- 2. Analyze and critically evaluate scientific literature.
- 3. Design and compose a research proposal.
- 4. Evaluate a classmate's research proposal.
- 5. Analyze and present current issues in exercise science.

### Career Development portion:

- 6. Develop a resume.
- 7. Prepare for job interviews.
- 8. Create a Linked-In profile.

# COURSE REQUIREMENTS

## **Required Materials**

- Computer/laptop and a reliable internet connection.
- Microsoft Office (Powerpoint and Word)
  - TAMUC provides MS Office 365 for free (<u>http://www.tamuc.edu/facultyStaffServices/academictechnology/ documents/Office-365-Students.pdf</u>)
- Required readings and videos will be provided by the instructor via D2L.
- Peer-reviewed journal articles of the student's choice

# **Minimal Technical Skills Needed**

Using the learning management system D2L, navigating the TAMUC Gee library databases, using computer software (e.g., Microsoft Word and PowerPoint, Adobe Acrobat).

### **Instructional Methods**

This course is divided into two (2) different sections: a research portion and a career development portion. The overall goals of the research portion are to write a research proposal and give a research presentation by the end of the semester. The goal of the career development portion is to prepare you for the job search now and after you graduate. All assignments along the way will help you achieve those goals. Content delivery will include videos, websites, worksheets, and other (downloadable) documents. The specific content has been chosen to help you understand the material and then be able to apply it and demonstrate mastery of the various skills.

# Student Responsibilities or Tips for Success in the Course

This is a capstone research course. Students are expected to independently research a topic of their choosing and write a comprehensive research proposal. The time required for this research process will be much greater than that for the content lectures. Time management will be critical for a successful completion of the course.

Students are responsible for submitting all assignments by the respective deadlines, which are listed at the end of this syllabus and on the course website. Late work may be penalized.

# GRADING

Final grades in this course will be based on the following scale:

A = 90%-100% B = 80%-89%

C = 70%-79%

- D = 60%-69%
- F = 59% or Below

Quizzes	10%
Annotated Bibliography 1 & 2	10%
Research Proposal	20%
Peer-Review & Edits	10%
Current Issue Presentation	10%
Resume	10%
Job Interview	10%
Linked-In Profile	10%
Interview with Professional	8%
Exit Survey	2%
Total:	100%

### Assessments

All assignments are due via D2L on Sundays 11:59pm, find all due dates at the end of this syllabus and on the course website.

### Research Assignments:

#### 1. Quizzes

Quizzes are timed, so know and understand the material BEFORE you begin each quiz.

### 2. Annotated Bibliography 1 and 2

The annotated bibliography will help you prepare for writing the research proposal (see below). There are two due dates (1 and 2): part 1 has to include at least 8 sources, part 2 an additional 8 (for a total of at least 16 sources). Most (if not all) of the sources listed in the bibliography should be included in the final research proposal document.

### 3. Research Proposal

You will write an independent research proposal which includes three sections: introduction, literature review, and methods. Double-spaced, 12 point font. 1" margins. Each section of the research proposal must be submitted by the respective due dates. Each submission will be checked for potential plagiarism via TurnItIn. The topic must be approved by the professor via email.

### 4. Peer-Review and Edits of Research Proposal

Each section of the research proposal will be randomly assigned to another student for peer-review. The reviewer will thoroughly read the paper and provide constructive criticism to the author to improve the paper via a provided worksheet. The author is expected to use the provided feedback to edit their work for the final submission.

### 5. Research Proposal Presentation

You will create a 10-15 minute presentation of your research proposal. The presentation has to include an introduction to the topic, the objective and

hypothesis, a short literature review, and methods. Make sure to include citations and references.

#### Career Development Assignments:

#### 1. Resume

You will prepare a 1-page professional resume. There are two due dates: Due date #1 - Resume for consultation: Prepare your resume using Microsoft Word and upload it to D2L. You will receive direct feedback from one of the specialists at the Career Development Center. The specialist's name and contact info will be provided in D2L. You may also schedule an in-person meeting with them for an in-depth 30 minute consultation. Due date #2 - Resume for scoring: Submit the edited resume to D2L for scoring.

### 2. Linked-In Profile

You will create a professional Linked-In profile. The profile must consist of the following sections (you may add more!):

- 1) An appropriate, professional photo (10 pts)
- 2) An informative profile headline (10 pts)
- 3) A concise and informative summary (10 pts)
- 4) Education (college and/or university degrees only) (10 pts)
- 5) Work experience (10 pts)
- 6) Accomplishments (e.g., Honors & Awards, Organizations, Languages, Certifications) (10 pts per category, up to 30 pts)
- 7) Skills (10 pts)
- 8) Network! (0.5 pts per connection, up to 10 pts)

Find my profile and send me a connection request.

#### 3. Mock Job Interviews

You will prepare for future job interviews by answering common interview questions via 1) a phone interview and 2) a virtual interview. Both interviews will be conducted by a professional at the Career Development Center. You are responsible for scheduling and completing the interviews by the respective due dates. You are encouraged to practice answering the questions via <u>www.tamuc.biginterview.com</u>.

#### 4. Interview with a Professional

You will conduct an interview with a professional in your field of interest. It is your responsibility to make an appointment with the professional, ask thoughtful questions, and write a 2-3 page summary/reflection. Interview questions can include their education, job history, daily schedule, pros/cons of their job, etc. Include why you chose to interview this individual.

### 5. Exit Survey

Follow the link provided in D2L and complete the exit survey.

# **TECHNOLOGY REQUIREMENTS**

### LMS

All course sections offered by Texas A&M University-Commerce have a corresponding course shell in the myLeo Online Learning Management System (LMS). Below are technical requirements

LMS Requirements: <u>https://community.brightspace.com/s/article/Brightspace-Platform-Requirements</u> LMS Browser Support: <u>https://documentation.brightspace.com/EN/brightspace/requirements/all/browser\_support.htm</u> YouSeeU Virtual Classroom Requirements: <u>https://support.youseeu.com/hc/en-us/articles/115007031107-Basic-System-Requirements</u>

# ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or <u>helpdesk@tamuc.edu</u>.

**Note:** Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

# COMMUNICATION AND SUPPORT

If you have any questions or are having difficulties with the course material, please contact your Instructor.

### **Technical Support**

If you are having technical difficulty with any part of Brightspace, please contact Brightspace Technical Support at 1-877-325-7778. Other support options can be found here: <u>https://community.brightspace.com/support/s/contactsupport</u>

### Interaction with Instructor Statement

Most communication will be via the D2L or email. For questions via email, I will likely reply within 1 business day. In most cases, feedback on assessments will be provided within 2 weeks of each deadline.

# COURSE AND UNIVERSITY PROCEDURES/POLICIES

### **Course Specific Procedures/Policies**

You are encouraged to submit any assignment early; however, assignments may not be scored before each corresponding due date. It is important to stay on track with the assignments for the research proposal, so late submissions may receive a 10% penalty per day late, unless communicated with the instructor ahead of time (at least 2 days in advance of the respective due date).

## Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as a pandemic or student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

# **University Specific Procedures**

### **Student Conduct**

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the <u>Student Guidebook</u>. <u>http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.as</u> <u>px</u>

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum: https://www.britannica.com/topic/netiquette
