Course Description:

Pedagogy in-classroom undergraduate training experience. This course focuses on in-classroom observation and experience through shadowing a faculty member and creating and applying classroom assignments.

Course Objectives

- Observation of real-time interaction with an undergraduate class
- An opportunity to learn and pick-up teaching methods from outside sources
- First-hand experience with introducing and facilitating a class assignment
- Observe and react to class dynamics through team critique methods
- Gain an understanding of an entire semester of course work
- Monitor student progress within a class environment
- Gain confidence in critique, assignment facilitation, class dynamics, assessment, and different teaching styles/methods

Course Structure / Expectations

The course structure will be a mix of individual meetings with your professor and class meetings TBD. Words to-the-wise Show up, be committed in your work, and immerse yourself in the process. It's your show. DO NOT FALL BEHIND

Class Policy

Computers, cell-phones, earbuds, or other personal technology. Devices may not be turned on or used in class without the permission of the Instructor. First offense: (a pass) Subsequent offense (s): (this will affect your participation grade)

Absence Policy

- You may be absent from class twice.
- In your first absence, you will receive an email warning, which is copied to Virgil Scott.
- In your second absence, you will receive an email, and Virgil Scott will contact you.
- In your third absence, you will receive an F in the class. If you wish to drop the class, you will receive a drop/fail.
- Two tardies of 20 minutes or more are equal to one absence.
- A tardy of 60 minutes equals an absence.
- Two late returns from the break of more than 10 minutes equal one absence.
- Final: for every 10 MINUTES late for the final, a full grade will be deducted from his or her final grade. Example: if a student has an "A" in class and is 40 minutes late for the final, the grade will be an "F."
- If a student does not show up for the final, they automatically fail the class.
- There is no distinction between excused and unexcused absences.

Grading Scale

A 90 to 100 points: Excellent (superior effort and results above and beyond)
B 80 to 89 points: Good (significant effort and hard work)
C 70 to 79 points: Average (minimal class requirements met)
D 60 to 69 points: Below Average (below class average expectations)
F 50 to 59 points: Poor (inferior work and attitude)

Course Syllabus

In addition to the project, quiz, and test grades, students' final grade will also be based on critique participation and application, work ethic, and attitude. All exercises and projects are given with weekly steps to be accomplished by the beginning of the next class meeting. Meeting these mini-deadlines is part of the overall assignment and plays a significant role in project grades. All work is due on the assigned date. All projects are due on the date and time given. No late projects accepted unless instructor approval is given.

Grade Evaluation

Your final grade will be based on an average of all assignments, attendance, and participation grade. The participation grade is based on dedication to methodology application, conceptual thinking ability, craftsmanship, daily class involvement, and contributions to your classmates, as well as both a desire and capacity to show progress and meet deadlines from week to week. Grades will be discussed on an individual basis by office appointment only—not in a class, please. Note: Violations of class policy concerning unauthorized use of computers, cell-phones, earbuds, or other technology will result in point deductions from the current assignment. The instructor reserves the right to alter this policy if class disruptions become an on-going problem and class distraction.

Words To-The-Wise

Show up, be committed to your work, and immerse yourself in the process. It is your show to enjoy!
If you fall behind, run like hell to catch up! Also, please let me know if you need to come to see me. I am here to help.
