## **COURSE AND UNIVERSITY PROCEDURES/POLICIES**

### **Course Specific Procedures/Policies**

- Make-up exams: If a student misses an exam, that student will receive a grade of 0 for the exam. Make-up exams will only be granted at the discretion of the instructor. Any request for a make-up exam must be made in writing and include documentation explaining why the absence was legitimate. Such a request must be received within 3 calendar days of the missed exam date, unless the student is physically unable to submit such a request. Legitimate reasons may include illness severe enough to require professional treatment, death of an immediate family member, participation in University activities, and legal obligations. Technical problems with accessing the course are not a valid excuse for missing an exam unless it can be shown that the problem is the fault of the myLeo Online platform. Students who miss any exam because they forgot about the exam dates/times will not receive a make-up exam. Please note, these reasons do not guarantee that a make-up exam will be given. Make-up exams will be exclusively essay format.
- Incompletes will be granted completely at the discretion of the instructor and only be granted in the case of serious medical illness or other serious, unavoidable circumstances and only if the students has completed at least 70% of the course work. Incompletes must be finished within two weeks of the end of the semester.
