TECHNOLOGY REQUIREMENTS

Working email requirement: It is a course expectation that you have a working email address that you check daily. If you have not already acquired an email address through the university or otherwise, please make arrangements to do so before the next class meeting.

Written Work: There will a couple of papers due this semester. Please save your written work until the end of the semester. Also please save your work to a drive of some kind as work can be lost and you should not anticipate anything you save to a university computer to stay there.

COMMUNICATION AND SUPPORT**Interaction with Instructor Statement:**

If at any time during this course you are in need of further explanation or should need to speak with me about the course or its outcomes, please see me in my office during office hours or schedule an appointment. I am also available by email. Please communicate, I can't help if I don't know there's an issue or a question.

Email Policy:

Before sending me an email with a general course-specific question, **review your syllabus/look at the handouts/check myLeo Online/ask a classmate first**. If your question has already been addressed in one of those places, then you will have the answer you need. If your question does not exist, please feel free to email me.

When emailing me: Please make your emails clear and concise, written with proper grammar in order to assure my earliest attention. In addition, please follow some common "email etiquette" procedures in order to keep our electronic communication effective and efficient. Specifically:

- Write a relevant subject line (e.g., "Costume Design question," or "THE 516 meeting request")
- Address me by name (ie: "Dear Professor Williams" or "Hi Andrea" or just "Andrea")
- Bonus: "meaningless niceties" are never a bad idea!
- Concisely state what it is you need. If it can't be communicated in a concise manner, perhaps request an appointment. **If requesting an appointment**, give me times that you are available **in the initial email!!!** My office hours are listed on this syllabus.
- Use a "sign-off" ("Thank you" is always good) and **sign your name**.

Not following these guidelines potentially puts you at the bottom of my list for response time.
