Preferred Form of Communication: email

Any question, let's have a virtual meet at any time.

- **E-mail:** Students must routinely check e-mail sent to his or her **Texas A&M-Commerce account**. This is my primary mechanism for communicating to the class. I check my e-mail every day frequently, so this is the best way to reach me.

Please follow the University's commitment to social distancing and use of face coverings to keep the campus community safe.

"A&M-Commerce requires the use of face-coverings in all instructional and research classrooms/laboratories. Exceptions may be made by faculty where warranted. Faculty have management over their classrooms. Students not using face-coverings can be required to leave class. Repetitive refusal to comply can be reported to the Office of Students' Rights and Responsibilities as a violation of the student Code of Conduct. Textbook(s) Required: *Marketing, 3rd Edition by Shane Hunt, John Mello, and George Deitz (McGraw Hill).*

The syllabus/schedule are subject to change.

All sections of MKT 306 are Inclusive Access. This means that the eBook and homework package are already incorporated into the course website and will be billed along with your course tuition. You will access the homework directly from the D2L course website. The price for the book and homework is around \$100, which is substantially less than the cost of the homework access code from other sources, and is about \$100 less than the previous cost of the package.

You may opt out of the inclusive access but your cost will likely be higher than the savings provided by Inclusive Access. If you want a paper copy (loose leaf) of the textbook in addition to the eBook, you can obtain it for an additional fee (around \$30) through the campus bookstore.

D2L Live Chats (30 points)

Exams: (45% of total course grade) (SLO 1)

Closed book exams will cover the required textbook reading and the content of the online lectures. Complete the exams online by accessing the D2L quiz tool. The

The syllabus/schedule are subject to change.

exams will be timed and grades made available to students following the submission of the exam. If you lose Internet connectivity during the exam, log back in immediately and continue with the exam. Save your answers often (every 5-10 minutes). If you experience any issues while taking the exam, you must contact the Helpdesk immediately so that your issue is documented with a helpdesk ticket number. Considerations regarding exam issues will be made by the instructor on an individual basis based on the documentation.

Exams consist of 75 multiple-choice questions (worth 150 points each), with 120 minutes allowed to complete each exam. I will open the exam at 7 am on the assigned days, and close it at 11:30 pm. Exams are closed book and individual. That means using your book or notes, or working with another student is considered cheating and is grounds for an F in the course. Exam I (CH 1-5) is from September 21-24; Exam II (CH 6-10) is from October 23-27. The final exam (CH 11-16) is from December 2-6. Grading is objective, based on terms, concepts and examples in the textbook.

Connect Interactive Assignments (10% of total course grade)

I'll assign interactive exercises for each chapter in the textbook. You will log into assignments through D2L under the section for Interactive. You will be allowed 2 attempts at the assignment, which must be completed before a deadline. Grades for the 16 assignments will be averaged (dropping the lowest score), and are worth 10% of your grade. I strongly recommend that you read the chapter first, and then review the PowerPoint presentation before you attempt the assignment.

LearnSmart Adaptive Learning System (10% of total course grade)

For every chapter in the textbook, you are required to spend a minimum of 30 minutes using LearnSmart. These practice questions will give you immediate feedback on what you have learned from reading and lectures, and will also strengthen memory recall, improve course retention and boost grades. If you spend less than 30 minutes answering questions for a chapter, or if you only answer a very few questions in the time allotted, your points will be reduced.

Assessment Method: Both Interactive and LearnSmart will be objective-formatted questions. Your points are weighted to equal 10% of your total grade or 100 pts each. I will enter the comprehensive grades for both Connect Interactive and LearnSmart assignments into the gradebook at the end of fall semester, no individual grade for each chapter.

Please note that No any late work for Connect Interactive and LearnSmart assignments are acceptable.

Assignments (30% of total course grade)

The syllabus/schedule are subject to change.

An important part of this course is applying what you have learned to real examples. You will apply marketing concepts to yourselves to create a marketing plan that describes your target market for future employment, likely competition, major selling points, and a marketing mix to market your personal brand (including a resume). The **Personal Branding assignment** (due Thursday, October 15) is **worth 100 points or 10% of your grade. SLO 2**

IMPORTANT: turnitin.com will be used to check the submitted papers. **No paper will be accepted for grading if the turnitin.com percentage is greater than 30%. For a grade “A” project, its turnitin must be less than 10%. Paper must be in a good writing (without major grammar errors), good transition, good structure, readable, and convincing. All works must be completed on time. Late works will not be acceptable.**

The **team project, worth 20%**, will begin mid-semester after you have completed the individual branding assignment. You need to find the best-match team members by yourselves. **Each team can have 1- 6 members.** If you cannot find any team member, you need to work the team project by yourself. Your team will choose a brand from the assignment list and research the current competitive situation and marketing efforts of your brand. Based on what you have learned, the team will then expand the product or service to a new market segment, or create a new variation of the product or service to develop objectives and a new marketing mix. **Required at least EIGHT pages’ full content with double-spaced. Please follow the detailed marketing plan structure exactly (listed in the following table) to write your marketing plan paper.** One member will submit the group paper (in its entirety) to the Dropbox with all names alphabetically in the paper. The due date for team project is December 11, 2020.

IMPORTANT: turnitin.com will be used to check the submitted papers. **No paper will be accepted for grading if the turnitin.com percentage is greater than 30%. For a grade “A” project, its turnitin must be less than 10%. Paper must be in a good writing (without major grammar errors), good transition, good structure, readable, and convincing. All works must be completed on time. Late works will not be acceptable.**

Each team member should contribute to the team project equally. If half of your team members complain about your contribution, your grade will be deducted at least 30 points. If you satisfy with your team member performance, no any evaluation is needed.
