- Short, Kathy G., Carol Lynch-Brown, & Carl M. Tomlinson. (2014). Essentials of children's literature (8th ed.). New York: Pearson.
- Short, Kathy G., Carl M. Tomlinson, Carol Lynch-Brown, & Holly Johnson. (2015). Essentials of young adult literature (9th ed.), New York: Pearson.
- Five journal articles available in the library databases.
- You will select additional reading material from titles that are considered children's and young adult literature to write your annotated bibliographies. Books are available to buy at local bookstores or online, or to borrow from local libraries.

Course Description

This class provides a broad survey of children's literature (birth-12 years) and young adult literature (10 to 18 years) – ranging from folk and fairy tales to today's best new fiction and information books, with emphasis on the needs and

interests of children and young adults. Participants will extend their knowledge of the genres of children's and young adults' literature and increase their ability to evaluate, select, and use children's and young adults' literature as an integral part of the classroom and library media center curriculum.

Course Learning Outcomes:

The course focus is on Texas Learner Centered Standards and Principles for School Librarians listed below,

Standard 1 Learner Centered Teaching & Learning

Standard 4: Learner-Centered Information Science and Librarianship

Domain I (Teaching, Learning and the School Library Environment)

Competency 001 (Teaching and Learning in the School Library Program): The school librarian understands teaching and learning processes and promotes the integration of curriculum, resources and teaching strategies to ensure all students' success as creators and users of ideas and information.

Competency 002 (Library Environment): The school librarian establishes a library environment that enables and encourages all members of the learning community to explore and meet their information needs.

Standard 2

Standard 5: Learner Centered Connections to the Community

Domain II (Program Management, Leadership and Connections to the Community)

Competency 003 (Library Program Management): The school librarian understands library program management and acquires, organizes and manages resources.

Competency 004 (Library Program Leadership and Connections to the Community): The school librarian exhibits library program leadership and collaborates within the school and community to promote the success of all students.

Standard 6: Learner Centered Information Science & Librarianship

Domain III (Librarianship, Information Science and Technology)

Competency 005 (Librarianship and Information Science): The school librarian applies knowledge of librarianship and information science to help the school community locate, evaluate and use information to solve problems and to encourage lifelong reading and learning.

Competency 006 (Information Access and Technology): The school librarian uses and integrates technology telecommunications and information systems to enrich the curriculum, enhance learning and promote the success of the school community.

Student Learning Outcomes

Upon completion of the course, the student will be able to:

1. Demonstrate knowledge of the genres of children's and young adults' literature.
2. Demonstrate familiarity with a wide variety of authors, illustrators, and books in the fields of children's and young adults' literature.
3. Demonstrate the ability to evaluate, select, and use children's and young adults' literature as an integral part of the classroom and library media center curriculum. Specifically the student will demonstrate effective understanding of:
 - a. the part literature plays in curriculum design
 - b. strategies to encourage reading, guide the development of independent readers, and help readers select materials
 - c. the diverse learning needs and varied cultural backgrounds of the student population

COURSE REQUIREMENTS

Instructional Method / Activities / Assessments

Students will read from two major texts as well as from a variety of literature aimed at children and young adults. Each day an effective understanding of the texts will be demonstrated by answering a short quiz. Class participation/ discussion will consist of posting a response to a prompt and at least two responses to a classmate's post. Through writing two annotated bibliographies, an author report, and a final poetry project, students will evaluate the literature for its quality, appeal, and value in instruction.

Grading

The final grade will be determined as follows:

- | | |
|---|-----|
| • <input type="checkbox"/> Quizzes | 20% |
| • <input type="checkbox"/> Author Reports | 15% |
| • <input type="checkbox"/> Discussion Posts & Responses | 15% |
| • <input type="checkbox"/> Annotated Bibliography 1 | 15% |
| • <input type="checkbox"/> Annotated Bibliography 2 | 15% |
| • Lesson Plan | 20% |

Grades will be determined using evaluation rubrics that will be posted in D2L. You are responsible for reviewing the rubrics and raising questions or concerns about them prior to submitting an assignment.

Course grades will be: A (90-100%), B (80-89%), C (70-79%), D (60-69%) and F (59% or less).

Quizzes (20%)

An opportunity to demonstrate your understanding of the course material, you will take regular quizzes, due by Sunday.

Author Report(s) (15%)

Essays should be approximately two full pages and composed using Microsoft Word or equivalent, with one inch margin on all sides, Arial or Times Roman 12 point font, double spaced, and uploaded to the dropbox.

Discussion Posts & Responses (20%)

Post your answer to the prompt by Wednesday at midnight (approximately 250 words). Respond to at least two of your classmates' posts by Sunday at midnight (approximately 100 words). It is usually wise to compose your work in Microsoft Word or equivalent and copy and paste into the forum box. Otherwise you could lose what you have written if your Internet connection is dropped.

Annotated Bibliographies

Bibliographic citations should be in APA format. The first page should include a standard heading with your name, course, and date. The title should read "Annotated Bibliography: Children's Literature" or "Annotated Bibliography: Young Adult Literature." The layout should be one-inch margins on all sides, Arial or Times New Roman 12 point font, double-spaced, with hanging indentation. Annotations should be approximately 100 words for each entry, and should include genre, target age group, summary, and evaluation.

Annotated Bibliography 1 (Children's Literature) (20%)

Students will read and evaluate 15 books from a variety of genres, selected from those mentioned in the textbook. You will find bibliographies at the end of every genre chapter. Include at least two from each genre. Due by Friday (June 30) at midnight.

Annotated Bibliography 2 (Young Adult Literature) (20%)

Students will read and evaluate 10 books from a variety of genres, selected from those mentioned in the textbook. You will find bibliographies at the end of every genre chapter. Include at least one from each genre. Due by Thursday (July 6) at midnight.

TECHNOLOGY REQUIREMENT

Browser Support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers, using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Academic Honesty

Texas A&M University-Commerce does not tolerate plagiarism and other forms of academic dishonesty. Conduct that violates generally accepted standards of

academic honesty is defined as academic dishonesty, which includes, but is not limited to, plagiarism (the appropriation or stealing of the ideas or words of another and passing them off as one's own), auto-plagiarism (duplicate submission of single work for credit in multiple classes), cheating on exams or other course assignments, collusion (the unauthorized collaboration with others in preparing course assignments), and abuse (destruction, defacing, or removal) of resource material. All works submitted for credit must be original works created by the scholar uniquely for the class. Works submitted are subject to submission to TurnItIn, or other similar services, to verify the absence of plagiarism. Consequences of academic dishonesty may range from reduced credit on the plagiarized assignment to petition for removal from the academic program or institution, depending on the circumstances and extent of the violation; however, in typical instances, an automatic F in the course is considered appropriate. Any works referenced should be properly cited in accordance with APA 6th edition style.

Scholarly Expectations

Work submitted at the graduate level is expected to demonstrate critical and creative thinking skills and be of significantly higher quality than work produced at the undergraduate level. To achieve this expectation, all students are responsible for giving and getting peer feedback of their work prior to submitting it for a grade. Students are also expected to resolve technical issues, be active problem solvers, and embrace challenges as positive learning opportunities. Educational technology professionals must be able to work cooperatively and collaboratively with others—skills which students are expected to practice in this course. Students are expected to ask for help when they need it and offer help when they notice someone in need.

Timeliness

I grant extensions on assignments only under the most exceptional of circumstances. You should make explicit prior arrangements with me and provide evidence of extenuating circumstances.

ADA Statement

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See [Code of Student Conduct](#) in the [Student Guidebook](#)).

Nondiscrimination Notice:

Texas A&M University-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

Campus Concealed Carry Statement: Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University- Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations.

For a list of locations, please refer to the [Carrying Concealed Handguns On Campus](#) document and/or consult your event organizer.

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

COURSE OUTLINE / CALENDAR

****Available first day of class.**

ETEC ePORTFOLIO for MS/MEd in Educational Technology

Students pursuing the MS/MEd degree in Educational Technology Leadership (ETLD) program are now required to submit an electronic portfolio prior to graduation.

Students pursuing the MS/MEd degree in Educational Technology Library Science (ETLS) are strongly encouraged to develop an e-portfolio of their work throughout the program as it will benefit the student in obtaining a position in Library or Media Services.

Beginning in the 2014-15 academic year, it will become a program requirement to graduate with the MS/MEd in ETLS. However, this requirement does not pertain to students taking ETEC courses as an elective for other programs, including those pursuing only the School Library Certification who have already earned a master's degree.

Many courses in the ETEC program have identified artifact(s) that should be included in the eportfolio to provide evidence of acquired and developing knowledge, skills, and philosophical approaches.

In courses where recommended artifacts are not identified, it is the student's responsibility to collect artifacts throughout the course and appropriately select which artifacts to include in the eportfolio. This includes courses from other departments and/or institutions for which the student is receiving credit towards the ETEC master's degree. For example, if a student takes courses in ELED, EDAD, MGMT, or TDEV and applies credits earned toward their ETEC master's degree, the student should include artifacts from those courses in their ETEC eportfolio.

Newly admitted majors in the program should contact Dr. MaryJo Dondlinger, for more information on how to get started with the ETEC e-Portfolio. If you plan to major in the program, but have not yet applied, you are strongly encouraged to do so as soon as possible.

Please contact MaryJo.Dondlinger@tamuc.edu for more information about the program's portfolio requirement.
