COURSE INFORMATION

Required Book

There is **ONE** required book for this course. You may purchase the e-book, loose leaf or paperback version of the book—this is completely up to you. (The e-book will avoid potentially lengthy delivery times and is also the least expensive option.) However, make sure to purchase the **CORRECT EDITION** of the book (5th edition):

GOVERNING TEXAS

Authors: CHAMPAGNE, HARPHAM, CASELLAS

Edition: 5TH

Published Date: 2021

ISBN (for digital version of book): 978-0-393-53974-5

Publisher: NORTON

Course Description:

This course is a survey of the principles and practice of the political system in Texas. In addition to examining the state constitution and the institutions that it empowers, a wider look is taken to consider local governments, the political system, and the actors in the political system.

Format:

This is a HYBRID course. **Lectures and discussions** will take place in-person at the classroom during the designated times/days of the week. Previously recorded **Lectures** will also be available online. **Exams, assignments, and other course materials** are **ONLY** accessible by logging in through **D2L Brightspace** on your **MyLEO** account. Learning materials and activities include **in-person lectures/discussions for each unit, PowerPoint slides on D2L, exams on D2L, and a writing assignment on D2L.**

Lectures and discussions: These will be face-to-face during our class time and dates, and they will NOT be filmed, however, recorded lectures from previous semesters will be available online. Your attendance and participation in class lectures/discussions are very highly recommended and desirable, but ultimately, this is up to you. Attendance will be taken during each class session for recordkeeping, however, it will not count toward your grade. Be aware that if you choose to attend class lectures and discussions, you **MUST** adhere to ALL of the following rules:

1. **Electronic devices** (such as cell phones, laptops, ipads, earbuds, smartwatch, etc.) of any kind are **NEVER** permitted during class. You will be directed to leave the classroom immediately if you have an electronic device visible.

2. **Disruptions of any kind** (as determined by your professor, such as side-conversations and ANY display of disrespect to anyone) are absolutely prohibited in a university classroom. You will be directed to leave the classroom immediately if you disrupt class in any way. Persistent disruptions be reported to the Dean of Students office for further action and you will be prohibited from attending class until the Dean of Students has authorized your return.

3. **Be on time.** The class door will be closed and locked 5 minutes after class begins, and will not be opened for anyone until class is dismissed. If you need to leave class early for any reason, you must inform your professor before class begins.

4. Follow the **Code of Student Conduct**: All students enrolled at the university shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. Faculty have the authority to request students who exhibit inappropriate behavior to leave the class and may refer serious offenses to the University Police Department and/or the Dean of Students for disciplinary action. Failure to comply with the Code of Student Conduct and commonsensical directions listed above may result in a verbal request to cease inappropriate behavior, your immediate removal from the class, being dropped from the class, and/or a review by an appropriate university disciplinary agency. The Code of Student Conduct is described in detail in the Student Guidebook: http://www.tamuc.edu/student_guidebook/Student_Guidebook.pdf

COURSE REQUIREMENTS & ASSIGNMENTS

Your grade will be comprised of:

- A) Four Examinations (worth 24% each, 96% total),**
- B) One Writing Assignment (4%)** during Finals Week, and
- C) Your submitted Student Statement of Personal Responsibility (1% Extra Credit--IF submitted to me by the deadline).**

Each element of your grade is described below.

A) Examinations: In this course, **all students are required to take FOUR exams**, each of which will consist of 30 questions in a multiple-choice format. Exams are “open book,” **HOWEVER, you MUST NOT RECEIVE ASSISTANCE IN ANY WAY FROM ANYONE WHILE COMPLETING THE EXAM**. You will have 30 minutes to complete each exam online. Together, these exams will comprise **96%** of your grade (each exam is worth 24%). The exams are **NOT** comprehensive. There is NOT a final exam in this course, but you will have to complete a writing assignment during Finals Week.

You will have a 24-hour window to complete each exam. **If you do not complete an exam during the designated 24-hour period, you will receive 0% for that exam.**

If you have a **legitimate reason** for not completing an exam during the designated period (e.g. severe illness or injury *requiring professional medical care*, emergencies in your *immediate* family, participation in *official* university activities, legal *obligations*) **AND** you have **supporting documentation** for your inability to take the exam, then you may **request** an extension of the period to take the exam.

Requests for taking the make-up exam must be **submitted in writing VIA EMAIL and include SCANNED documentation** explaining and substantiating why your inability to take the exam during the designated period was legitimate. An approval to extend the period for you to complete the exam **will be based solely upon the professor's evaluation of your request and any supporting documentation.**

Note: *Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.*

IF YOU HAVE A TECHNOLOGICAL PROBLEM DURING AN EXAM YOU MUST FOLLOW THE PROCEDURES LISTED HERE!!

Should you encounter D2L Brightspace based problems while submitting exams, the following procedure must be followed:

Students must report the problem BOTH to the help desk AND to your professor. You may reach the helpdesk at 1-866-656-5511. Technical Support

IF YOU RECEIVE ASSISTANCE ON THE EXAM FROM ANYONE IN ANY WAY, THIS CONSTITUTES ACADEMIC DISHONESTY AND YOU WILL RECEIVE AN AUTOMATIC “F” IN THIS COURSE AND POTENTIALLY FACE FURTHER DISCIPLINARY ACTION. (SEE “POLICIES” SECTION IN THIS SYLLABUS)

EXAM DUE DATES:

Detailed instructions on how to complete the writing assignment will be provided to the class **NOTE: Since the Writing Assignment is due during Finals Week, if you do not submit it by the deadline, you will receive 0% and only be allowed to make it up in *the most extraordinary of circumstances*, with a legitimate reason AND supporting documentation (same policy for making up missed exams).**
