Top Hat will be accessible through our course shell in D2L. While you will receive an email about being able to opt out of this inclusive access, Top Hat is required for the course.

To gain access to Top Hat, it is YOUR responsibility to create an account when you receive an email from the campus bookstore. Be on the lookout for this email at the start of the semester.

If you have any issues with Top Hat, you should contact support@tophat.com.

Through *Top Hat*, you will gain access to the following course materials.

The syllabus/schedule are subject to change.

Course Description

English 1301 Introduces students to writing as an extended, complex, recursive process and prepares students for English 1302, which more rigorously examines the forms and structures of argument and means to approach multiple audiences. In 1301 students will write weekly, and will work on essay organization and development. The course will emphasize close reading, summarizing, and analysis of expository texts, including student writing.

Student Learning Outcomes

1. Students will be able to analyze, evaluate, or solve problems when given a set of circumstances, data, texts, or art.
2. In written, oral, and/or visual communication, A&M-Commerce students will communicate in a manner appropriate to audience and occasion, with an evident message and organizational structure.
3. Students will be able to work together toward a shared purpose relevant to the course or discipline with a sense of shared responsibility for meeting that purpose.
4. Students will understand and practice academic honesty.

COURSE REQUIREMENTS

Minimal Technical Skills Needed

You will need:

- Flash drive or other means (dropbox.com account, for example) of storing digital versions of the essays and other written material you generate (always, always keep a backup of everything you turn in!)
- A valid, working email address that you check often (everyday). I will email the class through D2L, so be sure that that email is the one you check.
- Regular internet access
- Access to a computer with a word processing program and a printer (assignments must be typed uploaded through D2L in a doc or docx file)

The syllabus/schedule are subject to change.

Instructional Methods

This is a “B” Blended section, meaning we will have some f2f class time and some online course time. Because of the pandemic, we are only allowed to have so many students in the course at once. You will be given a group and I will designate which days your group can come to class f2f. When your group is NOT f2f, you are expected to do the work via Top Hat and D2L.

Student Responsibilities or Tips for Success in the Course

It is expected that you will participate in Top Hat every week, usually on multiple occasions. Students in “B” blended courses are expected to be in class OR complete their work remotely in the allotted time frame. Students in “W” classes will be entirely online but are still expected to watch class recordings if they cannot virtually attend any synchronous lectures/discussions/workshops. All students should check their email daily and log into D2L at a minimum 2-3 times a week. To succeed in this course, you should also complete all the required reading and activities in Top Hat.

GRADING

Final grades in this course will be based on the following scale:

A = 90%-100%

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

Participation will be counted partly through your use of Top Hat (10%) and partly through the work you do in class discussions (online or f2f), in drafting your writing assignments, in group work, etc. When you answer the Before and After Reading questions in Top Hat, you will gain participation points. If you miss a deadline, you must contact your instructor to ask for extra time to work in Top Hat. It is your responsibility to ask for this extra time. Consistent lateness may cause a deduction of participation points.

another communication medium, should then schedule an appointment with the Director of Writing, Dr. Ashanka Kumari, by emailing her (ashanka.kumari@tamuc.edu). Before an appointment is scheduled, the student must provide clearly documented and explained issues as to why the meeting is being requested. The student must also state when they discussed the issue in person or via phone (not email) with the instructor already. Where applicable, students should also consult University Procedure 13.99.99.R0.05 (“Student Appeal of Instructor Evaluation”).

Writing Center

The Writing Center (or the “Communication Skills Center”) offers writers free, one-on-one assistance. We welcome all writers, majors, and disciplines—undergraduate and graduate students alike. Research shows that all writers benefit from sharing their work with a focused reader. The Writing Center staff is trained to support writers in any stage of the writing process (from a blank page to polishing the sentences), and we work with writers to verbalize writing goals and stay on track to finish larger writing projects. The writers with whom we work bring projects like important emails, weekly writing assignments, midterm and final essays, and theses and dissertations. The Writing Center will re-open for Fall 2021 after the semester begins. If you'd like to make an appointment, email us writing. tamuc@gmail.com.
