**Tips for Success in the Course:** Regularly log into the course, check your e-mail, and read announcements. Do your work and be prepared to spend 5 – 10 hours per week in the course.

<b>GRADING</b>
----------------

A = 90%-100%  
B = 80%-89%  
C = 70%-79%  
D = 60%-69%  
F = 59% or below

**National Society of Leadership and Success: 44%** Students **will be required to join and participate in this organization**. There is a one-time registration fee of \$95 that includes all membership benefits, partner discounts, and a lifetime membership. ***Please do not attempt to join the organization until prompted by me to do so.***

**Book Summary/Review: 15%** Students are required to read the assigned book and write a book summary/review. Please see D2L for more details. **See the course calendar located at the end of the syllabus for due dates.**

**Article Summary: 12%** There will be two article summaries each worth 6% of your grade. Please see D2L for more details. **See the course calendar located at the end of the syllabus for due dates.**

**Discussion Board: 25%** Each article and the book will have a discussion area in which you will be required to discuss the various topics I have posted. Each student is required to post and reply to every topic for full credit. Please note that there is more than one topic per article/book. Merely making a post to the topic will not ensure full credit. You must DISCUSS the topic, which, at the **very least**, requires **a post and four responses** to each topic under the given article/book. **So, if an article has three topics, you will have 15 posts/replies to that particular article.** I also expect that your discussion posts and replies will take place **throughout the time open** (in other words, don't make all your posts on one day). Please see the discussion grading rubric in doc sharing. Discussions will be graded on content and quality. I'm not grading you on length; however, one word posts will get you nothing. I want to see that you are actively participating and actually thinking about your posts and responses. Remember, for a discussion to take place, you must make posts as well as responses to each topic! I also expect the grammar, spelling, punctuation, and capitalization to be that of a college educated person. I do not want to see posts that look as if you are text messaging your best friend. **Discussions for the book and each article will close on the Due Date listed for that particular assignment! Please see the course calendar located at the end of the syllabus for due dates.**

**Syllabus and Calendar Quiz: 4%** Students will be required to take one quiz covering material found in the syllabus, calendar, and grading rubrics. **Please see the course calendar located at the end of the syllabus for due dates.**

**NOTE: I will count off one letter grade for each day an assignment is late. Quizzes and discussion posts will not be accepted late.**

**\*If you miss an assignment because you are in the hospital, please email a copy of the admission and release forms with dates. If you miss an assignment or quiz because of a death in the family, please email a copy of the newspaper clipping stating you as the surviving spouse, parent, child, grandchild, or brother/sister.**

**Extra credit work will NOT be assigned so please do not ask.**
