Student Responsibilities or Tips for Success in the Course

1. Attendance AND participation are required. *Note that attendance alone does not constitute participation.* Promptness, attendance, and attentiveness are valued in this class. If you are not actively participating in work, you will not receive credit.
2. Students are required to check all callboards multiple times per day. Callboards are located throughout the building, and you should familiarize yourself with them. “I didn’t know” is not an excuse.
3. Students must be dressed in “work” or “paint” attire—close-toed shoes, clothing

that will get dirty or messy, hair pulled back, no dangling jewelry or overly baggy clothing. Box office staff should be dressed in business casual attire. You cannot clock in to work until you are properly dressed and ready to begin your assignment for the day. Failure to work due to inappropriate work attire will result in being sent home and flagged as a “no call/no show.”

4. Failure to clock in and clock out will result in zero credit for the day.
5. Ask questions. If you are asked to perform a duty or use a tool with which you are unfamiliar, please inform the supervisor immediately so that you can be instructed in safe and proper execution. Students of all skill level will be working together, and we do not expect you to know everything from the onset.
6. Students must inform the instructor and shop supervisor via email if they will be absent. Failure to do so will be flagged as a “no call/no show.”
7. Attitude and professionalism will have a major impact on your grade. While you are not expected to be an expert in production techniques, you are required to approach all things with a positive attitude and a willingness to learn. If you are not engaged in activities, cause issues with your fellow students or supervisors, or negatively affect the productions it will be reflected in your participation grade. Likewise, if you are involved with productions, eager to learn, put in extra hours, and prove yourself dependable and pleasant, your grade will reflect as much.
8. Do not enter any production shop or performance space under the influence. This includes illicit drugs, alcohol, prescriptions, and/or over-the-counter medications. If you are suspected of being under the influence while at work, you will be immediately dismissed and referred to administration for appropriate disciplinary actions.
9. Do not enter any production shop or performance space in any physically or mentally altered state. This includes illness, exhaustion, or simply being too distracted to concentrate or safely work. If you are working under these conditions, you will be immediately dismissed and not granted credit for the day.
NOTE: All current students have access to free basic medical care on campus by calling 903.886.5853 or visiting <https://www.tamuc.edu/student-health-services/> to schedule an appointment, although they will also see walk-ins as of the writing of this syllabus.
10. Communication is key. Students should feel free to contact the instructor with any questions, concerns, or to meet any individual needs.

The syllabus/schedule are subject to change.
