You will need:

- Flash drive or other means (dropbox.com account, for example) of storing digital versions of the essays and other written material you generate (always, always keep a backup of everything you turn in!)
- A valid, working email address that you check often (everyday). I will email the class through D2L, so be sure that that email is the one you check.

## **Student Responsibilities or Tips for Success in the Course**

It is expected that you will participate in Top Hat every week, usually on multiple occasions. Students in “B” blended courses are expected to be in class OR complete their work remotely in the allotted time frame. All students should check their email daily
