Course Description

This course introduces students to concepts related to the global development of social work and the interdependence of nations. The course focuses on themes of world-wide connection and interaction among social workers as well as the reciprocity of professional technology and practice. In addition, there is concentration on the need to develop a more humane and multidimensional approach to social and economic problems around the world as well as develop a commitment and sensitivity to marginalized populations.

Further, this course has been selected as a Global Course – tied to the Quality Enhancement Plan (QEP). Texas A&M University-Commerce QEP seeks to prepare students for an interconnected world. This course will provide activities, experiences, and opportunities to reach all of the QEP learning outcomes. **The Transformational Human Needs Developmental Project in this course will be utilized to assess the QEP student learning outcomes for each student. Students are responsible to upload a copy of the project to their ePortfolio in ManeSync.**

A cover page and a reference page must be included, but do not count toward your 4-5 pages. Headings listed below must be used or the paper will not be graded. Include a brief Introduction, and then use the remaining five headings.

As with your country paper, APA guidelines must be used in writing this paper. It is your responsibility to find a first generation immigrant to interview; the instructor does not have a list of such people.

This assignment is due in D2L with the corresponding name by the date indicated on the Course Schedule.

Each group will develop a creative PowerPoint or Prezi presentation for other class members to view and place in the drop box named “Power Point for Transformational Project” by the deadline indicated on the Course Schedule. Students will also be expected to upload the presentation to Doc Sharing under Transformational Project “Power Point.” Grades will be based on the written paper, the presentation, and other group members’ evaluation of your work on the presentation and paper. Each member of a group will submit the paper in D2L in order to assist with grading. The paper will be placed in the D2L with the corresponding name by the due date indicated on the Course Schedule. It is expected that all students will put equal time into the preparation of the paper. No late papers or presentations will be accepted.

4. Quizzes (50 points)

Six short quizzes will be given at various times during the semester. The quizzes will have 10 multiple choice questions, true or false, and/or matching. Only the top 5 quiz grades

will be entered into the grade book. Quizzes will be unannounced. Each quiz will cover the assigned reading for the week in which the quiz is given. Students will have 15 minutes to take the quiz, beginning when the student enters the quiz. The quiz will be open all week during the week it is assigned until that Sunday by 11:30 pm. There are No Make-up quizzes.

5. Discussions (50 points)

Throughout the course students will be required to participate in various discussions online. You must post your own thoughts and ideas under the appropriate discussion tab and then respond to the post of one of your peers. Students are expected to apply critical thinking when responding. Each discussion will be open when the course opens. However, you will need to respond to the prompt by 11:30 pm on Wednesday that the discussion is assigned, and THEN to TWO peers between Thursday-Sunday by 11:30 pm of the same week.

Discussions/Postings will follow the same format each time and are as follows: Students must post to the discussion prompt by Wednesday at 11:30 pm. during the week of the Discussion. Responses to the prompt will need to be 8-10 sentences in length. Then students must respond to TWO of their peers between Thursday and Sunday by 11:30 pm of the same week. By waiting to respond to peers until AFTER everyone posts, ensures that students have read what their peers have written. The responses to a peer will need to be 3-5 sentences in length. Any deviation from these guidelines will result in a zero for the discussion. **This is an “All of Nothing” assignment, meaning if you miss any part of posting within the guidelines, you will not receive credit for the discussion.**

See the Course Schedule for scheduled Discussion weeks.

Department or Accrediting Agency Required Content

Engagement Policy

Final Evaluation and Grade Depends on both Classroom attendance and Participation

Inadequate participation or lack of required time commitment in each class significantly affects students' grades. No matter the course venue, students must engage in a comparable amount of time. Expectations of both Face-to-Face classes and those with Online components include time spent reading and studying course material.

To earn a level of competency within a specific course, students must demonstrate both mastery of content and active engagement.

Mastery of content areas is evidenced by successful completion of course assignments such as written papers, group project deliverables, tests/quizzes and other tangible products designed by instructors to evaluate knowledge and skills.

Additionally, the Social Work Profession is built upon human interactions and building human relationships – which is defined as engagement. Engagement is defined as meaningful involvement in interactions with instructor, peers, outside stakeholders as appropriate (such as contacting a social worker to interview for a required assignment). Within the classroom setting, whether virtual or F2F, students must actively participate in 80% of engagement activities as outlined by individual instructors. These activities can include participation in a live, synchronous virtual classes, attending a Face to Face course when appropriate, interacting with peers in posted discussions and collaborating in group interactive projects.

Students must meet standards for content mastery on tangible assignments and meet the threshold of active engagement 80% of the time during a semester. Instructors are experts in each course content area and set the standards for students to meet for successful completion of the course.

As we enter the Fall semester, we are all working under stresses and strains related to the COVID-19 pandemic. It is imperative we communicate consistently and frequently. If, for any reason, you are not able to complete assignments or actively engage in the course, you MUST reach out to your instructor and let him or her know.

Student Conduct

Students preparing to become professional social workers must adhere to the *University Code of Conduct, Department Code of Conduct and National Association of Social Workers' (NASW) Code of Ethics*.

University Code of Conduct located in the *Student Guide Book* at

<http://www.tamuc.edu/campuslife/documents/studentGuidebook.pdf> (pp 34- 66). On the University Website under Campus Life Documents

To become aware of University policies related to student academic and behavioral expectations for students refer to the Guidebook.

Department Code of Conduct

"Faculty have the authority to request students who exhibit inappropriate behavior to leave the class/lab/internship practicum or to block access to online courses and may refer offenses to the [Academic and Professional Issues Committee (API)] or to the Department Head. More serious offences by be referred to the University Police Department and/or the Judicial Affairs Office for disciplinary action" (Student Guidebook p 35)

Social Work students conduct themselves in an ethical and professional manner.

Closely linked with professional recognition is the social worker's compliance with the profession's ethical standards. It is imperative for professional social workers to be competent and ethical in practice if the profession is to maintain the public trust. It is essential that each social work student gain a thorough understanding of the ethical principles that guide practice and actively demonstrate in behavior, both in and out of the classroom. Student conduct is to reflect the tenets of *NASW Code of Ethics*

(located at <https://www.socialworkers.org/pubs/code/code.asp>) on the NASW website:
<https://www.socialworkers.org>
