COURSE INFORMATION

Required Text and Readings:

Textbook Required:

Henley, T. B. (2018) Hergenhahn's An Introduction to the History of Psychology (8th ed), ISBN-13: 978-1337564151, MA: Cengage Learning

Course Description

This class will include a general review of the history of psychology, but will mainly focus on the development and evolution of theories both within and across different content areas of psychology. It will also provide you with an opportunity to read some original source materials.

Student Learning Outcomes

Students successfully completing the course should be able to:

1. Articulate the principal conceptual developments in dated, (mostly) western history that have led to the dominant strands in contemporary psychology.
2. Identify the major players and their relationships to modern psychology.
3. Identify the interaction of conceptual schemes, the role of philosophies and “metasystems,” and the major conceptual structures upon which psychological systems are built.

<h2>COURSE REQUIREMENTS</h2>

Minimal Technical Skills Needed:

You should be comfortable with the following:

Using a word processor (changing font, spell check, formatting, etc.)

Using email for communication

Sending an email attachment

Navigating the internet

Using an internet search engine

Using the learning management system (D2L)

Using Microsoft Word and Power Point

Instructional Methods

Primarily via lecture, with supplemental reading materials that will be provided online via D2L.

Attendance Policy

All other things being equal, you will perform better in this course if you come to class regularly. If you have excessive absences (either excused or unexcused), it will be hard for you to avoid getting a grade of "F" in this class. I will check the roll, and I will perhaps let you know if I believe your absences are excessive. Still, it is ultimately your call, and if you get an "F" it will be based on your grades.

Attending for only one-half of a class on a given day is better than not attending at all. If you need to either arrive late or depart early, please do so unobtrusively with a minimum of disruption.

Students who have zero absences will receive a 5 points bonus at the end of the semester.

<h2>GRADING</h2>

Method of Evaluation

1. Exams: There will be three online exams (each worth 100 points) during the semester. All the exams will consist of multiple-choice questions and cover the designated textbook chapters.

2. Final Paper:

Another major graded assignment for the course is a final paper (100 points). The purpose of this assignment is to enhance critical thinking skills as well as appreciation for the various areas of modern psychology. The detailed requirements for the final paper will be provided early in the course.

Group work and Participation: Students are encouraged to actively participate in classroom discussion. Students will be provided team work opportunities throughout the semester.

Extra Credit: There are a couple of opportunities to earn extra credits toward the final grade in addition to full attendance. A maximum of 20 points can be earned. These extra credits are determined at the discretion of the instructor.

Late Work:

Late work (including exams) will not be accepted without a verifiable excuse. Regardless of the reason, points will be deducted on all late work.

Research Exposure

Research Participation

Participating in research studies contributes to students and faculty at A&M - Commerce, your understanding of how research is conducted, and human knowledge in general. For this course, participating in research will be extra credit. You will have the opportunity to earn up to 20 points depending on the amount of research you participate in. Each credit hour of research will be worth 5 extra credit points that will be added to your total pool of points. So, for example, if you participate in 4 credit hours of research, you will earn the full 20 extra points. For more information, please visit D2L and download the extra credit research participation documents once available.

Final grades in this course will be based on the following scale:

Grading:

Exam #1	100 points
Exam #2	100 points
Exam #3	100 points
Final paper	100 points
Total	400 points

A = 400 - 360
B = 359 - 320
C = 319 - 280
D = 279 - 240
F = <240

Counseling Center

The Counseling Center at A&M-Commerce, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling Center's crisis assessment services by calling 903-886-5145. For more information regarding Counseling Center events and confidential services, please visit www.tamuc.edu/counsel

TECHNOLOGY REQUIREMENTS

The following technological resources are required:

Internet access (high speed preferred)
Word Processing software (Microsoft Word preferred)
A myLeo email account

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive

support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

If you do not have Microsoft Office, you can check with the bookstore to see if they have any student copies.

ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

COMMUNICATION AND SUPPORT

Interaction with Instructor: Please feel welcome to contact me by email (qingwei.wang@tamuc.edu). All email should receive a response within 48 hours. If you have not received a response then assume your email did not go through and please try again to make contact. All email should include student's last name, first name, course name and brief description of the reason for contact.

Technical Support

If you are having technical difficulty with any part of Brightspace, please contact Brightspace Technical Support at 1-877-325-7778 or click on the **Live Chat** or click on the words "[click here](#)" to submit an issue via email.

System Maintenance

D2L runs monthly updates during the last week of the month, usually on Wednesday. The system should remain up during this time unless otherwise specified in an

announcement. You may experience minimal impacts to performance and/or look and feel of the environment.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Student Conduct and Respect:

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See Code of Student Conduct from Student Guide Handbook). The classroom is a scholarly environment and students are expected to behave accordingly. Expressions of ideas, thoughts, opinions, etc are encouraged, but have to be done in a scholarly and respectful manner. Email your instructor whenever you have any problems or concerns regarding this course. Your feedback (both positive and negative) is more than welcome. We should strive to respect and value the diversity that exists in TAMUC classrooms (e.g., age, gender, ethnicity, national origin, disability, geographic, backgrounds, political orientation, sexual orientation).

Academic Honesty:

Scholastic dishonesty may involve, but is not limited to, one or more of the following acts: cheating, plagiarism, collusion, use of annotated texts or teacher's editions.

Plagiarism is the use of an author's words or ideas as if they were one's own without giving credit to the source, including, but not limited to, failure to acknowledge a direct quotation.

Cheating is the willful giving or receiving of information in an unauthorized manner during an examination, illicitly obtaining examination questions in advance, copying computer or Internet files, using someone else's work for the assignments as if it were one's own, or any other dishonest means of attempting to fulfill the requirements of a course.

Collusion is intentionally aiding or attempting to aid another in an act of scholastic dishonesty, including but not limited to, providing a paper or

project to another student; providing an inappropriate level of assistance; communicating answers to a classmate during an examination; removing tests or answer sheets from a test site, and allowing a classmate to copy answers.

Academic dishonesty could result in a “zero” grade on the particular assignment or test.

Withdrawing from/dropping Psy403:

Students are responsible for following University procedures to drop a class. If you stop participating in the class for any reason, you must initiate the process of dropping, or you will receive a failing grade. DO NOT wait until the last minute to drop the class. Plan to take care of this several days ahead of time, so that you will have the time required to get the forms signed, submitted, etc.

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

University Specific Procedures

Student Conduct
