COURSE DESCRIPTION

This course will be an introduction to printed advertising art direction. Students will study and explore creative ideation for target markets, type lock ups, headline writing and production of print advertising.

COURSE OBJECTIVES

- Examine the anatomy of a print advertisement.
- Experiment with type lock-ups for headlines and body copy.
- Practice writing smart and compelling copy for headlines and body copy.
- Create print advertising campaigns

COURSE FORMAT

This class will be a combination of assignments worked on outside of class and in-class which will be critiqued by peers as well as the instructor. Your weekly progress will be posted to the Discussions section in D2L each week. On occasion you will be asked to bring printed copies of your work to class as well. A commitment to several hours of homework is required to achieve the goals of this class and its completion. The class will be broken into teams for out of class critiques and discussions throughout the week. The final is a presentation of your work to your peers and instructor. You will explain the pieces in detail giving insight to the decisions you made for the client.

GRADING

Grades will be assigned according to the following scale:

- A** work well above the general class level, evidence of participation in related activities outside of the classroom, thoughtful participation in classroom discussion and critique
- B** work above the general class level, participation in classroom discussion and critique
- C** average work, minimal requirements met
- D** work below class average, lack of participation and/or poor attendance
- F** inferior effort, work not turned in, failure to attend class

GRADES WILL BE BASED ON:

- 5% Brand key word exercise
- 7% Onion exercise
- 7% Headline writing exercise
- 7% Lock up exercise
- 30% Non-profit campaign
- 30% Campaign 2
- 14% Weekly Discussion & Participation

FINAL GRADES ARE NOT DEBATABLE.

ATTENDANCE

You may be absent from class twice. On your first absence you will receive an e-mail warning. On your second absence you will receive an e-mail to notify you of your standing. On your third absence you will receive an "F" in the class.

Two tardies of 20 minutes or more equals an absence. A tardy of 60 minutes equals an absence. Two late returns from break of more than 10 minutes equals one absence. If a student is OVER 10 MINUTES late for the final, a full grade will be deducted from his or her final grade. If a student does not show up for the final they automatically fail the class.

There is no distinction between excused and unexcused absences. If you are late to class, I ask that you join as quietly as possible without distracting the class.

All projects are due on the date and time given. You are responsible for turning in work on time regardless of attendance. ***Late work is only accepted if notified in advance, in writing. A new due date can be set at the discretion of the instructor with a deduction of points on the assignment grade.*** Final digital files of projects must be turned in on the last day of class. Failure to do so will result in a final grade of an "F".
