

**Design IV****Tues 6:30-10:30****David Beck****Geoff German****Donna Aldridge****Course Content**

This course will strengthen the practice of creative methodologies and expand upon the skill set of communication design through the creation of environmental, print, and digital media. We will address research, targeting and positioning, creative process, creative problem solving as well as formal and aesthetic design issues. Thumbnail ideation, creative sessions, critiques, and computer generated solutions will be explored through weekly assignments.

**Course Outcomes**

- Gain an understanding of communication in the built environment and how design experiences can connect people to place.
- Expand upon the knowledge of cohesive branding in print and digital media.
- Strengthen conceptual thinking in communication design.
- Build upon understanding of professional expectations, presentations and processes.
- Apply a concept through a multipage artifact.

**Class Parameters**

Class meetings, discussion and instruction will take place face to face, with the exception of two weeks. Class and critique participation are part of the course grade. Engaging in class through discussion, thoughtful questions and observations are part of the learning experience.

You will need to incorporate checking your email with the frequency equal to your social media interaction, adding notifications for email receipts from the instructor is suggested.

The class will manage projects via D2L within MyLeo. Chrome works best.

**Project Parameters**

- You are expected to work in class as well as perform work outside of class.
- You are expected to come to class prepared to work on the current assignment. This includes but is not limited to remembering the project supplies needed. Not being able to make progress during class due to lack of materials will be reflected in your grade.
- All projects are given with weekly steps to be accomplished by the beginning of the next class meeting.
- Mini-deadlines are part of the overall assignment and play a major role in the final grade of your projects.
- You will be required throughout the semester to print your assignments in color and purchase items to create assignment comps. Please budget accordingly. Projects must be comped in color to be considered complete.
- All work is due on the assigned date. Projects are due at the beginning of class. For a project to be considered complete, the specified electronic portion must be placed, as directed, onto the common drive and a hard copy turned in, as specified in the assignment sheet. Late work is not accepted.

**Design IV****Tues 6:30-10:30****David Beck****Geoff German****Donna Aldridge****Critique**

When presenting multiple solutions, please combine concepts into one pdf containing multiple pages. Multiple single page pdf's will not be accepted.

When presenting pencils, students who don't have access to a scanner can use any free phone scanning app, such as Adobe scan. Make sure that the image has enough contrast to be seen online. This can be done in the app software or with Photoshop. The goal is to provide an image that can receive a response.

Each student will have a pdf of their assignment uploaded to D2L as well as accessible on their machine for critique. In some cases, students will be directed to have their work open in a specific software for critique allowing for screen sharing and immediate feedback application.

Critique format will be determined by project need.

**Instructor contact and response time**

David.Beck@tamuc.edu, Geoff.German@tamuc.edu or Donna.Aldridge@tamuc.edu

Please contact Christi: Christi.Spruill@tamuc.edu with any questions.

Appointments will be handled via Zoom.

Communication from students will be responded to within a reasonable time during the work week.

Weekend communication will be handled the next business day, unless noted. Due to the high volume of email that is received, an important message may be missed. If an important email has not been responded to within 2 days, please send again.

Please use your university email as your primary source of contact. If your email is more than a short paragraph, please consider making a Zoom appointment.

**Attendance**

FIRST ABSENCE: The student will receive an email and a copy goes to Garrett/Geoff

SECOND ABSENCE: The student will receive an email and a copy goes to Garrett/Geoff  
Lee will contact the student.

THIRD ABSENCE: Lee emails the student that they have failed the course.

Two tardies equals one absence

A tardy of 60 minutes equals one absence.

If a student is OVER 10 MINUTES late for the final, a full grade will be deducted from his or her final grade.

If a student does not show up for the final they automatically fail the class.

**Syllabus Update Policy**

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

**Grading Guidelines**

Grades will be assigned according to the following scale:

**A — 90-100**

Work well above the general class level, evidence of participation in related activities

Outside of the classroom, thoughtful participation in classroom discussion and critique

*Superlative work: careful attention to craft and presentation. Originality of idea and execution work together. Goes beyond merely solving the problem – one who performs at this level is visibly outstanding, work is outstanding in every respect.*

**B — 80-89**

Work above the general class level, participation in classroom discussion and critique

*Fine work. A few minor changes could have been considered and executed to bring piece together. Goes beyond merely solving the problem. Above average: solution to the problem and idea well planned. Execution is well done.*

**C — 70-79**

Average work, minimal requirements met

*Average or a bit above: slipping in levels of originality, craft and presentation. The piece does not work well as a unified whole or statement yet effort was made. You have solved the problem but in a relatively routine way.*

**D — 60-69**

Work below class average, lack of participation and/or poor attendance

*You have solved the problem but there is much room for improving your skills and developing your concepts further. You have neglected the basic craftsmanship skills and breadth and depth of idea development. You were unable to meet mini deadlines. Represents careless and/or incomplete effort. Work is substandard.*

**F — 0-59**

Inferior or unacceptable work and effort, work not turned in, or failure to attend class.

Grades will be based on:

25% Packaging Project

25% Comprehensive Print Piece

25% Environmental Design Project

25% Participation, Preparedness, Work Ethic, Attitude

Final grades are not debatable.

The Department of Art reserves the right to discontinue enrollment of art major students at any time if satisfactory academic progress is not being made. Students who have accumulated three unsatisfactory grades (D or F) in studio art or visual communication courses taken for college credit at Texas A&M University-Commerce or elsewhere will not be permitted to continue, be readmitted, or graduate with a major in studio art or visual communication. Courses in which a grade below the minimum is received may only be repeated once.
