.

*A student who fails to meet the professional expectation of the field for which he/she is preparing may be suspended from further study in that program by the department administering the program (Graduate School Catalog p 36)*

## **TECHNOLOGY REQUIREMENTS**

### **Browser support**

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products.
