Course Description

Internship Seminar Course Work: Internship seminar is taught in an integrated manner during seminar sessions by Center Faculty and includes these courses: ELED 437, 438, 443, and RDG 448.

Individual Course Descriptions:

ELED 437: This field-based course will focus on how EC-6 children learn and develop knowledge and skills in mathematics and science; varied instructional and assessment strategies that require high expectations and worthwhile opportunities for all students; Texas Essential Knowledge and Skills (TEKS) in mathematics and science; research-based strategies for teaching mathematics, and science in grades EC-6; and the integration of technology in mathematics and science instruction grades EC-6. Teaching strategies will focus on bringing equity in instruction and include culturally responsive teaching.

ELED 438: This course explores the integrated nature of learning with social studies as content focus. Seminars are conducted in CPDT centers; field-based applications take place in public schools under the guidance of public school teachers and university personnel that comprise the Instructional Leadership Team.

The syllabus/schedule are subject to change.

ELED 443: A field-based course, taught in Centers for Professional Development and Teaching, in which prospective teachers develop and improve the skill of managing classroom environments, curriculum, space and time, and student behavior with culturally, economically, and educationally diverse student populations. Candidates acquire knowledge, skill, and ability by observing and working with experienced public school teachers in their elementary and/or middle school classrooms.

RDG 448: The characteristics and challenges of English language learners will be explored. Attention will be given to the development of reading fluency and written communications in the content areas with second language learners. Language assessments will be studied. This course has been selected as a Global Course tied to the Quality Enhancement Plan (QEP). Texas A&M University-Commerce QEP seeks to prepare students for an interconnected world. This course will examine the rich diversity of cultures and languages present in schools today.

All courses are taught in an integrated manner during seminar by Center Faculty and includes ELED 437, 438, 443, and RDG 448.

Student Learning Outcomes

While engaged in learning and teaching, the intern will show evidence that s/he:

1. uses knowledge and skills of all content areas, as defined by the TEKS, to **plan** and **implement** effective curriculum, instruction, assessment, and evaluation;
2. is able to **identify, create, and apply** a variety of teaching and classroom management strategies in seminar and Field Based setting that meet the individual, developmental, and diverse needs of young children. Included but not limited to:
 - support and/or establish procedures, routines and transitions; clear and specific
 - maintain/build a safe, organized and respectful environment
 - provide and manage student-centered learning with focus on objective(s)
 - monitors student behaviors, subtly reinforces positive behaviors
3. ensures that instructional goals and objectives, classroom activities, assessments, and other elements of classroom environment **convey high expectations for student achievement.**
4. uses critical thinking and problem solving **to design and implement** lessons with real-world application and that include effective classroom management strategies.
5. **demonstrate** an understanding of cultures and how they develop and adapt and uses this knowledge **to enable students to** appreciate and respect cultural diversity in Texas, the United States, and the world;
6. understands the importance of ESL teaching methods and uses this knowledge **to plan and implement** effective, developmentally appropriate instruction with use of hands-on experiences, as well as content and vocabulary development for English language learners;

The syllabus/schedule are subject to change.

7. recognizes and **utilizes technology** in planning and **appropriately implementing** learning activities with children in math, science, social studies, and reading, as well as when communicating with parents.
8. **identifies, creates, and applies** a variety of teaching and classroom management strategies in seminar and Field Based setting that meet the individual, developmental, and diverse needs of young children;
9. **utilizes** the varied and **appropriate assessments** and assessment practices **to monitor** math, science, technology, social studies, and reading content comprehension and learning.
10. **Demonstrates** dispositions for the teaching profession and skills to help all students.
11. Is aware of and **utilizes** the approved educator standards to plan and implement appropriate strategies. (Texas Teaching Standards, ch. 149; PPR)

COURSE REQUIREMENTS

Required Seminar Courses: ELED 443, ELED 437, ELED 438 and RDG 448

- Attend and actively participate in scheduled seminars (on-line or face-to-face)
- Prompt, consistent, reliable attendance in the intern placement, beginning prior to the start of the school day and ending at the conclusion of teacher contract time.
- Adherence to the district calendar pertaining to professional development dates, holidays, and early dismissals
- Co-teaching in a manner consistent with Teacher Candidate progression through the Teacher Education Program – model and implement strategies appropriately
- Maintain strict confidentiality of all school, teacher, and student data/information
- Earnest efforts in the improvement of Teacher Candidate instructional competency
- Teacher Candidate is to have at least one attempt at the Core Subjects or Content certification exam to the start of clinical teaching □ Demonstrate dispositions for teaching as outlined by TAMUC.
- Regular use of GoReact technology to Apply & Evaluate assignments and the Performance Assessment Cycle (purchased during intern semester)
- Participate in formal and informal ILT meetings
 - Mid-Term ILT - Progress Report
 - Final ILT – final assessment of field performance
- Participation in co-planning and discussion of any issues related to professionalism
- Upload assignments/artifacts in Tk20 by the deadline
- Classroom management specific: demonstrate knowledge of behavior and classroom management skills in a diverse setting and analyze environmental skills in diversity on students' learning, achievement and behavior.

The syllabus/schedule are subject to change.

Minimal Technical Skills Needed

Needs the ability to access and learn all educational technologies implemented during internship and clinical semesters, in addition to university technology requirements.

Instructional Methods

This course utilizes a practicum approach such as observations, small group/whole group instruction, co-teaching, and full-time teaching in the field.

The purpose of the (**internship**) within the field-based program is twofold: (1) to demonstrate, through coaching, knowledge about content, pedagogy, technology, classroom management, assessment and evaluation, and the teaching and learning process; and (2) to demonstrate, through coaching, the ability to work with and manage students, plan lessons, and teach students using relevant and meaningful learning experiences in a professional manner. Thus, the assessment and evaluation of interns is also twofold as it addresses performance in both field based and seminar settings.

The primary decision making entity in the CPDT is the **instructional leadership team** that is coordinated by the cooperating teachers and university field-supervisors with input from the interns, clinical teachers, and principals. Most decisions about the activities and experiences each intern or clinical teacher will have are determined by the *ILT* through discussion and consensus. The ILTs are usually composed of a cooperating teacher(s), an intern, and/or a clinical teacher, and university fieldsupervisor.

Key Points regarding placements in our public schools:

- Note that for a variety of reasons, Teacher Candidates cannot be placed at a school where any relative is employed or is attending.
- It is our policy that Teacher Candidates do not contact school districts or individual schools directly to request a placement. Even if they happen to know a principal, and she has said she wants them to come teach for her, we must work through the district protocols.

Lesson Plans and Assessments/Evaluations:

Learning Outcomes: 1-11 (see Student Learning Outcomes)

Assessment Method: Documentation through lesson plans, evaluations, observations (Cooperating teacher/Field-supervisor, goReact)

- Instructional segments breaking down various parts of the lesson cycle will be observed, recorded, and uploaded into goReact for Field-supervisor feedback. This is a time for coaching. Students will utilize a rubric attached to each target. Then, students will teach a full 45 minute lesson using the modified T-TESS rubric for feedback.
- **Midterm** ILT Evaluation – Progress Report - completed by the ILT.

The syllabus/schedule are subject to change.

- **Final** Evaluation covering experiences in the field and seminar as completed by the ILT. See attached grading rubric.

Professionalism:

Student Learning Outcomes: 1-11 (see Student Learning Outcomes)

Assessment Method: Determined by the Instructional Leadership Team, seminar team, Professionalism rubric, self-assessment, and lesson evaluations

- ❖ Attendance and being on time at **ALL** university seminars, assigned campus days, school/university meetings, and field based staff development. You will be required to attend all seminar days; field based assigned days, staff development, etc. You are **required** to contact your field-supervisor and cooperating teacher if you will be missing your assigned campus day or seminar. Your grade will be lowered if you are absent or tardy (see professionalism rubric).
- ❖ Professionalism at the highest level to be demonstrated at all school and university functions. An educator demonstrates his/her professionalism in ways such as being on time, participating in, and contributing to class activities, accepting responsibility, and consistently demonstrating professionalism during seminar, on assignments, and in the field. See professionalism rubric for details.

Student Responsibilities or Tips for Success in the Course

. Teacher Candidates are expected to:

- Report to their assigned school for teaching responsibilities. During intern semester, **EC-6 and 4-8 Teacher Candidates will report to the field two days per week. Teacher Candidates will be in the field for the contract hours for teachers in that district.** During the clinical teaching semester, **Teacher Candidates will report to the field five days per week. Teacher Candidates will be in the field for the contract hours for teachers in that district.** Teacher Candidates are expected to check with the front office to sign in upon arrival and sign out at time of departure from the school (It is vital that we have accurate records of field attendance).
- Participate in all activities in the school and the district, and to take part in after-school programs, special programs, PTA meetings, faculty meetings, and any other activities of the school as much as the Teacher Candidates are able.
- Follow the academic calendar of the assigned public-school district. Any changes or exceptions to this will be noted by the Center Coordinator.
- It is expected that Teacher Candidates will be present and on time to their assigned campus except in cases of **serious illness** or other **extenuating** circumstances. In those instances, the Teacher Candidate must contact the Cooperating Teacher and Field Supervisor no later than the morning of the necessary absence AND prior to the required arrival time at the campus.

The syllabus/schedule are subject to change.

- Excessive absences that interfere with the successful completion of clinical teaching may require you to be placed on a growth plan and/or dismissed from the program. Decisions regarding extenuating circumstances will be made in coordination between the TC, Cooperating Teacher, Field-Supervisor and Center Coordinator on a case-by-case basis.
- Notify your Field Supervisor anytime there is a change in plans due to early dismissal, assembly program, PTA meetings, unscheduled holidays, or any unforeseen event. Field Supervisors occasionally stop by unannounced and must always know where Teacher Candidates will be.

GRADING

Final grades in this course will be based on the following scale:

- A = 90%-100%
- B = 80%-89%
- C = 70%-79%
- D = 60%-69%
- F = 59% or Below

Grading will reflect a combination of seminar and field work. *Field focus: prior preparation, strength and delivery of lessons, knowledge of subject matter, utilization of lesson design, classroom management strategies utilized and assessment of student progress.*

The following holistic scoring will be utilized using the rubric below

- A (90 – 100%) = Commendable.** Well above average in initiative, thought, organization, reflection, and implementing professional choices. Evidences extensive control of own decision-making and learning processes. Monitors, adjusts, and manages independently. Excellent attitude, attendance, participation and completion of assignments by due date
- B (80 – 89%) = Developing.** In need of instruction regarding initiative, thought, organization, reflection, and implementing professional choices. Evidences some control of own decision-making and learning processes. Monitors, adjusts, and manages--but requires intervention. Good attitude, attendance, participation and completion of assignments by due date
- C (70 – 79%) = Needs Improvement.** Some lack of initiative, thought, organization, reflection, and responsibility. Evidences little to no control of own decision-making and learning processes. Does not adequately monitor, adjust, and manage. Sometimes exhibits poor attitude, attendance, participation and completion of assignments by due date.
- D (less than 70%) = Not recommended for teacher certification**

The syllabus/schedule are subject to change.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

There is NO extra credit awarded for this class. There are several assessment opportunities. You are responsible for initiating communication regarding attendance, lateness, late work, and missed exams/quizzes.

Attendance Policy

The work in this course is accomplished in collaborative work groups and with independent assignments. Punctuality, dependability, and the ability to accomplish group goals and individual goals are considered effective ways to demonstrate the professionalism required for success in the field-based teacher education program. If you miss a class, you will receive a zero for that day's attendance and participation grade. You may be allowed to make up the in-class work for that class period for 80% credit, if the make-up work is feasible. If you miss more than three classes, you may be withdrawn from the course. Extenuating circumstances will be taken into consideration, if the student initiates a conference with the instructor(s).

University Related Excused Absences: When absences are related to an approved University event, your supervisor will need to contact the instructor with the details of

ASSIGNMENTS

1. Context for Learning Paper: DUE September 1st (100pts)

Student Learning Outcomes: (SLO 5)

Course Link: ELED438

Assessment Method: Rubric

Interns will collect data on their district, campus and Cooperating Teacher's classroom in order to fill out an informational worksheet. In addition, the intern must drive the neighborhoods of the campus' boundaries and complete a reflection. The collected information will be synthesized by the student in order to write a narrative paper describing the learning environment. Details will be given in seminar.

2. Dyslexia Field Investigative Report: DUE November 19th (100pts)

Student Learning Outcomes: (ELA/Reading Standards 1-12; SLO 5); TEC §38.003 Screening and Treatment for Dyslexia and Related Disorders; TAC §74.28. Students with Dyslexia and Related Disorders)

Course Link: RDG 448

Assessment Method: Rubric

Each intern will conduct a field-based investigation of the procedures used for identifying, assessing and serving ELL and non-ELL students with dyslexia or a related disorder on their assigned campus. The investigation includes detecting the array of instructional support services available to identified students and the resources available to teachers. Findings will be compiled in a narrative report and will be presented in seminar.

3. Classroom Management Competency: Management plans DUE September 29th (100 pts)

Student Learning Outcomes: (SLO 2, 4, 8)

Course Link: ELED 443

Assessment Method: Rubric and observation

Interns will explore classroom management of face-to-face teaching by:

1. Writing up their Cooperating Teacher's classroom management plan
2. Creating a management plan of their own.

Interns will explore classroom management using online teaching by:

1. Observing an online teaching situation and writing up management plan utilized
2. Creating a virtual learning management plan of their own

Details on the assignment will be given in seminar. In addition, interns will apply strategies learned in coursework and seminar to exhibit effective classroom management. Performance in the field will be assessed by mentor and university supervisor through observation.

The syllabus/schedule are subject to change.

4. Culturally Responsive Teaching Methods/ELLs: DUE October 13th (100pts)

Student Learning Outcomes: (SLO 3, 5, 6; QEP SLO1)

Course Link: RDG448

Assessment Method: Quiz on ELPS and Language Objectives. Module completion and module certificate

1. Interns will actively participate in a class presentation and activities related to understanding culturally responsive teaching methods and designing and putting into practice culturally relevant instruction. Interns will complete a Common Beliefs survey and reflective essay to demonstrate understanding of culturally responsive teaching and how to use culturally responsive instructional practices. **(25 PTS)**
2. Interns will actively participate in a class presentation and activities related to understanding the ELPS and creating language objectives. Interns will complete a quiz demonstrating understanding of the ELPS and how to create and use language objectives to support second language learners. **(25 PTS)**
3. Interns will complete the free ESL module on the TCERT website. Concepts learned in this module will help interns know how to support second language learners and prepare them for the ESL certification exam. **(50 PTS)**

5. Mental Health Online Training: DUE December 3rd (100 pts)

Student Learning Outcomes: (SLO 2, 4, 8)

Course Link: ELED438

Assessment Method: Training Completion and Certificates

Interns will complete two online mental health related training modules. Details and access will be discussed in seminar.

6. Lesson Plans and Teaching Performance Observation/Videos: DUE

**September 15th-Writing Objectives-; September 24th-Opening/Modeling;
October 22nd-Guided; November 19th- Full lesson Cycle-(25 pts each)**

Student Learning Outcomes: (SLO 1-10)

Course Link: ELED437, ELED438, ELED443 and RDG448

Assessment Method: University supervisor and cooperating teacher feedback and self-assessment

Each intern will be observed and recorded teaching and videos will be uploaded for feedback from their supervisor. A written play-by-play commentary will be provided by the intern to support the video, as well as a self-assessment of performance. The recorded segments will be approximately 5-20 minutes in length and will document performance in the following areas:

1. A lesson opening, stating objective/central focus, activating schema and a hook
2. Teacher modeling new learning
3. Guided practice segment utilizing one or more instructional strategies

The syllabus/schedule are subject to change.

4. Aggressive monitoring and providing feedback
5. Assessment to evaluate students' learning and to address students' developing knowledge and skills

Specific details about the assignment and how to compress/upload videos will be addressed in seminar.
