Student Responsibilities or Tips for Success in the Course

Attendance: As the instructor of this section, I allow students to attend class at their own discretion, but students should keep in mind that some assignments are in-class only and will not be eligible for make-up if missed. It is your responsibility to come to class prepared for lecture. If you miss a class it is your responsibility to gather class notes from a classmate. I do take roll (via seating chart) and if you are in class but not PRESENT, *i.e. on your phone or other device*, you will be counted absent for the day.

Electronics Policy: Our class is a time for learning and discussion. Cell phones and other devices should be turned off during class – unless otherwise specified for an in-class activity. Airplane mode is preferred. If you are using a laptop/tablet, it should be used solely for note taking. If I feel you are using your devices for something other than taking notes you will be asked to power the device down.

Student Behavior: Behavior which may result in your being asked to leave my class includes, but is not limited to: sleeping, talking during lectures, movies or clips, text messaging, gaming, playing with your phone, using electronic devices other than for specified activities, and working on another course's work/homework during my class.

Expectations for Out-of-Class Study: Beyond the time required to attend each class meeting, students enrolled in this course should expect to spend at least an additional 9 hours per week of their own time in course-related activities, including reading required materials, completing assignments, preparing for exams, etc.

Interaction with Professor Statement

Students are encouraged to contact the professor for any reason whatsoever. The more you let me know what is going on with you, the better I can help you out when necessary. Beyond the classroom, the best way to get in touch with me is through TAMUC email. I am also available during my office hours. Please come to talk to me about any concerns you might have and about any problems or issues that arise during the semester.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Classroom Behavior

All students are expected to observe basic tenets of common decency and acceptable behavior conducive to a positive learning environment (See Student's Guide Handbook, Policies and Procedures, Conduct). During class time, I expect college-level professionalism & course engagement. This means turning off cell phones, and other devices, and putting away any other forms of distraction, for the duration of the class period (exceptions will be allowed for emergencies with advance permission of the professor).

Please come to class on time and plan to stay for the entire period. Coming late and/or disrupting the learning environment shows disrespect for me, your colleagues, and the educational endeavor in which you are engaged. If you must leave early, please let me know at the beginning of class. I encourage you to come to my office hours, to get to know me, and to keep me informed of any issues you might have that would affect your performance in this class (see above statement on Interaction with Professor).

Late Papers

All written assignments are due as indicated in this syllabus. Late assignments may be accepted only with the advance approval of the professor and may be assessed a penalty. If you have a problem with a due, please notify the professor in advance or plan to turn the assignment in early. I can be very understanding and flexible with you, but only if you come to talk to me in advance. To pass this class, all assignments must be completed. Any missing assignments at the end of the course will be given a grade of zero (0).

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.
