To truly succeed in this course, you need to be present and prepared.

The syllabus/schedule are subject to change.

Interaction with Instructor Statement

If at any time during this course you need further explanation or should need to speak with me about the course or its outcomes, please see me in my office during office hours or schedule an appointment.

I am also available by email. **Please communicate, I can't help if I don't know there's an issue or a question.**

Email Policy:

Before sending me an email with a general course-specific question, review your syllabus/look at the handouts/check myLeo Online/ask a classmate first. If your question has already been addressed in one of those places, then you will have the answer you need. If your question does not exist, please feel free to email me.

When emailing me: Please make your emails clear and concise, written with proper grammar in order to assure my earliest attention. In addition, please follow some common "email etiquette" procedures in order to keep our electronic communication effective and efficient.

Specifically:

- Write a relevant subject line (e.g., "Design Rendering question," or "THE 497 meeting request")
- Address me by name (ie: "Dear Professor Williams" or "Hi Andrea" or just "Andrea")
- Bonus: "meaningless niceties" are never a bad idea!
- Concisely state what it is you need. If it can't be communicated in a concise manner, perhaps request an appointment. **If requesting an appointment, give me times that you are available in the initial email!!!** My office hours are listed on this syllabus.
- Use a "sign-off" ("Thank you" is always good) and sign your name.

Not following these guidelines potentially puts you at the bottom of my list for response time.

Do not message me via Facebook or other types of social media about anything course related.

The syllabus/schedule are subject to change.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific:

Attendance and Late Policy:

Each student is allowed 2 absences during the semester. Additional absences will result in the lowering of your final grade by one full letter grade per absence. Emergencies, medical conditions, or unforeseen circumstances resulting in absences beyond 3 days may be excused at the discretion of the professor. Notify me via email before the class is to be missed. Each student is responsible for making up class work, assignments, tests, etc. due to absences. If you are more than 10 minutes late to class it will count as an absence. Every two late arrivals (coming in after the start but before the 10 minute grace passed) will count as an absence.

Students are expected to come to class prepared with homework completed and the materials need for participation in class. This will often include your art supplies. If you come unprepared for class it will count as an absence.

Cell Phones: Please turn off all cell phones during class. Please do not check messages or engage in text messaging during class. This is disruptive to the flow of the class.

Late Work: I do not accept late work.

Extra Credit: Can be offered at the discretion of the instructor
