**Course Specific Procedures/Policies**

- For online course: **Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner.** Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

- *Final grade*– **After the final exam grade were posted, unless there is a mathematical error, I generally would not accept any emails for a better grade** (e.g., “I do need 2 more points to get a better grade.” or “Can I do anything to get a better grade?” or “I do need a B or I will lose my assistantship/scholarship.” etc.) It would be too late. I would not reply any of the request to be fair to the whole class.
- *Dropping or Withdrawal from the course* – “Students who wish to drop a course or withdraw from the university are responsible for initiating this action”. I will NOT drop you from the course; it is your responsibility to complete the paperwork required to drop or withdraw.
- *Check your email* – Emails are sent periodically during the semester. You must check your emails regularly to remain abreast of relevant information. **When sending an email to me, include the course prefix in the subject line, i.e. ACCT521 (because I teach other courses.)**
- *Positive Attendance*: **Class attendance (if fact to face), check D2L often, submit the assignments, etc. are required in this course and is essential to properly learn this material.** This is an advanced class and there is much material to cover, some of which is not covered extensively in the textbook.

- *Late work* –For late work submitted, here is the grading policy:

< 1 week and 1 <sup>st</sup> time late	10 points deducted
< 1 week and 2 <sup>nd</sup> time late	50% off, or 20 points, whichever is larger
< 1 week, 3 <sup>rd</sup> time late or more	Not accepted
Over 1 week late (without prior late record), maximum: only one late assignment is accepted	50% off
Over 1 week late (with any prior late record),	Not accepted

- *Exams/ quizzes* –The exam/quiz will be administered on the date outlined in our course. You must plan to take the exam/quiz on or before its due date. Make-up exams/quizzes are given **ONLY** under extenuating conditions. The following are considered extenuating conditions: hospitalization, medical emergency, physical injury, or death of an immediate family member. You **MUST** bring proof of the extenuating circumstance in order to facilitate an exam/quiz make-up. Proof of the extenuating circumstance must be received in a timely manner. For extenuating conditions make-up exams/quizzes must be taken within 7 days of release or recovery. A 10% late penalty may apply even if an extenuating circumstance exists. Students attending university sponsored events must provide necessary documentation in order to accommodate any make-up exam/quiz.
- During the exam(s): Do not asking for hints from the instructor. **The instructor keeps the right to refuse answering any exam related question(s) during the exam.**
- *Written work* – Any writing assignments that may be required must be completed and submitted using Microsoft Word. Unless otherwise noted all parts of the written assignment must be submitted in one file, i.e. do not submit two separate documents for grading. If it is necessary to make calculations, table, graphs, etc. using Excel or another program, you must copy the information into the Word document.
- *Cheating, plagiarism, academic dishonesty* – Academic integrity is a serious issue. If any portion of your work (exam, quiz, research assignment, homework, etc.) is copied, plagiarized, purchased, stolen or lacks authenticity, the ENTIRE body of work will receive a zero. The Dean will be notified of any breach in academic integrity. Additional academic sanctions may include failure of the course, dismissal from the program and/or dismissal from the university.
- *Graded work* – There are several issues regarding grading/scoring: 1) No pre-grading or ask the instructor to check your assignment/homework before the due day, which is not fair to your classmates. 2) I do NOT re-grade work. Once an assignment is returned with a grade/score it cannot be resubmitted. **3) If you disagree with the posted grade/score on an assignment, you must email me with the specific discrepancy no more than 48 hours after the grade/score is posted.** 4) You are NOT permitted to submit an assignment used in a previous course.
