INSTRUCTIONAL METHODS

This course is divided into THREE units. Each unit contains a video overview and PowerPoint slides for each chapter covered (7 total). There will be THREE examinations, one for each unit. A short writing assignment will be required during the Final Day of Class.

Your grade will be comprised of:

- A) THREE Examinations (worth 32% each, 96% total),**
- B) ONE Writing Assignment (4%)** during the Final Day of Class, and
- C) Your submitted Student Statement of Personal Responsibility (1% Extra Credit-- IF submitted to me by the deadline).**

Each element of your grade is described below.

A) Examinations: In this course, **all students are required to take THREE exams**, each of which will consist of 30 questions in a multiple-choice format. Exams are “open book,” HOWEVER, you **MUST NOT RECEIVE ASSISTANCE IN ANY WAY FROM ANYONE WHILE COMPLETING THE EXAM**. You will have 30 minutes to complete each exam online. Together, these exams will comprise **96%** of your grade (each exam is worth 32%). The exams are NOT comprehensive. There is NOT a final exam in this course, but you will have to complete a writing assignment on the Final Day of the course.

You will have a 24-hour window to complete each exam. **If you do not complete an exam during the designated 24-hour period, you will receive 0% for that exam.**

If you have a **legitimate reason** for not completing an exam during the designated period (e.g. severe illness or injury *requiring professional medical care*, emergencies in your *immediate* family, participation in *official* university activities, legal *obligations*) **AND** you have **supporting documentation** for your inability to take the exam, then you may **request** an extension of the period to take the exam.

Requests for taking the make-up exam must be **submitted in writing VIA EMAIL and include SCANNED documentation** explaining and substantiating why your inability to take the exam during the designated period was legitimate. An approval to extend the period for you to complete the exam **will be based solely upon the professor's evaluation of your request and any supporting documentation.**

***Note:** Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.*

IF YOU HAVE A TECHNOLOGICAL PROBLEM DURING AN EXAM YOU MUST FOLLOW THE PROCEDURES LISTED HERE!!

Should you encounter D2L Brightspace based problems while submitting exams, the following procedure must be followed:

Students must report the problem BOTH to the help desk AND to your professor. You may reach the helpdesk at 1-877-325-7778. Technical Support
