#### **Course Description**

501. *Introduction to the Counseling Profession*. Three semester hours.

Recommended as the initial course in a student's program to serve as an introduction to the counseling profession. Roles of counselors and related professionals in various settings are presented. Professional goals and objectives; trends; professional associations; ethical and legal issues; history; credentialing; preparation standards for counselors; and essential interviewing and counseling skills, characteristics, and behaviors that influence helping processes are explored.

*The syllabus/schedule are subject to change.*

## General Course Information

This course should be taken early in the student’s preparation program. This course serves primarily as an orientation to the counseling profession and as a course where students develop basic interviewing and counseling skills and self-awareness that promotes appropriate counselor-client relationships. A grade of “B” or higher must be earned in COUN 501, 510, 528, and 516 for admission to candidacy status (or its equivalent for those seeking school counselor certification only), which is required before practicum (COUN 551).

## **TEXES COMPETENCIES**

### **Competency 010 (Professionalism)**

The school counselor understands and complies with ethical, legal, and professional standards relevant to the profession.

## **COURSE REQUIREMENTS**

### **Minimal Technical Skills Needed**

In this class, you will utilize the Learning Management System (LMS) entitled D2L for portions of instructional and learning methods, submitting assignments, participating in online discussions, and completing quizzes. You will also need to download the Zoom application to your personal computer or smart phone in order to access office hours and other virtual meetings. To complete assignments, you will need to utilize other technologies such as Microsoft Word, PowerPoint, etc. If you have issues with this system, it is your responsibility to contact the help desk immediately.

### **Instructional Methods**

This course consists of lecture and didactic learning methods, small group discussions, and in-class assignments, coupled with experiential learning and practical application. When we are not meeting face-to-face, you will be expected to participate and complete all online tasks via D2L. In addition to this, small lecture, discussion, activities, and workshops may be utilized during this course.

### **Student Responsibilities and Tips for Success in the Course**

As a student in this course, you are responsible for being active in your learning process. Expectations of this course include the following:

*The syllabus/schedule are subject to change.*

1. You are expected to display professionalism at all times. Be respectful of your professor and peers. Be open to feedback, as you will receive this throughout the program.
2. Prepare for classes. Complete any and all readings prior to class time.
3. Complete all assignments by the deadline.
4. Adhere to the university's Student Code of Conduct.
5. Participate. During face-to-face classes, you are expected to actively participate in all activities and discussion. In the online format, you are expected to participate in all online discussions/activities. This is crucial to your learning.
6. All writing assignments must be done according to APA 7<sup>th</sup> edition.
7. Regularly check your University email. My suggestion is to check this at least once a day as your instructors and others from the department and University may contact you.
8. Begin your readings ASAP. Sometimes it may take more than one attempt to digest the material.
9. Deadlines are the last possible moment something is due—not the first moment to start. Work ahead. I realize this may not always be possible; however, when you can, do so.
10. Be open to the process. This degree takes time, work, effort, and growth.

## COUSE ASSIGNMENTS/ASSESSMENTS

1. **D2L Online Discussions 10pts each (80 pts).** You will participate in a total of eight discussion boards during the semester. You are expected to give a thorough and thoughtful response to each prompt.

In addition to the initial discussion, you will also respond to three of your classmates' discussion posts. The rubrics for the discussions are below. For the weeks with discussion posts, they will open on Monday and close the following Sunday night. **Your initial post is due by Thursday at midnight, and your peer responses are due by Sunday at midnight.** However, feel free to post earlier than Thursday. Please note that **late postings will not be accepted.**

### Discussion Board Rubric

**Professional Identity and Development Portfolio:** Throughout the semester, you will work on different parts of an overall portfolio. Each portion of the portfolio will be due at different times during the semester, with the final portfolio due at the end of the semester. Continue to update information in your portfolio as you develop throughout the program.

a) **Counseling Licensure/Certification (10 points).** Please review:

<https://www.bhec.texas.gov/texas-state-board-of-examiners-of-professional-counselors/index.html>

<https://tea.texas.gov/academics/learning-support-and-programs/school-guidance-and-counseling>

Provide an outline/overview of licensure/credential requirements (depending on whether you wish to become an LPC or certified school counselor). If you are planning to move out of state, view that state's licensing board information. Include the following:

- Licensure/credential name (e.g., LPC)
- Educational requirements (including CACREP accreditation standards)
- Testing requirements
- Supervision requirements
- Application process
- Continuing education requirements (after full license is obtained)
- Any other requirements necessary to obtain that license/credential.

b) **Professional Counseling Organizations (10 points).** Choose one professional counseling organization (e.g., ACA, TCA, ASCA, IAMFC, ALGBTIC/SAIGE, etc.) that you are interested in joining and review their website in detail. Provide an overview of the following:

- Name of organization
- Membership benefits
- Activities
- Services to members
- Current issues
- Any other information you find interesting

*Note:* If you have a specific interest (e.g., research, advocacy, suicide, play therapy, adolescents, etc.) and are unsure where to find an organization,

*The syllabus/schedule are subject to change.*

please ask me! There is undoubtedly an organization that will fit your interests.

- c) **Current Labor Market Information (10 points)**. Go to the following websites:

<https://www.bls.gov/ooh>

<https://www.counseling.org>

<https://txca.org>

<https://www.onetonline.org>

Review these websites and search for areas and/or keywords such as “jobs, careers, counseling, different specialty areas of counseling.” Give a one-page summary reflection on what you learned after your investigation. This summary may reflect on areas such as what counselors do, environments they may work in, educational requirements, pay expectations, outlook, state/national data, job posting information, required skills, etc.

You will want to include both a short summary and a reflection of your exploration. The purpose of this assignment is to learn more about the current labor market relevant to the counseling profession and how this might affect your job outlook.

- d) **Advocacy Proposal (20 points)**. The purpose of this advocacy proposal is for you to develop a plan for an advocacy project that will promote and enhance the counseling field and address institutional/social barriers that impede access, equity, and success for clients. Your proposal should include the following headings and discussion points:

- Purpose of your advocacy proposal, including who will be affected by your advocacy
- Rationale for your advocacy area, including support from counseling literature (cite professional resources, textbooks, journal articles, etc.)
- Description of what the advocacy actually entails, including any activities or actions to be taken on your behalf
- Intended outcome of your advocacy proposal, including how this promotes or enhances the counseling field and addresses the barriers stated above

- e) **Self-Care and Self-Evaluation Plan (10 points)**. This plan will include both personal and professional self-care and self-evaluation components. You are to develop a self-care plan to maintain your personal wellness as a counselor. This plan should be utilized throughout your time as a student and as a counselor (not only during times of impairment).

*The syllabus/schedule are subject to change.*

Please review Myers and Sweeney’s (2008) Model of Wellness (<https://doi.org/10.1002/j.1556-6678.2008.tb00536.x>). The goal of a self-care plan is to (1) engage in these behaviors and activities throughout your career in order to remain healthy and (2) to become aware when counselor impairment may occur. Thus, you will also need to develop a self-evaluation plan discussing strategies for your personal and professional self-evaluation.

These plans are meant to be for your own use, so they can be creative (e.g., color, drawing, charts, tables, etc.) or traditional (e.g., written paragraph form). Either way, please include the following:

- Your own definition of what self-care means to you
- Aspects of self-care, behaviors, and/or activities you can partake in
- A self-evaluation plan discussing strategies for assessing your personal and professional functioning
